Oddfellows Hold Decoration Day

Stirling Lodge I.O.O.F. held its annual decoration service on Sunday, and bouquets were placed on the graves of ~~sixty-eight~~ brethren in Stirling cemetery. About 2.30 about ~~seventy-five~~ members, including brethren from the lodges in the district headed by the Frankford band, left the lodgeroom in march formation for the cemetery. When about to pass the cenotaph, the procession halted and bouquets were placed at its base by Bros. J. G. Butler and F. T. Hulin, after which the Band played "Nearer My God to Thee." The following are the names of brethren whose graves were decorated:

Stephen Nolan, Dr. Bissonnette, R. Cosby, Peter Martin, Geo. L. Scott, Everett Fox, D. D. Ashley, Wm. Ferguson, Robt. Jones, Oliver Hewat, W. P. Sine, Merritt Sine, John Shaw, W. Weaver, Elgin Jackman, E. Carlisle, Geo. Carlisle, J. B. Thompson~~ and ~~Harold Ashley~~. During the ceremony the band played appropriate music.

GOOD TAX RETURNS

Tax-Collector J. M. Magee reports that $9,960.65 of the first instalment of this year's village taxes were collected up to July 1st. This is over ninety-five per cent of the amount due, and is remarkable, considering the prevailing times of money scarcity.

H. A. HOOVER PASSES

One of Rawdon's well-known and highly respected residents, in the person of Henry A. Hoover, died at the home of his son, Mr. H. V. Hoover, last night, aged 88 years and 6 months. Mr. Hoover, who was a descendant of U. E. Loyalists, had enjoyed good health until a short time ago, when the ailments of old age seized him, causing his demise. Funeral arrangements have not been made up to the time of going to press.

NEW HOUSES

A building boom has occurred in Stirling for this year. Three new houses are being erected. Mr. Hector Eggleton's house, on Mill Street, east, is practically ready for occuvancy, while new residences for Mr. Perry Bronson, on John street, south, and Mr. Roy Thomlinson, on Church street, are being erected.

FRACTURES RIBS

Mr. James Mitchell, local carpenter is suffering from two fractured ribs received when he fell from the roof of Mr. Roy Thomlinson's house, Church Street. He was about to step on to the roof, off the ladder, with a bundle of shingles, when the latter moved and threw him off balance, and he fell to the ground, with the above results.

A COIN OF 1702

George Duffin displayed an old coin to the News-Argus on Tuesday, bearing the year 1702. It was an English piece of money. On one side of the coin was a lion beneath a castle, and on the other a design siimlar to the Crusader's shield of olden days.

Mrs. K. M. Sine submitted three old English coins to this office dated 1802, 1786 and 1799.

NO PARKING SPACE

A no-parking sign with parking prohibited from 10 p.m. to 11 p.m. daily will be erected in fromt of the Post office—the restricted area being necessary for the width of a car. This is being done upon request of Mr. J. C. Gay, mail messenger, who has difficulty in taking mail to and from the post office when that section of the street is lined with cars.

NEARLY 100 PER CENT.

The News-Argus extends congratulations to Prin. S. L. Snowden, of the local public school, and his entrance class. Thirteen pupils wrote on the examinations with only one failure. Mr. Snowden does not believe in holding a pupil back, regardless of the year's standing, but gave every pupil who desired an opportunity to "try their entrance". The result does credit to his teaching ability, as well as to the cleverness of the pupils.

FIRE NEAR GLEN ROSS

"Beware of Fire" should be indelibly impressed upon the minds of everyone, particularly smokers. A resident from Glen Ross district informed the News-Argus that a fire occurred near Mr. G. Lagrow's cottage at the Trent River, a week from last Sunday, that threatened destruction to a large part of that section. Had it not been for the timely arrival of residents nearby, a serious blaze would have occurred and undoubtedly the cottage would have gone up in smoke. It is reported that the cause was from a match or cigarette stub, thrown carelessly by an occupant of a car, that had passed that point a few minutes before the fire was noticed by Maj. Fraser. Again we warn—be careful of discarding matches, etc.

DON'T ABUSE COURTS

During the past week the tennis courts have received a greatly-needed soaking and with proper care will be in first class condition. Grass and weeds have gradually been making their way through the surface of the ground and to counteract this about four hundred pounds of salt were spread on the wet clay in an effort to have it soak into the roots and thus kill the growth. However, through either carelessness or thoughtlessness the efforts of the caretaker have been partly in vain, for although the nets have been taken down while the surface of the courts was wet, some of the players have deliberately used them, tearing up the soft clay and leaving it in worse shape than before the rain fell. Once the ground becomes pitted and dry it is very difficult to get it back into shape again. There is only one way to keep the courts in shape and that is for the members to refrain from using or abusing them while they are wet. The co-operation of the club members will be greatly appreciated by the caretaker, who is putting forth every effort to keep the playing surface in good shape.

Won Knives At Norwood

Two rinks of local bowlers composed of Dr. E. A. Carleton, J. E. O'Donnell, W. Wright, Thos. W. Solmes, skip, and R. W. Meilkejohn, J. S. Morton, C. R. Bastedo and W. J. Whitty, skip, took part in a tournament held in Norwood yesterday. Sixteen rinks were in the contest. Solmes' rink won the second prize of a half-dozen stainless steel dinner knives in the primary event. The other rink failed to get in the prize column.

Constable Wicket Arrests Girls

On Saturday night, Marie Belanger, alias Marie Wright, and Dorothy Smith, both of Windsor, were arrested by Constable Harry Wickett, at the farm of Mr. Harry Reid, near Sidney Baptist Church. Both appeared before Magistrate Mikel in Belleville Court on Monday morning on a charge of vagrancy. They were remanded in custody for one week until the police make a further investigation about the girls. The Bellanger girl was provided with a position by the police just outside of Belleville limits but ran away after staying but two days. The two girls came to Belleville one week ago Saturday, supposedly from Windsor, by motor.

WINS PRIZE

Mr. A. W. McGuire, Inspector of Public Schools for Centre Hastings, has announced, through Mr. S. L. Snowdon, Principal of Stirling Public School, that Stewart McGowan secured the highest standing for his class in the recent Entrance examinations. Stewart therefore wins the $5.00 cash prize so generously donated by Mrs. Harper Rollins.

PARASITES VS. BORER

Parasites are being liberated in Hastings County this week to fight the corn borer. These little foes of the borer have given one hundred per cent. results in other centres, in the suppression and control of the corn pest, which has made such inroads on Canadian corn. It is expected after the "battle" is over the corn borer curse will be practically wiped out in this county.

WATERWORKS

The rain over the week-end delayed the digging of the pipe line. However, work on the main, along Mill street is now being done. Motorists are requested to park cars on the south side of the street until the trenches are filled and the earth removed.

Nothing definite has been done about the extensions by the Council, owing to the delay in disposing of the necessary debentures.

Services are being installed in the summer water area, and all citizens desiring same should speak to Inspector Sprentall at once. About ten hydrants have been set.

The pump has not arrived yet, to enable a thorough test of the capacity of the well, the source of supply, on Henry street.

Local and Personal

Mrs. Albert Hammond has been visiting her sister, in Montreal.

Miss Mary McFaul, of Belleville, spent the week-end with her father.

Miss Tilly Farney, of Belleville, spent Tuesday at the home of Mrs. Jos. Reid.

INFANT PASSES

The sympathy of the community is extended to Mr. and Mrs. Francis Jeffrey, of Minto, in the death of their infant daughter, Loraine, seven months old, who passed away last Saturday morning. The funeral was held on Monday.

FRACTURE RE-SET

Mr. George Bailey, local barber, who had the misfortune to fracture his shoulder when he fell down the basement steps in his shop some time ago, has been suffering greatly from the injury, as the break seemingly failed to "knit". The fracture was reset on Tuesday and it is to be hoped now that the injury will heal rapidly.

Machine Explodes at Factory

On Tuesday afternoon an accident occurred at the Cheese Box Factory, and it is indeed a miracle that some of the employees were not injured. John Munro, son of E. Munro, one of the proprietors, was standing beside the heading jointer, which was in operation, when all at once, there was a noise and the revolving part of the machine broke into pieces of all sizes and landed in different sections of the plant with the speed of a bullet. Fortunately the missiles missed the workmen and no injuries resulted. The cause is not definitely known.

BATTERIES STOLEN

The batteries belonging to the two trucks of the Stirling Cheese Box Factory were stolen sometime during Friday night by a sneak thief or thieves. The loss was not discovered until the trucks were ready to start on a delivery trip of boxes on Saturday morning. It is reported no other accessories were taken. Some parties apparently are storing up batteries or have a ready market for the stolen articles, as there seems to be an epidemic of such pilfering in the district.

DROPS DEAD AT WOOLER

Mr. Edgar M. Shaw, of Sault Ste. Marie, a cousin of Mr. Harper Rollins, Stirling, dropped dead on Sunday, while visiting his sister, Mrs. D. S. Austin, who is seriously ill at her home in Wooler. He was about to say good-bye when he was seized with a heart attack, which proved fatal. The remains were taken to Picton and the funeral service was held there yesterday. Among those who attended from this vicinity were Mr. and Mrs. Harper Rollins, Mr. T. Montgomery, Sr., Mr. and Mrs. Thos. Donnan, Miss Eliza Donnan and Mr. Jas. Donnan.

COUNCIL MEETS

Council met on Monday night with that the assessmen of south-west ¼ cillors Wm. Fitchett, J. E. O'Donnell and A. E. Dobbie present.

Mr. Argue, of Belleville, bond salesman, interviewed the Council regarding selling of debentures. His proposition will be considered at a special meeting. No definite action has been taken regarding extensions of waterworks until the sale of the bebentures is assured.

J. C. Gay asked that a no parking sign be placed in front of Post Office to enable him to deliver the mail more conveniently, particularly on open nights. He stated that he had to stop in the middle of the street, which was a danger to traffic. The matter was left in the hands of the Street Committee to take action.

J. Chard interviewed Council re his assessment. Rebate was made on the taxes on $200.00.

Question of dogs being wrongly assessed will be investigated and rebates made where necessary.

Mr. Kent again requested the tree in front of his property be removed. It was granted.

M. Welsh was charged on $50 over his assessment and was granted rebate on same.

A rebate of $100 business assessment was made to R. Christie on his property, Front Street west, (Campbellford Corner).

A communication from Good Year Tire and Rubber Co. was received and fyled.

A bond will be secured for tax collector up to $10,000.

The following accounts were ordered paid:

CURRENT COMMENT

Now that the schools are closed, isn't it queer how early most of the children get out of bed these mornings.

We have concluded that contentm ent has one advantage over wealth—people don't try to borrow it from you.

Ontario's summer resorts are now in full swing. Oak Lake is proving a popular rendezvous to many pleasure seekers.

Next Tuesday is "The Glorious Twelfth", a great day for Orangemen, when a big "walk" is held at different centres.

Did you ever notice that there are some people who boast that they never take stimulants, but they will swallow large doses of flattery.

The next time you feel discouraged, just examine yourself and see if some of the trouble isn't that you feel too lazy to try again.

The bass and lunge fishing season opened last Friday. Yes, anglers, we like fish—and we are "from Missouri" regarding fish stories.

The News-Argus extends congratulations to the successful pupils who passed their H. S. Entrance exams, and sympathy to those who failed—better luck next time.

"Have you brains?" asks an exchange. We thought we had some, but with the passing of time we're not so sure. Now, readers, not all at once, please?

With the publication of the promotion lists for the public schools—the greatest problem of the year, to the pupils, has been solved.

Now that the kiddies are out of school for two months vacation, it just means more cares for mother, in an endeavor to keep them out of mischief. Come now Dad, assume a little responsibility now and then—yes, the children would enjoy a "romp" with you.

How times have changed. A few years ago July 1st or Dominion Day was the occasion for mammoth patriotic and public demonstrations. Now such an event passes marked with automobile and drowning fatalities. Give us the good old days!

We noticed where United States college sport clubs including hockey, rugby, etc., would not broadcast their contests over the radio in future. If such steps were taken by that country's presidential nominees, it would be greatly appreciated by Canadian radio fans.

In past years there has always been misunderstandings regarding Stirling's Civic Holiday. Some desire it to be celebrated on the first Monday in August, while others prefer the first Wednesday. As it is about a month away, surely a definite decision can be made ere then so that the public may make plans.

Tweed News—Two brokers sentenced to Portsmouth Penitentiary 18 months ago have been given their liberty after having served less than one half of their time. It appears as though the Canadian penal laws are now being modelled after those of the great Republic to the south of us.

Every year the annual Decoration Day of the Stirling Oddfellows draws larger crowds to the local cemetery. This year the weather was ideal, the cemetery presented a picture of beauty and visitors were present from various parts of the district, and over seventy-five Oddfellows attended to do honour to their departed brethren.

Now that campers are beginning to migrate to their cottages for the summer season, every caution in regard to poison ivy, so widespread throughout Ontario should be taken. If you do not know poison ivy when you see it, it is a climbing or trailing shrub, with broad leaves in clusters of three, aerial roots, and greenish flowers. All parts of the plant are poisonous and the poison seems more virulent when the plant is blooming.

The taxpayers of the village are to be commended for their response in paying the first instalment of their 1932 taxes. Practically all of the first payment due July 1st has been received by the tax collector. This village may also boast of having practically no 1931 tax arrears, while many municipalities are still carrying hundreds of dollars of tax arrears. Stirling may be placed to the forefront in this regard.

The weekly newspaper, along with other industries, is being hit by "Old Man Depression". Some weeklies have suspended publication, while other towns where there have been two papers, now only have one. The Picton Gazette, which started publishing semi-weekly in May, 1928, later developing into a tri weekly, has announced that on and after July 1st that paper would revert to only one issue per week, due to the difficult times now prevailing.

True Friendship

Broken friendship, like china, may be repaired, but the break will show—and this is a bit of real truth and wisdom. Friendship is a precious thing—too precious a treasure to be carelessly broken or thrown away. The world handles the word "friend" lightly; its real, true, deeper meaning is forgotten, and the acquaintance of an hour of the chance corner is designated by the term which in itself bears a wealth of meaning. Your friend is the one who appreciates you—your faults as well as your virtues—who understands and sympathizes with your defeats and victories, your aims and ideals, your joys and temptations, your hopes and disappointments, as no one else does or can. It is to your friend to whom you turn for counsel, for comfort, for praise;he may not be as learned as some, or as wise as others, but it suffices that he understands you, and even his quiet listening gives you strength and renewed courage. Blessed is the man or woman into whose life has come the beauty and power of such a friendship. Prize it well. Do all in your power to keep such friendship unbroken. Avoid the break, for when it comesi it cannot be easily mended and the jarring note mars the harmony of the whole glorious symphony. It is not alone a question of forgiveness; that may be full and complete. It is the hurt in the heart that will not readily heal and confidence that will not come back.

Happiness

Do not think you are making your family happy by making them have too easy a time. There is no one so irritable and discontented as the over-indulged, spoiled child. He does not appreciate the soft time he has, but wants to be continually carried on a bed of roses. He will suffer most when he gets out in the world. It is not a kindness to pamper and make him tender. The wise mother hardens her children to meet life. She makes them sturdy, accustomed to work and endurance and sacrifice. Life in the world is less difficult for them, because they have developed skill at labor, are practiced in it and know how to do it efficiently and without awkwardness and strain. They do not mind getting up in the morning and hustling, nor bearing burdens on their shoulders, which are accustomed to loads. The happy person in life is he who knows what sweat of the brow means, who is not afraid of labor, who leels secure in that he is trained to make a living; who is grateful for the good fortune which comes his way because he knows what it costs. Above all, the happy person is he who has developed the habit of appreciation and of looking on the bright side of life. Happiness is dispositional and depends infinitely more on conditions inside a person than upon incidents or environment outside him. The habit of happiness may be cultivated.

Hurrah! For the Pedestrian

At last the poor pedestrian is beginning to assert his rights. In a world where motor vehicles have increased tremendously in numbers, he has found himself greatly handicapped because of his inability to move as quickly as an automobile does. He has had to take his chances of being hit by a fast-moving vehicle, and if he is unfortunate enough to be injured in an accident, he finds himself faced with a well-organized body operating to defend the rights of the motorist. Now the worm has turned. Application has been made to Ottawa for letters of incorporation for a body known as the "Pedestrian Rights Association." The declared purpose of this new body is "the protection of the pedestrian from traffic dangers, promotion of publicity and instruction among the general public and the improvement and enforcement of existing laws." In other words, someone is taking the initiative in doing for the pedestrians what the motorists have long ago done for themselves. They have their organizations, active bodies which seek to protect the rights and interests of motorists. Now the pedestrians are to have a similar opportunity of asserting the rights which they undoubtedly possess. Henceforth, instead of an individual speaking for himself when he feels he has a grievance, he will be able to secure the collective support of pedestrians in the mass. There is a useful work which an association of this kind can do, even if only in expressing the views on legislations and traffic regulations of the pedestrians as opposed to the motorist. The pedestrians, after all, greatly outnumber the motorists, and if the project can be popularized, and people attracted to it in hundreds of thousands, it can bring useful pressure to bear on legislative bodies to recognize to a greater extent than at present the rights of pedestrians on the highways and streets of the province.

HERE'S AN IDEA

(Border Cities Star)

There are many persons who contend—and with no little argument on their side—that all education past the public school should be paid for by those, or by the parents or guardians of those, who receive it.

This school of thought says that the public at large should not be expected to meet the cost of supplying high school or college education to boys and girls, that higher education is a luxury and not the duty of the state to provide.

We think there is a good deal to be said for this point of view and it should be kept in mind when anyone feels like being critical of the relatively small fee charged at examination time.

LO, THE POOR SUCKER

(Financial Post)

Evidence has been taken before a United States Senate committee on pool operations in the stock market. Some of the facts brought out are very interesting for the man who occasionally attempts to beat the stock market on a purely gambling proposition.

There was for instance a pool in Anaconda Copper stock operating in the summer of 1929. The pool owned some 200,000 shares of the stock on August 1, 1929. It had an option on 100,000 more. In August the selling campaign began. Publicity experts were hired to circulate tips about the stock. The price rose—during the period of distribution by the pool—from 108 to 132. Then sales ceased and prices fell. The shares are now at about 4. This pool was apparently managed by one of the largest and most respectable of the United States investment banking firms.

Weekend Accidents

The week-end fatalities in Ontario over the week-end included the following:

Mrs. Gertrude Avery, 40, auto crash, Waterdown.

W. J. Connors, 46, auto crash, Petrboro.

Miss B. E. Mosher, Cannington, is home for the holidays.

Misses B. Gay and Edna Archer spent the week-end in Campbellford.

Miss Ruby Bird is visiting friends at Peterboro and the Kawartha Lakes

Mr. and Mrs. W. L. Fox left on Saturday to visit friends in Brockville and Kemptville.

Miss Edythe Wellstood, Kinmount, is spending a couple of days the guest of Miss Mae Currie.

Mr. Donald F. Bissonnette, Toronto, was home for the week-end. He was accompanied by Mr. Earl Heding, chemical engineer of the Toronto Gas Works, a native of Norway.

Cheese still keeps up a good price, though there is a slight decline from the prices paid in the earlier part of the season. At the Stirling Board on Tuesday there were 1020 boxes offered and the sales were: Watkin 270 at 12 1-2 cents, Bird 295, Cook 225, Kerr 230, all at 12 7-16c.

The Ontario Government has granted $500 to assist the Madoc Model School to be re-opened this fall, and the County Council has granted a similar amount. A new addition to the present school building will at once be erected to accommodate the model class, as well as other accommodation needed.

On Tuesday afternoon, June 25th, the close of the school year, a number of the parents of S.S. No. 17, Rawdon, assembled at the school house, when pupils, before parting with the teacher, Mr. A. Richardson, presented him with an address and a fountain pen.

Madoc Junction

Mrs. Gardiner, of Belleville, has returned home after spending a few days with her sister, Mrs. Bennett.

Mr. and Mrs. Sills, of Madoc, visited Mr. and Mrs. Fitchett recently.

Mr. H. Burke took charge of the service in the Methodist church here last Sabbath. We hope he will come again.

Several from here attended the service at West Huntingdon last Sabbath evening to hear Mr. Sharpe's farewell sermon. At the close of the service Mr. Sharpe was presented with a purse of money and some valuable books. Special music was furnished by the choir, also by members from Moira and Eggleton.

Hints for the Household

For the Month of July

Picnic Time

The picnic season is a joyous time for all. 'Tis the time to be prepared so that at practically a moment's notice one can pack a tasty lunch. The main idea is to have the food on hand and other items to go with it.

Purchase plenty of paper napkins.
Oiled paper.
Paper plates
Paper forms.
Paper spoons.
Have a shelf ready with:
Jelly and jam.
Cheese.
Bottled goods.
Salad dressing.
And have plenty of eggs or cold meat in the ice box.

Paper Napkin Uses

Buy plenty of cheap napkins. Hang some near sink. Use to wipe hands; wipe floor; wipe stove; wipe spots, wipe greasy pans, and be handy to wrap food in when necessary.

COOKIN HINTS

Potato Salad

Cold boiled potatoes.
3 slices of bacon.
Teaspoon of flour.
Small ½ cup of diluted cider vinegar.
Chopped onions.
Salt and pepper to taste.

Method: Cut up potatoes. Cut up bacon in small cubes. Fry bacon crisp. Remove bacon and make a sauce by mixing flour in hot fat until smooth. Then add vinegar. Mix well. Pour over potatoes. Add bacon, onion, salt and pepper. Serve immediately.

How to Cook Rhubarb

Method: Wash rhubarb. Cut up and place in a double boiler. Add sugar. A tiny pinch of soda if desired — no water. Cook until tender.

BAKING HINTS

Roast meat or bake meat loaf the day before if you are planning to use it for sandwiches.

Blueberry Muffins or Cake

1 pint of sifted flour (2 cups)
Pinch of salt.
2 teaspoons of baking powder.
¼ cup of butter.
½ cup sugar.
1 egg.
1 cup of milk.
1 heaping cup of blueberries.

Method: Melt butter in baking pan while oven is heating. Beat egg. Add sugar and salt. Then add flour and baking powder sifted together. Next add milk. Mix well. Flour blueberries and add last. Pour into cake pan or muffin pans and bake twenty minutes to one-half hour.

Sour milk may be used with ½ teaspoon soda instead of baking powder. To make extra good, beat yellow and white separately. Put beaten white in last before strawberries.

GENERAL HINTS

To Remove Fingerprints from Painted Doors and Woodwork

1. Wipe surfaces with a soft flannel wrung out in water to which a few drops of ammonia has been added. Then rub with soap. After stains have been removed—wash with clean water and dry well.

2. Oatmeal is a good white paint cleaner. Dip a damp cloth in oatmeal and rub over surfaces. Then wipe with a clean damp cloth.

PICNIC AND PRESENTATION

On July 2nd Union S. S. No. 18, Rylestone, held their annual picnic at Chard's Bridge. Despite the day being one of frequent showers, the picnic was a decided success, which fact was due largely to the good will and mutual regard prevailing between the section and the popular teacher, Miss Helen Bateman.

Between showers about 80 people sat down to a bountifully spread table, where ample justice was done the dainty fare. As a last course ice cream was liberally served. The gathering was then called to attention by Mr. Fred Barnum, Secretary of the section and the following address read by the Chairman, Mrs. Thos. Reid:

Dear Miss Bateman,

We, your pupils and residents of the section are taking advantage of this picnic to voice our appreciation of your splendid work among us during the past four years and to tell you how much we regret your resignation.

We know that much honour is due you for the ability, patience and love for the children which you have evidenced in training and developing the young minds. We also feel that in some way, you have instilled into their minds a love for some of the finer things of life as well as the practical.

We children are losing not only a good teacher, but a real friend, who had all our interests at heart, and was never too busy to plan for our pleasure and general welfare.

For one thing, however, we are glad, that is, that even though we are losing you as teacher, we are to have you as neighbor, and of meeting you socially even more often than in the past.

We all know and feel that you will be very happy in your new home and we wish you and your betrothed every joy and happiness.

Please accept this fernery as a slight token of our appreciation and esteem.

Signed—Victor Irwin, Fred Barnum and Thos. Reid.

Miss Bateman feelingly replied, expressing her gratitude to the section for their kindness.

The remainder of the afternoon was spent in games and in the usual sports of Chard's Bridge.

HAROLD

The Township Council met on Monday in the hall here with all the members present except Mr. Wm. Stiles who is still a patient in the Belleville hospital.

Miss Ruby Cotton was a week-end visitor at her home here.

Mr. and Mrs. Clute, of Canfield are spending their holidays with the former's parents here.

Mr. and Mrs. Bill Vogan, Toronto spent the holiday the guests of Mr. and Mrs. C. F. Lloyd. Mrs. L. Runnalls returned from the city with them.

Rev. and Mrs. Bunt and children had dinner on Wednesday with Mr. and Mrs. C. Sine.

Mr. and Mrs. T. M. Reid and Mrs. A. Wellman visited Mr. Wellman in Belleville hospital on Sunday and found him slowly improving in health.

Friends here were surprised and shocked to hear of the death of Mrs. M. Welch, a former resident of Springbrook. Of late years Mrs. Welch had been in charge of a summer resort west of Belleville, spending the winter months in the city.

Mr. Henry Hoover, one of this district's oldest and well-known residents passed away at the home of his son, Mr. H. V. Hoover last night in his 89th year. We extend sympathy to the bereaved family.

500 ATTEND WEDDING

The following article relating to the marriage of Miss Nama Marie Green, a granddaughter of Mr. and Mrs. David Tucker and the late John and Nama Green, of Rawdon, appeared in the Yonkers (N.Y.) Herald of June 20th, along with her photo. A silimar write-up and photo also appeared in the New York Herald Tribune.

One of the largest of the season's weddings took place Saturady evening when Miss Nama Marie Green, daughter of Dr. and Mrs. Charles S. Green of 437 Palisade Avenue, became the bride of Alan McKean Welty, son of Mr. and Mrs. Harry True Welty of 92 Vista Avenue.

The cermony was performed before a gathering of 500 relatives and friends at 8.30 o'clock in the Central Methodist Episcopal Church, with the rector, the Rev. Dr. Hough Houston, officiating. It was preceded by half an hour of organ music. Smilax, fern and white peonies were used to decorate the church, which was lighted by candles.

The bride, attended by a maid of honour, four bridesmaids and a flower girl, was given in marriage by her father. She was gowned in ivory satin, made with a bodice of Alencon lace. Her tulle veil was caught at the back of the head with a cluster of orange blossoms and she carried a bouquet of Calla lilies.

Miss Elizabeth Ann Green, sister of the bride, and maid of honor, wore a gown of pale green chiffon with darker green slippers. She carried a sheaf bouquet of yellow Spring flowers.

The four bridesmaids, Mrs. Courtney C. Brown and Mrs. William J. Waldron of Scarsdale, Miss Mary Julia Byam, of Yonkers and the bridegroom's sister, Miss Alice Everhard Welty, wore gowns of peach chiffon with slippers to match and lace mitts in a larker shade.

They carried sheaf bouquets of peach-colored Spring flowers.

The flower girl, Miss Laurina Corrigan, wore a colonial costume of peach chiffon. She carried a pale green basket hat filled with peach rose petals.

C. Stanley Green, brother of the bride, was best man. The ushers included Roberts Durrell of Larchmont, Robert Fox of Mount Vernon, Hanson G. Ford and Dr. T. Hale Ham of New York.

Following the ceremony, a reception was held at the home of the bride's parents. Palms, smilax and roses were used to decorate the house. The young couple left later in the evening on an extended motor trip. In the fall they will make their home in New York City.

Mr. and Mrs. Welty are well known in Yonkers. Mrs. Welty is a graduate of the Halstead School and attended Miss Bennett's school in Millbrook and the Diller-Quaile School of Music, New York. She has been active in junior societies' welfare work in Yonkers.

Mr. Welty was graduated from Dartmouth College in 1927. He is a member of Phi Delta Theta and belongs to the Nepperhan Heights Tennis Club. He is associated with the National City Bank of New York.

WELLMANS

We are glad to note that the four pupils going to Stirling High School from Wellmans Corners were successful in getting their exams from Form I. to Form II.

MR. ROBERT TOTTON

On Thursday, June 23rd, there passed away in Swift Current, Sask., at the home of his daughter, Mrs. (Dr.) O. M. Irwin, Mr. Robert Totton, in his 82nd year. Born near Wellman's Corners, Rawdon Twp., son of the late Mr. and Mrs. Wm. Totton, the deceased spent all of his life in that vicinity until the death of his son, Blake, when he moved with the family to Belleville. Two years ago he and his wife went West, and made their home with their daughter, Mrs. Irwin. Mr. Totton was a man of sterling integrity and of sound Christian faith. For many years he loyally fulfilled the office of Steward in Wellmans Methodist Church. His whole life was characterized by sincere devotion to the church he loved so well. His family, to whom he was a most devoted husband and father, his church, his friends and the community are the poorer by his passing, but all are cheered by the assurance of meeting him again "when the day breaks and the shadows flee away."

For some months previous to his death he had been in failing health, and owing to a fall had been much confined to his room since Easter. He was a very patient sufferer and passed much of his time in reading. He looked forward to his realese with Christian fortitude, his faith being the substance of things hoped for, the evidence of things not seen.

The funeral was held from Warren's Funeral Home on Saturday at 2 p.m., assisted by Rev. Mr. Hughes and Rev. Mr. Toole. Interment was made in Mount Pleasant Cemetery.

Mr. Totton leaves to mourn his loss his wife and one son, Dr. Chas. R. Totton, of Assiniboia; one daughter, Mrs. O. M. Irwin, Swift Current; Mrs. W. B. Totton, Toronto, Mr. Burton E. Potts, Saskatoon, and fifteen grandchildren. Two sons, Blake and Lorne, and one daughter, Lelia, (Mrs. Potts) predeceased him.

The pall-bearers were Mr. Begg, Dr. Cameron, Mr. Langmore, Mr. Furniss, Mr. Wigmore and Dr. Sterrett.

The many beautiful floral offerings marked the high esteem in which our departed brother was held. They included from Mother, a broken wheel; Charles and Lina and family, an anchor; Oscar and Nellie and family, a pillow; City of Swift Current, a wreath; sheafs and sprays from Dr. and Mrs. Stirrett and family, Mr. and Mrs. W. W. Smith, Nursing staff of the General Hospital, Mr. and Mrs. Furniss, Mrs. Sharpe, Mr. and Mrs. R. Graham, Jack and Ben Wood; Dr. and Mrs. G. L. Cameron, Dr. and Mrs. J. P. Whyte, Mr. and Mrs. G. Taggart, Executive and members of the Local Council of Women, Mr. and Mrs. Edmund McKenzie; Mr. and Mrs. A. B. Elliott and Mr. R. Maulson, Dr. and Mrs. Dowsley. (Contributed).

Every day you Use up Energy

EVERY DAY YOU USE UP PART OF YOUR BODY IN HEAT AND ENERGY EXPENDED

Every day you must supply food to replace this loss. Many diseases and breakdowns are caused by eating foods of which only a small part will supply either heat or energy; leaving a waste which chokes and poisons the body.

Bread is the one food of which the human system is able to convert 90% straight into nutrition. At least one of your meals a day should consist of Bread and butter and milk. So say all the health authorities.

Why not start this Health-rule today. Buy an extra loaf of Wright's Bread the loaf richest in Bread-value.

WEST HUNTINGDON

The farmers are busy dodging the showers. Queer kind of a world anyway. One time worrying and wanting rain, then when it does come worrying about how to harvest the hay it brought.

The picnic that was planned by St. Andrews S.S. for July 1st had to be postponed on account of rain. Then it was planned for Monday, July 4. The weather man was a wee bit nasty on that day also, and now the date is some time in August.

Mr. and Mrs. Arthur London and son Wilfred, of Toronto, spent the Dominion day holiday with Mrs. Minnie Wilson.

Mrs. Johnston and daughter, of Minto spent a few days visiting at Mr. Geo. Post's.

Mr. and Mrs. Forsythe, of Frankford were visitors at Mr. Harry Thompson's last week.

Mrs. Johnston and daughter, of Minto spent a few days visiting at Mr. Geo. Post's.

Mr. and Mrs. Forsythe, of Frankford were visitors at Mr. Harry Thompson last week..

Mr. and Mrs. Russell McCurdy, of Consecon spent Monday at Sandy McCurdy's.

Mr. and Mrs. Philip Carr and family attended the Stapley Tufts picnic at Oak Lake on Wednesday.

Congratulations to Mr. Carl Thompson and Mr. Murney Wright on passing entrance exams. Messrs Alvin Carr, Ruby Juby and Harry McGowan, of the Ridge Road were also successful.

Mr. William Carr, of Detroit visited his brother, Phillip, over the week-end.

Mr. Foster Wilson and mother motored to Toronto on Monday to see Mr. Wm. Kincaid who is ill at the hospital there.

Miss Olive McGowan is spending a few days at Kingston.

Mr. Harry DeLong is staying with Mr. George McCurdy for the harvest.

Mrs. A. B. Fargey is visiting her daughters at Guelph and New York.

Sorry to report Mrs. A. Wright is still on the sick list.

Rev. A. C. Sales and fmily arrived here on Friday and Rev. and Mrs. W. H. Truscott left for their new home at Lansdowne. Mr. Sales preached to a large audience here on Sunday morning and all were most favorably impressed with his discourse. Someone has said that a preacher's best two Sundays are the first and the last. We sincerely hope this is not true of our Mr. Sales, but that we will enjoy his services more the longer he remains.

An event of unusual interest took place at the United Church here on Tuesday evening when Rev. A. C. Sales was inducted into the ministry of West Huntingdon Circuit. Rev's. E. W. Rowland and F. G. Joblin, of Stirling represented the presbytery. Rev. Rowland acted as chairman in his usual capable style, while Rev. Mr. Joblin gave a most inspiring and helpful address, dealing first with how congregations should act towards their minister and some of the duties of the minister toward his congregation. The speaker said there were many different kinds of pews in our churches today, namely: the sleeping pew, the empty pew, the critical pew, the family pew, the praying pew and the sympathetic pew. Rev. Mr. Mutton, of Foxboro, was to be present, but was detained, and Rev. Joblin did his work for him, and we can truthfully say that everyone was highly pleased with Mr. Joblin's remarks, and it is no wonder to us why Rawdon Circuit will not release such a good man. Rev. Mr. Rowland conducted the induction of Rev. Mr. Sales and the latter closed the meeting after thanking those who had charge of the meeting. If we had time and space we would like to make some comments on the Induction service. Perhaps at this time though, one or two is sufficient. Why do they always have a minister to tell the other new minister how he should act? Some of our people say they would just love to have had this opportunity themselves. A number were present from Moira, Eggleton and Fuller. Mr. and Mrs. Howard Ashley, of St. Andrew's were also present; also Mr. and Mrs. Holmes, of Rawdon.

At Monday evening's ball game West Huntingdon and Ivanhoe, seems to have been put on the map for general conversation. But do not worry folks—we are not nearly as ugly as we look.

Miss Winnie McInroy has been engaged to teach at the Ivanhoe school.

Miss Evelyn McInroy has been re-engaged at the Ridge for another year, and also Mr. Lester Fraser at the West Huntingdon school.

Mr. and Mrs. Robert Melville and family journeyed to Toronto on Thursday, returning home by way of Havelock on Monday. While in the city they were guests at the home of the former's brother, Mr. and Mrs. Vernon Melville; also other relatives.

Miss Elda White and friend attended the decoration service in Stirling on Sunday and spent the tea hour with Mr. and Mrs. George White.

Birthday Party

A very pleasing event took place on July 3rd when Mr. and Mrs. Frank Young and George entertained over thirty guests in honour of Mr. Young's seventy-second birthday. Covers were laid for thirty-six and two birthday cakes graced the tables, one for Mr. Young and the other for Mr. Jack Sharp, Wellmans. The guests present were Mr. and Mrs. Clarence Martin and baby of Corbyville, Mr. and Mrs. Elwood Johnson, Donald and Marion, Mr. and Mrs. James Sharp, Mr. and Mrs. Claude Sharp, Mr. and Mrs. Leonard Sharp and Burton, Mr. and Mrs. A. W. Garrison and Floyd, Mr. and Mrs. Will Johnson and Lulu, Mrs. Ellen Sharp, Mrs. Emma Summers, Mrs. Paul Sharp, Jack and Aleatha, Mr. and Mrs. Will Johnson and family. Everyone enjoyed the social time together and we join with the community in wishing Mr. Young many more happy birthdays.

Mr. Harold White spent Dominion Day under the parental roof.

A number of our people attended the communion service at Bethel on Sunday. The pastor used as his theme "Joy". Bethel choir rendered a very appropriate anthem and the Misses Mildred and Annie Elliott sang a pleasing duet "At the end of the Road" with Mrs. Harold Elliott as accompanist. Miss Mildred Elliott cragnist of the church, rendered a suitable prelude and offertory and the choir sang the benedictory response.

Mr. Robert Melville left on Tuesday for Orillia, where he expects to be employed for a couple of weeks.

In last issue a typographical error occurred and the name in the entrance list should have read Herbert Smith.

Miss Lenora Williams, R.N., who formerly followed the teaching profession has accepted the position as teacher at the Williams school for next year.

Mr. Cleland Reid and a party of friends from Bayside spent Dominion Day with Mr. and Mrs. Allan Reid.

Mr. and Mrs. George Montgomery and Douglas left on Sunday, July 3rd to spend two weeks with her relatives at Ripley.

On Thursday folks were very busy preparing for the picnic and great plans were made for a day of sport. However the much-needed rain arrived n Friday, spoiling plans, but accomplishing great good, as grain, meadows, gardens, flowers, etc were surely in need of a good soaking.

Miss Evelyn Neal, teacher at the Allan School treated her pupils at noon on Wednesday to a delicious feed of weiners and buns. That afternoon she treated her entrance class to ice-cream before they left Stirling for their respctive homes.

On Wednesday afternoon Miss Ruth Gibson treated the pupils of Williams School, to a delightful weiner roast and the youngsters enjoyed several games before saying good-bye to their beloved teacher.

Mr. and Mrs. Donald Sharp and Douglas and Mr. and Mrs. Alex Sharp of Frankford spent Sunday guests of Mr. and Mrs. H. P. McNevin, Kingston.

Sunbeam Mission Band

The Sunbeam Mission Band met at the church on Saturday afternoon, last week, despite the rain, with an attendance of ten. Miss Isobel Turner presided, using "I am so glad that Jesus loves me" and Miss Myrtle McBrown read the 23rd Psalm. The minutes and roll call were given by Miss Marguerite White. Keyword for roll call next meeting will be the Second Beatitude. The Band accepted an invitation to visit the W.M.S. on July 21st. The teacher, Miss Edna Thrasher, told a very interesting story "The Boy who was not afraid" and also gave a talk on the customs of the Korean people. After singing "Work for the night is coming" four offered prayer, the leader continuing, and then all repeated the Lord's Prayer in unison. Another story followed, "Tong received a letter" from the Study Book, was given by the teacher. Watchtower was taken as follows: China, Betty Locke; Africa, Marie Sharp; Trinidad, Agnes Sharp; Temperance, Marguerite White; Japan, Eileen MacMullen. Gladys Summers gathered collection, followed by the benediction. From Japan we glean the following—One of the greatest Christian men in the World today is Kagawa, a native of Japan. He belonged to a very rich family, but like St. Francis of Assisi he preferred to live a life or poverty and for thirteen years he lived unharmed in a terrible slum district in Kobe. At the close an executive meeting of the Band was held and plans were made for a program to be given at the W.M.S. Those in attendance enjoyed a Korean game called "Pig's Tail."

Mr. and Mrs. Edward Mntgomery and Willie, Mr. and Mrs. Percy MacMullen attended the banquet at th Maybee Schoolhouse on Wednesday evening, it being the closing exercises of Riverside Literary Club, whose president is Mrs. George Montgomery teacher in the school. Over one hundred and twenty-five were in attendance and covers were set for one hundred. The tables simply groaned with good things, the main features being chicken with dressing, luscious strawberry pies, salads, cakes of every description, the meal being topped off with a full-sized dish of ice cream. Rev. A. S. Doggett was master of ceremonies and a program of toasts was given. To King and Country, proposed by Mrs. George Montgomery and responded to by Mr. David Smith and all sang the National Anthem. To Literary Society — proposed by Mr. George Nicholson and responded to by Mrs. Lorne Green. To the Ladies—proposed by Mr. Arthur Asseltine and responded to by Mrs. George Nicolson. To the Men—proposed by Miss Florence Hearns and responded by by Rev. A. S Doggett. To the Kiddies—proposed by Miss Flora Bell and responded to by Mr. Willie Crowe. A hearty vote of thanks for the excellent supper was made by Mr. G. A. Hearns. The president thanked the leaders and members for their assistance in making the Club a success and asked all to join up in the fall when she returns to her school duties. She also on behalf of the Club extended best wishes for Rev. and Mrs. Doggett as they are leaving this week for their new home in Canton. Rev. Doggett said he was taking the banquet as a farewell and extended his earnest wishes to the community. A silver collection was taken to defray expenses.

Surprise Party for Miss Gibson

On Wednesday evening, last week an event of interest to the community took place when the pupils of Williams school, with their parents, as well as other residents of the section, gathered at the home of Mr. and Mrs. Charles Hoard to bid farewell to their much-loved and highly efficient teacher, Miss Ruth Gibson, who has been in the section for the past three years, having come to the Williams School direct from Normal. Ex-Councillor John Johnston very capably filled the duties of chairman and the following splendid program was enacted: Solo, Mr. Percy Melville; Music, Mr. and Mrs. Cyrus Summers; solo, Miss Olive McConnell; piano solo, Miss Edna Thrasher; recitation, Master Bob Hoard; solo, Mr. John Coggins; duet, Misses Betty Hoard and Vera McAdam; harmonica solo, Mr. Percy Melville; Miss Vera McAdam read a cute address and the presentation of a pretty chesterfield table and a fancy bon-bon dish was made by pupils of the school, Betty Hoard, Harvey Couch and Donald Johnson. Miss Gibson suitably replied, thanking the pupils and section for their lovely gifts, as well as their co-operation which has enabled her to make her work a success. The school at this juncture joined hands and circled around their beloved teacher and sang "Good-bye teacher". A delicious lunch was then served by the younger members and during the social half hour which followed, Miss Ruth Gibson played a guitar selection and her brother Melville accompanied with a solo. A pretty duet was given by Miss Olive McConnell and Mr. John Coggins, also Mr. Percy Melville sang a solo. The only guests outside of the section were Mr. and Mrs. Melville Gibson of Stirling. The best wishes of the community go with the teacher, who endeared herself to many here. The event having been kept a secret, was a great surprise to Miss Gibson, when on being invited to spend the evening at the Hoard home she found the community gathered there to honour her before her departure to her home in Stirling.

To Miss Gibson:

The pupils of S.S. No. 4, Rawdon, were packing their books in their book bags in preparation for the midsummer vacation. "Hip, hip, hor-reh!" sang Earl Brown as he fastened the last strap on his book bag. "Well, I declare," he said, as he spied Gladys Summers, a beginner, brush a tear from her eye, "Whatever are you crying about?". "I don't want to stop school," she replied. "Catch me crying because school is closed—just think—two glorious months of holiday" rang out Frank Spencer's clear voice. "I don't want to see one of these books again until September" said Harvey Couch. "Oh say, kids, when September comes Miss Gibson won't be back and we shall miss her very much," said Vera McAdam, and her voice was very weak. "Yes, and she has been so kind and patient with us too," spoke Betty Hoard. "She is the only teacher I ever had", piped Billy McAdam "and I hate to see her go." "I only wish I had known her longer," said Helen Spencer, "I have just begun to realize what a wonderful friend she is." "Before she goes, we must thank her for her patience and kindness", spoke Bob Hoard in a husky voice. "I won't know what to do in summer holidays, but don't tell my mother that, or she will be sure to have errands ready," said Donald Johnson. "Well," replied Douglas McAdam with a sigh, "with a teacher like Miss Gibson we might as well leave school every day." "Every cloud has a silver lining and this is not a funeral," said Norman McConnell, in his deep bass voice. "Let's give Miss Gibson these presents, not for their value, but as a slight token of our appreciation of her three years' stay with us."

Signed by the Pupils of S.S. No. 4.

At the close Mr. Will Potts moved and Mr. Conger McConnell seconded a hearty vote of thanks to Mr. and Mrs. Hoard for the use of their home for the occasion, which was so pleasantly spent, although everyone present was sorry to have Miss Gibson leave our school and community.

MR. AND MRS. DOUGLAS BARNUM SHOWERED

About 200 friends and neighbors gathered on Tuesday, last week, at the home of William Petherick, Seymour township, when his daughter, the former Miss Gladys Mabel Petherick, and her husband, Douglas Barnum, were the principals in a miscellaneous shower, the bride being the recipient of many useful gifts. The grounds were artistically illuminated with lanterns, which, combined with a perfect evening, made an attractive background for a very pleasing function. The evening was spent in games and music, a dainty lunch being served. Mrs. Barnum will be missed in the district as she has always been active in social, church and league work.

Toronto—The three-year drought from which Western Canada has suffered appeared definitely broke, stated W. A. Macleod, director of publicity for three western wheat pools. However, he pointed out, in a visit to the city recently, this year's wheat crop has still several hurdles to surmount before anything like an accurate estimate can be made or the probable yield can be made.

General News of Interest

The tax rate for the Village of Tweed is 53 mills for this year, the same as last year.

Havelock—Little Gloria Brennan, two-year-old daughter of Mr. and Mrs. Chas. Brennan, suffered a fractured left arm when she fell from the top of her kinderagrten table on the front porch at her home on Saturday morning. The tot climbed on the table from one of the play chairs and was sitting there when she toppled over and fell, breaking her arm. The fracture was reduced by one of the local doctors.

Stafford Trudeau, of Madoc township, who was arrested by Provincial Officer Hill, of Madoc, early last week on a charge of selling illicit liquor, appeared in the County Police Court held before Magistrate Casement last Thursday morning. Due to the fact that the main crown witness was ill and had procured a physician's certificate, the case was enlarged until August 18 next, when it will be held in Tweed.

Marmora—At the Rectory on Saturday evening, July 2, the wedding took place of Clara Frances, daughter of Mr. and Mrs. Robert Phillips, of Marmora, and Donald Wilson Ellis, son of Mr. and Mrs. Geo. Ellis, of Trent River. The marriage was solemnized by the rector, Rev. A. B. Caldwell. Miss Thelma Elliss, of Trent River and Mr. Clarence Seeney, of Stirling, attended the contracting parties.

Deseronto—While men were drilling a well on the property of Mrs. Rosendale, a pocket of natural gas was struck at a depth of 25 feet, says the Deseronto Post. They drilled down 85 feet without getting a trace of water. Mr. H. G. Harold capped the drilling and piped the gas into the kitchen and is operating a gas stove. The gas will be sent away for analysis. Although the gas pocket is not a large one there is about four pounds pressure to the square inch.

Fire which broke out in the large barn belonging to Mr. Charles Simpson, Thursday, one half mile east of Thrasher's Corners shortly after nine o'clock Sunday evening completely destroyed the structure with considerable farm equipment, some hay and a flock of twenty hens. So rapid was the spread of the flames after the first outbreak had been noticed that salvage of any of the contents was impossible. The origin of the blaze is unknown.

Hastings—Police are still seeking two unknown assailants who made a brutal assault on Sam Wells, 70-year-old Hastings farmer late Thursday night, within the southern boundary of the village. Attacked from behind Wells was slugged over the head with such force that his skull was fractured, while he was afterwards robbed of $60. Under the care of Dr. MacDonald, the farmer is at present recovering at the home of Mrs. W. Londerville of Hastings, where he was taken shortly after he had rallied sufficiently from the staggering blow to arouse help. The victim of the attack is employed on the farm of Tom Downs, situated on the Cobourg highway, a short distance south of the village.

Some seventy-six Guides and Guiders of the Divisional Camps of Hastings, Prince Edward, Lennox and Addington have been enjoying a delightful outing with tents pitched along the shore of lovely lake Ontario. The officers in charge are: Miss Violet McLean, Picton, Commissioner is Camp Commandant; Miss L. Ball, R. N., of Picton, Camp Nurse; Miss Helen Keeler, Trenton, Captain Sports Officer; Miss Frances Wright, Belleville, Sports Officer; Miss Lenna Hare, Picton, Aide to Commandant; Commissary is in charge of Mrs. W. J. Johnston, Trenton Com; Mrs. W. N. Ponton, Divisional Com. Representatives are in attendance from Picton, Marmora, Frankford, Havelock, Trenton are in charge of Picton Lieut. Correl Jenkins; Marmora Lieut. Hilda Thompson, Frankford Lieut. Doreen Loney; Havelock Capt. Mrs. Jean Moore, Trenton, Acting Lieut. Bonter; Mrs. Cornell of Belleville is the camp cook and Mrs W. N. Ponton acting as treasurer.

MORRISON—EGGLETON

On Wednesday afternoon, June 29, at the comfortable farm home of Mrs. Walton Eggleton, 2nd Concession of Sidney, an event of wide spread interest was the marriage of Ethel Alleilla daughter of Mrs. Walton Eggleton and the late Walton Eggleton and Phillip James Morrison of the Township of Sidney.

The bride who was given in marriage by her uncle, Mr. George Eggleton, looked charming, gowned in white silk georgette with lace trimmings, appropriote hat, carrying a bouquet of beautiful Bridal roses. The young couple were unattended. Mrs. Clayton Eggleton, sister-in-law of the bide played the wedding music and to the accompaniment of sweet strains of music, softly played, the Rev. J. R. Butler performed the impressive ceremony. Following the marriage a delicious buffet luncheon was served to the guests numbering about thirty. After many congratulations and good wishes the bridal couple left for a honeymoon trip to Toronto, Detroit and other points. The bride, whos has been a successful teacher, will in company with her husband reside in future on the Second Concession of Sidney, and will be at home to their many friends on the second concession of Sidney in the early part of July.

A LETTER OF CONDOLENCE

Harold, Ont.
May 17th, 1932

Mr. Wm. Tanner,
Ivanhoe.

Dear Sir and Bro.—

We, the officers and members of L. O.L. No. 509 wish to take this opportunity to express to you our sincere and heartfelt sympathy in your recent sad bereavement, by the death of a loving mother. The experience of death in the home, bewildering and terrible, is a gateway by means of which Christ can enter in. In the time of bereavement, when other helpers fail, His help is best displayed.

He knows where the hurt is deepest,
The tears of night and days,
And whispering softly "Trust in Me"
Brushes the tear-drops away.

Signed on behalf of L.O.L. No. 509.
John Courtney, W.M., C. Tanner, F.S.

BURNBRAE

On Tuesday, June 28th, there passed away one of the oldest ladies of Burnbrae in the person of Mrs. Daniel Herbert Ketcheson. The deceased was in her 85th year and had been ill since last November. The deceased was born in the West Indies, her father having gone there as a missionary from Scotland. When ten years of age she came to Seymour. Her maiden name was Isabella Houston Ross. Her husband predeceased her 8 years ago. Mrs. Ketcheson was a cultured courteous, kind-hearted Christian lady and was highly esteemed for her many noble qualities of heart and mind. She was a life-long member of the Anglican Church. The funeral took place on Thursday. Service was conducted in the home of Mr. Robert Ketcheson by Rev. T. H. Floyd, of Campbellford, and Rev. D. A. McKenzie. The remains were laid to rest in Burnbrae cemetery. The pall-bearers were Messrs George Ingram, John Thompson, Alex Hume, W. S. Milne, James Nelson and R. Cleugh. The sorrowing friends have the sympathy of the community.

God calls our loved ones but we lose
not wholly
What He has given;
They live on earth, in thought and
deed as truly
As in Heaven.

Miss Margaret Milne, R.N., of Lockport, accompanied by her friend, Miss Sinclair, R.N., is visiting her son, Mr. T. Wetherill.

Miss Geraldine McMullen, of Campbellford, spent Sunday at the home of Mr. and Mrs. J. C. Thain.

Rev. and Mrs. J. C. Robinson, of Campbellford, visited Rev. and Mrs. D. A. McKenzie last week.

Mr. and Mrs. Morley Petherick, of Hamilton are visiting relatives in this vicinity.

Mr. Pauley, of Wellmans Corners and Mr. Wesley Farrell, of Sine, spent Sunday with Mr. and Mrs. William Hutcheon.

Rev. D. A. McKenzie spent Tuesday visiting friends in Colborne and Haldimand.

Mr. John Murray and family spent Sunday at Presqu'Isle Point.

Mrs. Naylor and daughters, of Milton, spent the week-end at the home of Mr. William Fry.

Mr. and Mrs. Jackman, of Stirling, visited their daughter, Mrs. Alvin Pollock last week.

CAMPBELLFORD

A petition from the Water and Light Commission Board of the Town of Campbellford, for the granting of salaries to the members of the board who do not receive remuneration was turned down on Monday evening when it came fore the regular meeting of the Council. The resolution from the board, which was psnsored by J. Blue and J. O. Benor, asked that the members of the board receive the same remuneration for 1932 as do members of the council, which is $5 a meeting, minus a ten per cent. cut.

Miss Helen Thomas of Toronto was rushed by ambulance from Campbellford on Tuesday morning to the Western Hospital, Toronto, as the result of injuries she sustained in a motor accident near here late Monday night. She was suffering from an injured back and severe gashes on one arm. Miss Thomas was returning from Presqu'isle Point to Campbellford when the car, driven by Dickson Dawson, of Campbellford ran into the ditch. Besides Helen Thomas and Dawson there were two other passengers, Jack Bygott, son of Magistrate Bygott and Muriel Linton. The car ran into the ditch on a curve in the road at Plumpton's Corners between Codrington and Myersburg. It turned over and was badly wrecked. Dawson escaped injury and although Jack Bygott and Muriel Linton were severely shaken up, Helen Thomas was the only one in serious condition. Dawson has been unable to explain how the accident occurred. No police action has been taken as yet.

Mr. George O'Sullivan has returned from a trip with his brather, Father Frank O'Sullivan of Peterborough, to Porth Arthur and Fort William. The trip was made from Port McNichol by boat.

Mr. and Mrs. Clarence Meyers and family of Kent street moved last week to Belleville, where they will take up residence.

After spending a month with her parents, Mr. and Mrs. S. J. Bibby, Garry street, Miss Margaret Bibby, nasre-in-training at St. Joseph's hospital, Peterborough, has returned to her duties.

After fifteen years away from Campbellford, Mr. Archie Seguire paid a surprise visit to his brother, Mr. Geo. Seguire and Mrs. Seguire on Wednesday from his home in Calgary. Recognition was absolutely at rock bottom for the two men stood and talked to each other on the street and did not know they were brothers. Mr. Seguire reports crop conditions in Alberta good, although in Saskatchewan things are at a low ebb.

Miss Leah Wattering, daughter of Mr. and Mrs. J. Wattering, will take a post garduate course in nursing at St. Joseph's Hospital, Hamilton.

The residence of Mr. H. Bowen, on Grand Road, which was recently gutted by fire, is now being rebuilt. The addition of several feet is being added to the height of the roof.

Mrs. T. J. Craihead has been visiting relatives at Midland for several days.

Major J. M. Bygott, Captain J. D. McEachern, Captain G. H. Free and Lieutenants N. A. MacColl, G. A. Ironside and J. M. Bygott left on Sunday to attend the four-day course of training at Trenton for the Northumberland Regiment officers. Lieutenants K. Zufelt, S. Anderson and R. McCullough, who will attend a long course of training at Kingston, also left on Sunday.

Mr. Charles A. Payne, K.C., of Belleville, was the guest of his mother, Mrs. G. A. Payne, over the week-end.

Mr. C. D. Beattie has opened his new garage in the old Meiklejohn location on Bridge and Rear Street and will carry on business there in the future.

Mr. and Mrs. A. T. Linton have moved from their former residence on Front street to the Luther Denike house on Second Street.

Mrs. J. Bulger, of Toronto, has been visiting her daughter, Mrs. J. Ernest Birks and Mr. Birks, for a few days.

Word has been received here of the death of Friday last at Farnham, New York, of Dr. Thos. H. Johnston, brother of J. Johnston of town. Dr. Johnston was born in Campbellford, and was a graduate of Toronto University. There is one daughter surviving.

Admission fees, grand stand, concession fees were set last week by the Seymour Agricultural Society at a special meeting of the directors of the board held in Campbellford Public Library and presided over by the President, W. J. Abernethy. The schedule of fees adopted is as follows: Admission fee at gate: adults, 35 cents; cars, 25 cents; public school children, 10 cents. Booths—Ordinary booth, $5; under judges' stand, $8; small concessions, $1. Admission to grand stand, 10 cents. Two persons only to be allowed with booth or concession and in case of herds, the member and one helper. In addition, ticket sellers and gatemen will get $1.50 each; local police $1.00 and town police $2 each.

FRANKFORD

Mr. Blake Tripp is operating his new bakeshop. Mr. Tripp and family recently returned from Brighton where they have spent the past year.

Mr. and Mrs. W. O'Ray and family, who have been absent from the village for a number of years, have returned and taken up residence in the village.

Mrs. Lottie Hubble is home after receiving treatment for the past month in Belleville General Hospital much improved in health.

Mr. and Mrs. Noble and son, formerly of Rochester, have taken up residence in the village.

Band concerts will now be enjoyed on Sunday evenings, under the able leadership of Floyd Ketcheson.

Mr. Earl Bell, Principal of Frankford Public School has for the time taken permanent release from school teaching, owing to ill health. Mr. Bell obtained leave of absence from the school the last of November and removed to Toronto, where he underwent constant medical attention. Later, after Christmas, he came back to Kingston General Hospital where he had formerly been a patient, and only came back to his home the first of June. It had formerly been his intention to resume his duties at Frankford school after the midsummer holidays, but, although considerably improved in health, yet hardly to an extent that he would be certain of being able to permanently fill the position, his particular room entailing the hardest work of the school, and upon medical advice it was thought that he would possibly not be doing himself justice, nor the school either, should he again be forced to stop in the middle of a term. Mr. Bell has had constant teaching experience since obtaining his certificate from Normal, having taught since 1916 at Shannonville and Redenrsville, and in the old school at Frankford, and, when the new school was built in 1923, took his present position as Principal of the Public School, which he filled until his leave of absence in November of last year.

Letters to the Editor

A LETTER FROM YARKER

Dear Mr. Editor,—

Ever since a kindly Providence brought about an unplanned and even at one time undesired removal to Yarker from our home, where we had struck deep, and as we thought final, root, we have appreciated receiving the News-Argus, and by the way it was the first mail we received on our arrival here. Since that there has hardly been a day that letters and cards from a number of dear friends have not been received and mean so much to us, although we must confess there has been no lonliness and strangeness that might be expected as yet. There are some nice trains stop here going to Ottawa and it does seem more like living to see passenger trains every day. We are told this was a very important station at one time, but of course that word "depression" and unemployment is felt here as everywhere. We had a visit from the Madoc Junction reporter and had hopes to see a write-up of their visit as they said some very nice things and seemed delighted to find us in such a comfortable and pleasant home and surroundings. Our better half tells us it is uncanny the way our wishes are coming to pass—if only we had Stirling, Belleville and all the other home town places with our old friends near, that would be almost all we could desire. There is a United and Anglican church almost at our door and we had the privilege of hearing the new President of the W.M.S. Presbyterial, Mrs. (Rev.) Anderson, address a meeting one evening last week here in Yarker. Members were present from Colebrook and Newburgh and we are sure every member had a new vision of the work and the needs of our churches today. The parsonage is not far from our home here and the minister has been a widower for many years, and must be a wonderful man. We have heard him preach two splendid sermons and the only complaint we hear is that the people wish they had a minister's wife to help them with their church and their wish is coming true we hear in the near future. The bride-to-be has taught school in a town nearby for a number of years. We are not mentioning any names as we can tell that later. Our doctor is Dr. Oldham, formerly house surgeon of the General Hospital, Kingston, who has a lovely home here and was a very welcome visitor at our home one evening when we were suffering more than we could stand. We have been waiting for the "shouting and tumult" of the campaign to be over, to send in our letter and on account of more than one asking for our votes, we hardly knew what to do, so if the friends who asked us are wondering, we hope they will understand. Congratulations to those who won the prizes and to those who did not, as we know of some who worked hard for what they received.

And now just a word to some of our W.M.S. friends. We have just had a number of W.M.S. callers, the President, Mrs. Rattan, Mrs. Martin, Mrs. Henderson, Mrs. Allen, so we feel right at home. Mrs. (Rev.) Anderson said "the best women of any place were W.M.S. members." Members of the Anglican church have also called. The Misses Middleton, Mrs. Wallace, Miss Mary Wallace and Mrs. McNeal and others have been very kind.

Mount Pleasant referred to our letter and our invitation and we hope some of these half-holidays the trip will be taken and if there is not enough excitement here it is not far to Kingston, so the time need not be wasted. Thanks to Fuller for kind words and all the other friends who have written such lovely letters. There will be a welcome for all of you any time. No doubt Mr. Editor you remember the lovely surprise they gave us when we were leaving. Every time we look at the lovely gifts we think of the friends who gathered and the kind words of the chairman and others, and last, but not least, the address, which was more than we deserved, as our only regret is that we couldn't do more, may we close for this time with a verse that expesses our feelings:

I'd rather have one small rose now
From the garden of a friend,
Than to have the choicest flowers
When my stay on earth must end.
I'd rather have the kind words
Which now you say to me—
Than to be flattered when I'm gone
And life has ceased to be.
I'd rather have a loving smile
From friends I know are true,
Than tears shed o'er my casket
When I bid this world adieu.

Our better half wishes to be remembered to all his old friends in Stirling, especially "Buzz" Hough and F. T. Ward, who has made all his suits for the past forty years.

Thanking you, Mr. Editor,
A. A., or "Grandma"

P.S.—Be good to the new Madoc Junction correspondents and give them a word of encouragement once in a while, everybody, as we had to almost go on our knees to persuade them to take the Press Secretary work.

Motorists! Attention!

Take advantage of this Special Pro-Rata Summer Automobile Policy

We are prepared to issue such a policy on all makes of cars. See us now

For example our Public Liability and Property Damage rate for 12 months on the low priced cars to farmers is $15.00 We would issue this policy any time during the month of June to expire December 31st, 1932, for $8.00, and during July for $6.75; $1.25 off for each succeeding month until the minimum of $5.00 is reached. C. N. E. GRAIN EXHIBIT

Mr. J. E. O'Donnell, secretary of Stirling Agricultural Society has received the following letter from J. Lockie Wilson, which should prove of interest to farmers in this district.

J. E. O'Donnell, Esq.,
Dear Sir,—

You will be pleased to know that prizes are being offered at the Canadian National Exhibition, Toronto, for sheaves and grain, and it is hoped that former prize winners in the Field Crop Competitions conducted by your Agricultural Society will take advantage of this offer and forward good exhibits of sheaves and grain to the Canadian National this year. I am enclosing, herewith, a number of entry forms and would ask you to encourage as many as possible of your prize winners in the years 1929, 1930 and 1931, to compete in this outstanding class. We want the Canadian National Exhibition officers to feel justified in offering prizes this year.

Thanking you for any assistance you may be able to render in having the prize winners in your Society exhibit, and with best wishes, I remain,

Faithfully yours,
J. Lockie Wilson, Supt.

Entry forms regarding above may be obtained from J. E. O'Donnell.

Hoards 18 — Stirling 14

The locals absorbed another trouncing on Friday night, last week, when the Hoards Softball outfit paid a visit to the High School diamond and ran up a total of 18 runs while the Stirling crew picked up 14. The visitors went into things in a big way in the first innings and piled up a lead large enough to carry them safely through the rest of the session. Although Ryckman pitched the best game he has turned in this season, the support given him was nothing short of pitiful and pathetic, and the boys from the Station certainly took advantage of every opening. Loose, careless fielding on the part of the hometowners won the game for Hoards. Several home runs were hit, but generally with the bases as empty as Mother Hubbard's cupboard, so that they only accounted for the one tally. On the other hand, Gunning pasted the pill for a complete circuit on two occasions with men on the bases both times.

Unless the Stirling aggregation wake up to the fact that there ain't no Santa Claus in softball, they're going to be among the spectators at the final play-offs for the silver mug.

The lineups were:

Hoards——C. Hoard, B. Eagleson, p; Will Jeffs, c; J. Coggins 1b; B. Eagleson 2b; Ken Oddie 3b; O. Rainnie ss; W. Hume lf; C. Gunning lf; J. Rannie cf.

Stirling—W. Ryckman p; Hulin c; Gibson, 1b; Cain, 2b; Bleay ss; G. Bailey, 3b; Ward, rf; Meiklejohn cf; Tulloch, lf.

Games Played Since Last Issue

Thursday night—Hoards 18; Stirling 14.

Monday night—Hoards 7, Glen Ross 6.

Tuesday night — Glen Ross 14, Springbrook 6. (Postponed from July 1st.

Last Night—Springbrook 38, Bonarlaw 10; Hoards 14, Stirling 10; (called at end of 6th on account of rain.

Hoards 14 — Stirling 10

At Hoards last night both teams went to the "showers" in a vain attempt to play despite the adverse elements. Stirling was leading 9-2 when the rain commenced, and rather than have the game called, and added to the Stirling winning column, the homesters braved the downpour and with Ryckman unable to grab a finger-hold on a slipper horsehide, Hoards succeeded in more than tying up the score. The ball was in no fit condition to be either pitched or fielded and to the infield handling it was about the same test of skill as throwing a fresh pickerel around the bases. However, rather than take their turn at bat the Stirling outfit refused to continue the "ducking" process and the umpire at the plate, Geo. Donald called the game on condition that it be played again. Both teams need that game in order to compete in the finals and it was only natural that the homesters be unfavorable to calling the game in favor of Stirling, and at the same time to be expected that the visitors should use the rain to the best advantage. As far as the teams are concerned it's just a matter of "Which and T'other" who would have won the game under favorable circumstances, Stirling having the edge at first, but Hoards have been turning in some mighty fine performances for the benefit of those in the gallery, and will probably upset somebody's calculations before the "mug" series are commenced.

Hoards 7 — Glen Ross 6

The game played at Glen Ross on Monday evening, when the Glen Ross and Hoards "pill" pounders met was the fastest and best to be seen so far this season in the Rawdon league. The score of 7-6 hardly indicates the play, because there seemed to the interested spectator to be no difference between teams, as far as superior ball playing was concerned. In more than one innings only three men faced the pitcher, and had Dame Fortune so willed, Glen Ross might have ran in the one lone tally which was needed to tie it up. Air tight ball was played. And in the last frame, when Eagleson took the mound for Hoards he put a stop to a little break which might have caused a loss for the visitors. However, Charlie Hoard turned in a good game for Hoards while heaving the horsehide across the plate, and although perhaps allowing more hits than did the Glen Ross twirler, got himself out of some very tight pinches. A few more games like this one would leave the Rawdon League "rooters in that section of the Township with St. Vitus Dance, for when it was all over, very few of them were sure which team was on top.

WALT — GILLESPIE

(Last Thursday's Toronto Star)

The Church of the Epiphany was the setting for an interesting wedding at 1.30 today when Gwendolyn Dawn Gillespie, daughter of the late Mr. and Mrs. W. P. Gillespie, became te bride of James Cecil Walt, son of Dr. and Mrs. C. F. Walt of Stirling, Ont. The ceremony was performed by the Rev. Dr. Dyson Hague, while the wedding music was furnished by Miss Helen Ireland. Delphiniums and Orange blossoms formed an effective background for the bridal party.

The bride, who was given in marriage by her cousin, Dr. D. P. Philp, wore a smart dressmaker suit of powder blue, rochenara crepe, with hat of the same shade and all gray accessories. With it she wore a platinum fox fur, gift of the groom, and carried orchids and lilies of the valley. Miss Shirley Gillespie attended her sister, wearing a modish suit of nigger brown and white, with matching brown hat and brown and white accessories. Her flowers were Joanna Hill roses. Mr. Ian Munro of Toronto was best man, and the ushers Mr. Norris Brandon, of Newmarket and Mr. Frank Slater. Mrs. A. N. Gillespie had chosen for the wedding a shell pink crepe suit with corsage bouquet of orchids and lilies of the valley.

The bride and groom left immediately after the ceremony for a motor trip east and on their return they will reside in Toronto. Out-of-town guests included Dr. and Mrs. C. F. Walt and Miss Margaret, of Stirling.

WICKENS — HOPPER

A very pretty June wedding took place Thursday afternoon, June 30th, in the United Church, Whitby, when Clara Mae, eldest daughter of Mr. Mrs. Arthur G. Hopper, Whitby, was united in marriage to Mr. John Keith Wickens, only son of Mrs. Perry S. Palmer and the late William Wickens, of Stirling, Ont. Rev. P. L. Richards officiated. To the strains of Lohengrin's "Wedding March" the bride entered the church on the arm of her father. She looked very charming in a gown of blue crepe Romaine with grey hat, shoes and accessories, carrying a bouquet of pink rosebuds and maiden hair fern. Her matron of honour, Mrs. M. Sutton, sister of the groom, wore a gown of blue georgette, with white accessories. Her flowers were pink carnations and blue delphinium. Mr. Matthew Sutton was best man. After the ceremony at the church, a reception was held at the home of the bride's parents and a wedding breakfast was served. The decorations were pink and white and the bride's table with the wedding cake, pink candles and pink and white roses was extremely attractive. In the early evening Mr. and Mrs. Wickens left on their honeymoon, the bride wearing to travel an ensemble of blue and grey. After a short wedding trip they will reside in Stirling.

AN OLD CHEST

Considerable interest has been aroused through these columns by several reports of old coins which have been displayed at this office, and of which the owners are justly proud. These coins, could in all probability, relate many interesting stories had they but the power of expression.

Now comes a report of a cedar chest, which although of no apparent great value, has a history dating even farther back than most of the coins which have been displayed to the News-Argus. This old chest, which has seen a great many miles of travel was made of solid cedar, each of its sides, bottom and top being one solid piece of material, there being no smaller pieces used in its manufacture, showing that in those days solid pieces of lumber perhaps 24 inches in width were not as rare as they now appear to be. The chest, as far back as can be found in records, was the property of Henry Way, born 1585, in Dorchester, England. He died in 1667, and to his descendants the chest holds a great history, it having passed through the hands of several generations of the same family since that time. As far as can be learned, it had been the property of his parents and grandparents, dating back for many years previous to 1585. It was brought to this part of the world from England on the Mayflower later being brought to Canada from the United States when the United Empire Loyalists came to Canada. The Way family settled near Demorestville, and some of them around Tweed. The chest later became the property of Mrs. W. E. Way, and later the property of her daughter, Mrs. Wm. Jones, of Stirling.

At the same time, another old heirloom a brown earthen sugar bowl, with the sides artistically colored, was following the chest on its travels and is also in the possession of the owner of the chest. No doubt both these pieces have been through experiences of great hardships and privations as their owners endeavored to make for themselves a new home in the dense forests on this side of the ocean.

BOWLING NEWS

On Thursday evening last the L.L.B.C. held a tournament on the local greens. A downpour of rain interrupted the game so the laides repaired to the Club House and spent the remainder of the evening in an enjoyable game of bridge. Lunch was served at the close.

On Friday evening three teams from Stirling visited Brighton and enjoyed a friendly game with Brighton bowlers. At the close of the evening it was found that Miss Atkinson of Belleville scored highest, having 44 points. Mr. J. Butler came next, having 39 points. The Brighton ladies served lunch at the close of the game. The following were the local bowlers—Mrs. J. McC. Potts, Mrs. W. J. Whitty, Mr. and Mrs. J. G. Butler, Mr. and Mrs. J. E. Munro, Mr. and Mrs. R. W. Meikleohn, Dr. and Mrs. E. A. Carleton and C. R. Bastedo.

Club Holds Card Party

"Dunwanderin", the cottage belonging to Mr. and Mrs. R. Meikleohn at Oak Lake, was the scene of an attractive gathering on Tuesday afternoon as the Ladies' Bowling Club staged a card party. Thirty-three ladies were present, Those from a distance were Miss Young, Mrs. H. Clarke, Mrs. C. White, Mrs. L. Coulter, Miss L. McGuire, Mrs. P. C. McGuire and Mrs. H. Holgate, of Belleville; Mrs. A. Thrasher and Mrs. B. Hunter, of London; Mrs. Gould and Mrs. C. Hatton, of Toronto. Prizes were won by Mrs. Whitty of Stirling, and Miss Young, of Belleville. Lunch was served at the close of the game.

Win Rose Bowls

Two rinks of local bowlers took part in a tournament held in Belleville yesterday. The rinks were composed as follows: C. R. Bastedo, J. S. Morton, W. J. Whitty and W. Wright, skip; Dr. E. A. Carleton, R. W. Meikiejohn, J. E. O'Donnell and Thos. W. Solmes, skip. Wright's rink won two and lost two games, being only one point from winning the prize for a two-game win. Solmes' rink won rose bowls for one win and highest plus.

Finds Partridge in Car

When Traffic Officer William Frink on the Foxboro highway stopped a car driven by Fred Hall, of Hamilton for alleged "cutting in", he found a partridge in the car. Hall appeared in Belleville Police Court on Tuesday as this is a closed season for partridge.

A KINDLY ACT

The 12th of July opened happily for Bro. Thos. Cooke, of Harold, who is in ill health. The Brethren of Tanner Lodge, No. 509, before proceeding to Wellmans Corners, assembled outside the sick man's window and serenaded him with fife and drum music. This kindly action was much appreciated by the invalid and those attendant on him. Brethren of 509 will be glad to know their thoughtfulness made the 12th a little brighter for Bro. Tom Cooke, who can no longer attend celebrations.

AN ODD TWIG

Mr. Neil Bedell, of Minto, displayed to the News-Argus an odd twig taken from an apple tree on his farm which has an unique history. Back in 1912, his son, the late Fred Bedell, who was killed overseas, took a small "shoot" on the tree and tied a knot in it. The same continued to grow until it became quite large, the knot expanding at the same time. However, shortly after Fred was killed, the little branch died, and Mr. Bedell removed it from the tree. This is just another of nature's mysteries. While his son was overseas Mr. Bedell sent him apples from the same tree.

A BONAPARTE COIN

The News-Argus has had many interesting coins presented during the past few weeks. On Tuesday, Mr. F. T. Ward submitted a French coin dated 1798. On one side was the bust of the great French leader, with the lettering "Bonaparte General en Chef" while on the other side was an etching of Bonaparte taking the salute at a review in Egypt. Mr. Ward has a large collection of old coins, including a Bank of Montreal coin of 1842 and an Irish coin of 1820. Another unique piece is a small coin, slightly larger than a ten cent piece, that has the Ten Commandments engraved complete on both sides.

SCOUT RALLY HERE

The annual Scout Jamboree embracing Hastings County and surrounding districts will be held this year in the fair grounds, Stirling, on July 30, 31 and August 1. The 1st Stirling Troop won the Cup last year at Trenton's Jambouree, and with it the privilege of staging the 1932 event in Stirling. Scoutmaster Tom Ward, with associate leaders, is busy planning the program, and invitations will be sent out to Bowmanville, Newcastle, Brighton, Trenton, Picton, Wellington, Frankford, Peterboro, Campbellford, Marmora and Deloro. The residents of the village are asked to cooperate with the Scouts in making the event a success.

FARM HOME DESTROYED BY FIRE

Residents of the district were sorry to learn that the home of Mr. and Mrs. John Downs, fourth concession of Rawdon, was destroyed by fire on Sunday morning about 9.30 o'clock. At the time Mrs. Downs and her baby were attending St. James Church, in Stirling, while Mr. Downs was walking over his farm to see everything was in order. Becoming drowsy he lay down under a tree and fell asleep and awakened only to find his house in ruins. Arthur Morrison, a neighbor, noticed the blaze and rushed to the farm house, but finding no one about raised the alarm and many neighbors came to the rescue. Not being able to find Mr. Downs they carried out all the furniture possible, only some kitchen furniture and clothing being destroyed, but were unable to save the structure. Mr. and Mrs. Downs are at present staying with Mr. and Mrs. Leo. Farrell. The loss is estimated at $3,500, covered by $2,000 insurance.

Successful Orange Rally Held At Wellmans

(By F. MacM.)

Tuesday morning dawned cloudy, but despite this fact all roads led to Wellmans, where a splendid reception had been planned for the visiting lodges. However, the sun did decide to shine a little and the rain kept far enough away so all could thoroughly enjoy the outing. The day was ideal and as the visitors gathered beneath the beautiful maples in Mr. W. Scott's grove they found a delightful resting place on the many benches strewn here and there in the shade

The Orange Association of No. 1 District of Central Hastings met in this same spot twenty-three years ago. Arches of evergreen were erected in the main parts of the town and at the entrance to the grove with the Union Jacks gaily flying and many prettily decorated cars were to be seen about the grounds. A joint committee of ladies from the local lodge and the United Church served a very appetizing dinner to all at twenty-five cents per plate and over four hundred dinner tickets were sold. An abundance of food was left and a fifteen cent supper was served at 4 p.m. The proceeds of the day will be equally divided between the church and the Lodge. The Wellmans folk are to be congratulated upon the splendid success of their celebration. Approximately 1500 people were in attendance and at 1.30 p.m. the grand parade formed with Marmora Community Band in the lead. This band also furnished selections during the day. Mr. George Woodhouse is bandmaster and Mr. W. Foster President. Following the band in rotation came Marmora Juvenile Orange Lodge No. 34, headed by their guardian, Bro. W. J. Cottrell. This organization is the only one in Centre Hastings. The girls looked nifty in their white dresses with blue trimmings and all carried Union Jacks. Next came Harmony L.O.B.A., No. 600, Marmora; Marmora L.O.L. No. 319; Sentinel L.O.L., No. 2322, with white costumes, trimmed with red and their kiltie band; Holloway L.O.L. No. 251, with fife and drums; Sterling L.O.B.A. No. 655, of Stirling, wearing white costumes with yellow trimmings; Stirling L.O.L. No. 110, with fife and drums; Tanner L.O.L. No. 509; Springbrook L.O.L. No. 442; Wellmans L.O.L. No. 172.

Ten lodges were in the parade, which marched through the main street and back to the grounds where the speeches of the afternoon were given. Brother Fred Thain, Worshipful Master, called the gathering to order, welcoming the visitors, and he then asked Wor. Bro. E. T. Sarles, County Master of Centre Hastings, to perform the duties of chairman. In a brief speech he said we had met together to commemorate the 242nd anniversary of the battle of the Boyne and to honour one of our greatest heroes, William, Prince of Orange. Brother H. V. Hoover extended a hearty welcome to the visitors on behalf of the United Church of Wellmans, in the absence of the pastor, Rev. Fred Joblin, who was attending the funeral of a near relative at Oshawa. Mr. Hoover said there is a greater need today for Orangeism than ever before. Brother Conger McConnell, District Master of No. 1, thanked all present for their efforts and help in making the day such a success. He said he came to labour rather than to make speeches, he being a member of the local lodge. Bro. E. C. Townsend of Holloway District, Master of No. 3, brought greetings to the lodges and spoke highly of the splendid celebration. Brother Rev. E. W. Rowland, of St. Paul's United Church, Stirling, asked the question "What is after all the greatest virtue?", and said character is what God set all out to build. He stressed the word "tolerance" and said "It is so easy for us to become narrow and contracted in ur line of thought, as it requires very little brain power for us to say I have the whole truth and the other fellow is wrong". Brother Rev. W. H. Clarke, of Shannonville, spoke of the happy privilege of coming back to friends he had so long been associated with. His lodge went to Frankford but he preferred to come to Wellmans. He said "We are here to cherish and honour the memory of King William and should remember the order stands for personal character," and he thought it wonderful how many young men were joining the ranks. A man may well be proud to belong to the order and wear a badge. Brother Rev. A. H. Bunt, of Springbrook, gave his address straight to the point, speaking on loyalty to our King, our Country, our Lodge. He said religious and national liberty were assured when the Battle of the Boyne was won but what are we doing today to maintain the Protestant cause? "Did you take your place as a loyal Orangeman in Sunday School and Church service last Sunday, or were you at home in your overalls? Are you giving your cash to support your church? If not you are not a true Orangeman." Bro. Rev. A. B. Caldwell, of Marmora, said it was a privilege for everyone to accept seriously his Protestant faith. He compared Protestantism in France with that of Canada and said the one million French Protestants are taking advantage of their opportunities, while the people in Canada are not. He urged that everyone attend Divine Service on July 24th, and join in united prayers that God will bless the economic conference. Bro. W. J. Cottrell, of Marmora, past District Master, based his talk on the theme "Cleanliness and Godliness". He compared the land before the Battle of the Boyne and Canada as it is today, and questioned "What is wrong that the order is not taking hold of the people in general as it did in the years gone by?" He dealt with the fundamentals of the Orange religion and felt much could be accomplished by educating the children, as young people today have more evils to contend with. Three cheers for the King and the National Anthem closed this splendid program. During the afternoon in an adjoining field, two interesting games of softball were staged and several enjoyed a game of football. The softball was as follows—Seymour vs. Evergreen Ridge Road—8-20 in favor of Seymour. Seymour East vs. Springbrook—8-22 in favour of Springbrook. The line up as follows:

Evergreen — Goldie McInroy, A. Rodgers, J. Mitz, M. McGee, J. Kingston, J. Fargey, L. Wilson, O. Casement.

Seymour East—P. Gibson, W. Craighead, M. Hutcheon, G. Petherick, A. Petherick, K. Oddie, A. Warren, B. Heagle, J. Rainnie.

Springbrook—G. Heath, A. Warren, W. Warren, B. Heath, G. Bailey, C. Burkitt, D. Bateman, G. Williams.

Mount Pleasant and Wellmans enjoyed a game of football and Wellmans won by a small margin. We are sorry we were unable to get a full list of the players.

Several booths about the grounds dispensed soft drinks and ice cream and the receipts of the day were very gratifying. Among those on the grounds were Brother Walter Martin, of Stirling; Ex-Warden G. B. Airhart, of Marmora, and Ex-Warden George Bailey, of Harold. Brother Clarence Scott is Rec. Sec. of the Lodge. Brothers John Johnson and John Snarr sold meal tickets and Brother Carl Clancy directed the sports. We join with the vast number who attended in congratulating Wellmans on the success of the event.

WAS NOT A FRACTURE

In an article in last week's issue it was stated that the fracture in Mr. Geo. W. Bailey's shoulder had been reset. This was an error as the shoulder had not been fractured, but was dislocated.

CARS COLLIDE

A serious accident was reported on Saturday night when a car driven by Stafford Hally, of Stirling, collided with a car driven by Chas. Todd, of Brighton, about two miles south of Sine. It is alleged by the police, who investigated, that Todd was about to make a left hand turn when Hally was about to pass him. Both cars were proceeding northward. The right front wheel of the Halley car ran up on the running board of the Todd car. Shattered glass from a broken window of the Hally car cut Mr. Todd severely about the arm. It is likely charges will be laid.

MEETING TONIGHT

A meeting of the Stirling Agricultural Society will be held in the Agricultural office tonight at 8 o'clock. All interested are urged to attend as plans as to be made for the Big Fall Fair.

YOUTH IS INJURED AT SPRINGBROOK

Harry Bateman, 13-year-old son of Mr. W. F. Bateman, Springbrook, met with a painful accident in that village on Saturday afternoon about five o'clock. He was riding on a bicycle on highway 14, which passes through Springbrook and when passing a wagon he failed to notice a truck, driven by Burton Woodbeck, of Stirling, which was directly behind it, and before he could dodge the latter vehicle hit his "bike" and threw the lad a considerable distance. In the crash Harry was badly bruised, but no bones were broken. He was immediately taken to Belleville hospital, but returned to his home on Sunday, and is recovering from his injuries. No blame was laid to either party as the collision was accidental.

WATERWORKS

The village looks as if it were preparing for a bombardment with the open trenches for the permanent waterworks in the central parts. The mains have been laid up to Front street. The digging through the business section has been difficult, owing to rock, etc., and the laying of the pipes between the curb and sidewalk has also hampered the speed of the work.

The foundation for the tank has been completed, but as yet the material for the standpipe has not arrived. It is expected within the next week.

The pump has arrived and been installed in the well. After a test it was decided to dynamate the well to see if a greater supply could not be secured.

The question of the extensions is causing a great deal of concern as the Council desires to instal the waterworks throughout the entire village.

The debentures are now on sale and will be disposed of at 97 to yield 5.81 per cent. the same as the last Provincial loan. Mr. Argue, of Belleville, has been engaged to sell them. If the debenture can be readily sold, the extensions will be installed, if not the Council will have no alternative but to hold up same.

ANNUAL SUMMER CAMP AT OAK LAKE

The annual summer camp for boys will be held at Oak Lake this year from July 25th to August 1st. The usual rule will govern the camp. Boys should be over 12 years of age. Representatives of all denominations are admitted to all the privileges of this week's outing. The camp will be under the management of trained leaders, who will supervise the whole program, which consists of Bible study and morning worship, nature study, dramatics and pageantry, story telling, recreation, sports, hikes, swimming and in the evening camp fire and inspiration service.

Following are some of the particulars governing the camp.

1. A registration fee of $2.00 is required from all delegates. This should be sent to Rev. R. M. Patterson, Sunderland, Ontario.

2. Meals and accommodation are provided at the following rates: One week, $6.00, under five days $1.00 per day. First camp meal will be served at 6 p.m., July 25th. Last camp meal at noon on Monday, August 1st.

3. What is provided: Candles, matches, pails and wash basins free; stamps, pencils, postcards will be for sale.

4. What to bring: Bible, notebook, pillow, soap, towels, blankets, running shoes, bathing suit, flashlight, camera and musical instrument.

5. A telephone will be installed in the camp with Stirling as central.

Rev. D. M. Stinson is dean of the camp.

The officers of the camp are:—

President—Rev. W. J. H. Smith.

Vice-Pres.—Rev. J. G. McKee.

Secretary—Rev. J. V. McNeely.

Musical Director—Rev. R. H. Rickard.

Business Manager—Rev. R. M. Patterson.

Executive Committee — The officers and Rev. R. T. Richards and Rev. H. B. Neal.

Sunday School Superintendents and leaders of boys work are advised to secure the names of the boys who wish to attend and arrange for transportation to and from the camp. All boys over twelve years of age are eligible to attend. This is a rare opportunity for boys to spend a pleasant outing where fun and frolic are interspersed with information in things that are worth while, and where parents are assured of Christian leadership and careful supervision.

CURRENT COMMENT

Strawberry shortcake has been a popular "dish" on the menu during the past couple of weeks. However, we ruefully learn that the supply of the seeded fruit is about ended.

Tuesday was a Big Day at Wellmans and Frankford, when the "Glorious Twelfth" was celebrated. Followers of King Billy were present from the several lodges in the district.

The Border Cities Star (Windsor) predicts a provincial election soon with "beer by the glass" as the issue. All of which to the Meaford Mirror sounds like a lot of froth. So say we all.

Next Saturday, July 16, will be Farmers' Day at Ottawa. They have some recommendations to make to the Government concerning the Empire Conference, and they are going to the capital to speak for themselves.

Canada's Dominion Day and the United States Glorious Fourth of July have been celebrated for this year. However it is regrettable that so many people should be "butchered" in celebrating a national holiday.

Sharp-pointed ornamental radiator caps are condemned by motor officials and police, who claim that a person struck by one so equipped might lose an eye. Has the "Pedestrians Association" begun to function already?

It costs ten dollars in postage alone to send one thousand bills through the mails and for that price you can get a good-sized advertisement in the News-Argus which has a distribution to approximately 1500 families.

This is the season of lawn socials and garden parties. These are pleasant events which serve to engender a friendly feeling between urban and rural people. Proceeds are always for some worthy cause. Attend one or more of them.

Toronto Star—The Stirling News-Argus says that "contentment has one advantage over wealth—people don't try to borrow it from you." They don't try to borrow it, but they sneer at it. They call it lack of ambition and a lot of other nasty names.

It has rained every day recently, and it is unusually cool for this time of the year. It remains to be seen if the prophets who predicted that July of 1932 would be the wettest and coolest on record is correct. They were away out on their June predictions.

Tweed staged a successful wrestling match on Saturday night. "Rassling" as Lou Marsh, the frank Sports writer of the Toronto Star terms it, is becoming a popular sport in Ontario. Why not stage a couple of bouts at Stirling's Fall Fair. It no doubt would prove a big drawing card.

The farmers in this district who have hay out are hoping for a few days of sunshine so that it may be stored in the barn. Also those whose vacation has yet to come are hoping that the summer rains will soon be over. However, the recent rains were much needed and some farmers claim a few more showers would be welcome.

Last week we got our holidays somewhat mixed. In a couple of personals, in place of Dominion Day, we printed "Good Friday". Several subscribers reminded us of the error, which again demonstrates that this g.f.j. is well read. Our only alibi for the error is that it must have been the cool, rainy weather.

The News-Argus extends congratulations to the Quinte Sun, Trenton, which commenced its thirteenth year of publication last week. The Sun has developed into a newsy weekly, and although young in years it can boast the calibre of an old established paper. We wish the publishers Messrs. Thos.Jarrett and Son, continued success.

Quite a number of Horticultural Societies through the district have promoted exhibitions of peonies, iris, roses and other blooms. Stirling and district has many wonderful flower gardens and such a show here would delight all flower lovers. It would not be necessary to give premiums and would serve to interest others in beautifying their surroundings.

Hon. Ramsay MacDonald, prime minister of Great Britain, has no doubt proven himself one of the greatest statesmen of the Mother Country, after getting France and Germany to agree on the reparations issue at Lausanne last week. Now that he has reconciled these two countries it may be well if he could go to Washington and reconcile the United States to a cancellation of war debts.

Bancroft Times—Due to low prices for all farm stock, dairy products, etc., many farmers are finding it a difficult proposition to finance these days. Municipal Councils are at wits-ends endeavoring to finance their municipalities, as hundreds of ratepayers have been unable to pay their last year taxes. Thousands of dollars of last year's taxes are still unpaid. The taxing question will be a vexing one for many ratepayers this year.

Kingsville Reporter—Nothing could do more to bring back good times than assurance of a decrease in taxes during the next few years. Every effort should be made to increase the governmental efficiency, eliminate waste and duplication of effort and do away with the bureaus and commissions that milk the taxpayer dry. Doing this would not damage the functions of government — it would greatly improve them.

School Reports

These are the days when the publication of school reports in the News-Argus and other papers brings joy or sorrow to many boys and girls. Much has been written by the poets of "the boy who didn't pass", containing expressions of sympathy coupled with the age-old and threadworn advice to remember King Bruce and the spider and try it again. In the opinion of this paper too little has been written about the boys and girls who have for ten months persevered, many of them battling against terrible odds, and have conquered, and so to all of these the News-Argus extends sincere congratulations and good wishes. We are pleased that new departmental regulations make it possible for many pupils to pass on their year's record instead of having to write hard and sometimes tedious examinations. This was certainly a move in the right direction on the part of the Department at Queen's Park, Toronto.

As usual, the News-Argus has and will publish promptly the school examination results of the village and district schools. Some have already been announced, and others appear elsewhere in this issue. As in past years, we appreciate the co-operation of principals, inspectors, and teachers in getting all reports promptly.

Keep Your Money

A citizen in a Western Ontario town was the recipient of the following missive from a Buffalo organization: "A news item bearing your name and of interest to you has appeared in a publication. Upon receipt of 50c, which you may enclose in enclosed self-addressed envelope, inserting the coins in the folder provided, we will be glad to forward the news item to you by return mail."

Fortunately, the above citizen wasn't having anything from the Buffalo address. Had he or she, been inquisitive enough to part with fifty hard-earned coins of the realm, in all probability they would have secured in return an inconsequential item of no interest or importance, possibly a personal item copied from the local weekly paper.

During times like the present when everyone is racking his brains for legitimate means to secure added income, the above scheme is not what we would term strictly honourable. True, there is a return for the money, but how many answers in a houndred would satisfy the receivers? We venture to say the percentage would be extremely low.

Should any of the News-Argus readers receive a letter similar to the above, we would advise them to hesitate before parting with their money. Nine times out of ten it will be of no value to you, and then, should it be of importance remember that a party seeking you would naturally place an advertisement in your local paper of in the last place you were known to have resided.

CHEESE SELLING METHODS

(Farm and Dairy)

It is not to be wondered at that the cheese producers of Ontario are once more discussing their methods of selling cheese. The only surprising thing is, that they did not commence doing so several years ago. That interest in the matter is keen is shown by recent events. During the past few weeks an organization has been formed in the St. Mary's district of Western Ontario for the purpose of gathering the cheese of that district for grading and for sale. Shortly afterwards, a group of patrons met in the Woodstock district and agreed that some better system of selling should be adopted. About the same time a largely attended meeting of officers of cheese factories and patrons was held in Cornwall to consider the same subject and passed resolutions in favor of factories marketing their cheese through the cheese boards. The fact that representatives of the Ontario department of Agriculture have taken an active part in these matters indicates that the Provincial Government realizes that something needs to be done to improve the system of selling cheese.

One question that naturally arises in connection with these meetings is, "What has become of Ontario's leading cheese selling organization, United Dairyman Co-operative, Ltd?" This company was organized twelve years ago through the efforts of Farm and Dairy, in order to improve the system of selling cheese and it has become an important factor in the cheese trade. Under the circumstances it is significant that our dairy farmers do not appear to be looking to the co-operative company for leadership. What is the reason? Possibly the main reason is because the co-operative company has utterly failed to provide the leadership which such an occasion requires. It has failed also to improve the system of selling cheese. At the time the co-operative company was formed it denounced vigorously the practise of many cheese factories of selling their cheese as 'regulars'. Today the co-operative company has become but little better than a regular itself, as it has abandoned its public sales. It may deny it but the fact remains that the cheese boards are setting the price of cheese today and not the co-operative company, as it simply seeks by private sale to get a little better price if it can, than the factories which sell on the boards. Through having taken a large number of factories, which used to sell their cheese on the cheese boards, from the boards the co-operative has helped to decrease the competition for cheese on the boards.

United Dairymen Co-operative, Ltd. has done good work by gathering cheese at central points for storage and grading and it has acquired a vast amount of useful information in regard to the marketing of cheese, information which very few, if any, officers of cheese factories possess. From this standpoint the co-operative company is well equipped to render valuable service to the cheese industry at this time. It is unfortunate that the directors have ignored the advice of leading authorities on co-operative marketing, including that of Mr. Hart, the former Director of Co-operation for Ontario, through permitting the appointment of its employees on the board. In this way the board of directors have ceased to function as they should. Until this condition is rectified, the cheese patrons of Ontario will be justified in looking to outside movements for an improvement in the methods of selling cheese.

Another big catch has been registered in the Campbellford district. When F. Little, of Seymour, landed a a 32-pound lunge. The fish, which was caught from a boat gave the happy angler a stiff fight before being landed.

Manson - Russell

We have received a copy of "Plain Talk," a newspaper published at Strathclair, Man., in which is a lengthy account of a wedding which took place there on June 26th. The contracting parties were Miss Annie Frances Russell, daughter of Mr. and Mrs. Smith Russell, and Mr. George Manson, jr., of Strathclair. Mr. and Mrs. Smith Russell were formerly residents of Rawdon township, and removed to Manitoba about 22 years ago. Mrs. Russell, before her marriage, was Miss Mary Linn, of Wellman's Corners, and will be remembered by many.

Worth the $5 Difference

While walking by a canal two men saw a notice which stated that $5 would be paid to anyone rescuing another man from drowning.

It didn't take them more than a minute to arrange that one should fall in and be saved by the other, and the reward divided.

In went Cohen who found it rather deeper than he expected. However, he splashed about saying:

"Come on, save me!"

The other hesitated.

'Cohen", he said. "I've been reading that notice again. It says '$10 for a body.' Now do be reasonable."

The Modern Miss

The druggist was awakened long after midnight by the violent ringing of his doorbell. On looking out his window, he saw a young miss in evening clothes.

"What's the matter?" he cried, as he pulled on his dressing gown, "Is somebody ill?"

"Oh, no," she said gayly; "but I'm at a dance close by and I've mislaid my rouge."

"Really?" asked the druggist softly. "Well, I'm sorry, but I never keep enough rouge in stock to cover a cheek like yours."

The Last of the Ninth

A well-known baseball reporter who frequently described a game in verse, died of cancer some years ago. In a drawer in his bedroom were found the following verses:

The doctor knows what his trained eyes see,
And he says it's the last of the ninth for me;
One more swing while the clouds loom dark,
And then I'll leave this noisy park.
'Twas a glorious game from the clang of the bell;
Good plays, bad plays, and plays pell-mell.
The speed of it burned my years away,
But I thank the good God He let me play.

Hints for the Household

For the Month of July

Impromptu Lunches

Always have something on your pantry shelf which can be used for dinner or impromptu lunches.

Have at least—
Salmon.
Tuna fish.
Sardines.
Catsup.
Pickles.
Salad dressing.

To Get the Most Juice out of Lemons

By heating a lemon before squeezing, much more juice will be obtained than there would be otherwise.

Keeping Salt in Summer

Especially at summer resorts, salt is most apt to become damp. Add a little cornstarch to salt in salt shaker and a great deal of this hardness will be prevented. Use about ½ teaspoon of cornstarch to 2 tablespoons of salt.

COOKING HINTS

Chicken Delight

2 chickens.
Salt, pepper, celery, parsley and onion.
3 packages of elbow macaroni.
1 pound of fresh mushrooms.
2 quarts of milk.
Chicken stock.

Method: Cook chicken with seasonings. Cut up into rather large pieces. Cook macaroni. Make a thick cream sauce. Add chicken, macaroni and mushrooms. Heat when ready to serve.

Fruit Ginger Ale

2 sliced oranges.
1 slice of lemon.
1 cup of grated pineapple.
½ cup of grape juice.
1 cup of granulated sugar.

Method: Mix fruit well. Add tiny pinch of cinnamon and nutmeg. Let stand in ice box for 2 hours. Just before serving add 3 pints of ginger ale, ice, more sugar if necessary and serve immediately.

BAKING HINTS

Cheap Angel Food Cake

1 cup of sugar.
1½ cups of flour.
3 teaspoons of baking powder.
½ teaspoon of cream tartar.
2-3 cup of scalded milk.
Vanilla.
3 egg whites.

Method: Mix well. Sugar, flour, cream tartar, baking powder and salt, which has been sifted four times. Add scalded milk slowly while still hot. Stir while adding. Add flavoring. Mix well. Fold in stiffly beaten whites. Put in ungreased angel cake tins and bake in slow oven 45 minutes. Take from oven, invert, and let stand till cold.

Frosting

2 tablespoons of hot milk.
½ teaspoon of butter.
1½ cups of confectioners sugar.

Method: Add butter to hot milk. Mix well with sugar. Add flavoring and spread.

To Clean Mirrors

Mirrors or plate glass may be easily cleaned by sponging them with a cloth dampened with alcohol.

GENERAL HINTS

To Prevent Children's Diseases

A prominent health official has said that sickness could be lessened greatly by one little act. That is always wipe thoroughly with a clean damp cloth the top of every milk or cream bottle before removing the cap.

MADOC GIRLS IN CAR ACCIDENT

Vandorf — When the roadster in which she was riding overturned in a ditch a mile and a quarter east of here Sunday afternoon, Miss Clara Dafoe, 20, of Madoc, was critically injured, suffering a dislocated neck. Donald M. Ellis, 415 Bloor St. W., Toronto, was the driver of the car, which skidded on the greasy clay road before upsetting. Miss Dafoe and her sister, Eleanor, both of Madoc, were in the front seat. Mr. Ellis and Miss Eleanor Dafoe, who were both only bruised and scratched, managed to get clear of the wreckage. The injured girl's sister went to a neighboring home and secured aid from Elmer Hare, a farmer. Dr. Ball, of Stouffville, was summoned and the injured girl taken by ambulance to York county hospital, Newmarket. County Constable Irville Smarr investigated the accident, and Ellis was not held.

THOMASBURG

Severe injuries to face were suffered by Miss Mary Porter, teacher of the junior room in Thomasburg when the car she was driving left the road near Mahoney's farm, a short distance north of Tweed village, a week ago last Sunday afternoon, crashed through a fence on the side of the road and landed against a boulder. The car turned over twice before it stopped. Miss Porter, who was accompanied by Mr. William Kollar, of Belleville, and her brother, Mr. Fred Porter, was driving the car when it suddenly became uncontrollable. Miss Porter was the only occupant who received injuries. Besides the loss of four front teeth, Miss Porter also sustained a deep and severe cut on the lower lip. First aid was rendered by a passing motorist soon after the accident and the injured girl was taken at once to Dr. Dales of Tweed. The car was badly wrecked.

STAPLEY - TUFTS RE-UNION

The seventh annual Stapley-Tufts Re-union was held in the usual form of a picnic on Wednesday, July 6th, at Oak Lake, Stirling, 136 registering. The day was ideal for such an occasion, but due no doubt to the previous continuous wet weather, some felt it necessary to stay with the hay, berries and so on, and as a result there were over forty less in attendance than last year. Carloads began to arrive at 11 a.m. and continued until the middle of the afternoon. Those who didn't arrive in time for dinner stayed for supper, while some who had dinnered, suppered again, and one would almost wonder how, when the viands that disappeared at the noon hour were considered. There were people present from Stirling, Toronto, Belleville, Tweed, Campbellford, Holloway, Thomasburg, Madoc, Deseronto, Fairport N.Y., Foxboro, Trenton, Midland, Corbyville and other points. Preceeding the dinner as is customary, the Grace was sung it being led by Mrs. Phillip Hamilton. After dinner the gathering was called to order by the President, Stanley Tufts, of Tweed, who gave a brief address, then called on Mrs. Phillip Hamilton to say a few words concerning the births, deaths and marriages since the last gathering. There were three births to register, namely: on March 29th to Mr. and Mrs. W. H. Thompson (nee Marguerite Tufts) of Ottawa, a daughter, Edith Ann; on January 26th, to Mr. and Mrs. Grant Southwick (nee Leah Nixon) of Milwaukee, a daughter, Joan Nixon; on May 8th, to Mr. and Mrs. John Lyons (nee Vera Cook) a son, Everett John. One death, that of the year-old daughter, Marion Lillian, of Mr. and Mrs. Geo. Palmateer, of Tweed, on February 7th. One marriage, that of Jack Nixon and Gertrude Davey, both of Toronto. E. C. Tufts, of Madoc, was then called on for a few words, also the Honorary President, Jas. Stapley, of Stirling, the oldest man present, he being 79. Mrs. Isabella Stapley, of Deseronto, the oldest lady present, 82, who seemingly enjoyed the gathering more than anyone else present, spoke a few words testifying to the comfort, peace and joy found in the service of the Master and enjoining them all to "Be on the Watch". The secretary's report, given by Mrs. Howard Clark, of Campbellford, was adopted and recognized by a hearty clap. According to the idea of last year that the Secretary and President be changed every two years and revert from Tufts to Stapley and vice versa, this was the year for the change of Secretary. So as all was satisfactory and Mrs. Clark's mother being a Stapley and her father a Tufts, she was nominated and re-elected for the office for the comin year. A collection was taken, after which the program of sports were run off as follows:

Oldest person present, 82 years,—Mrs. Isabella Stapley, prize $1.00.

Youngest baby present—Everett John Lyons, plate and cup set.

Largest family present, 12, Mrs. G. Palmateer, 2 doz. bars soap.

Person present with most grandchildren, 20—Mrs. Sarah Stapley, large tin of tea.

Person present from longest distance, Fairport, N.Y., Frank Tufts, a box of stationery.

Boys' race, up to 8 years, Lawrence Wilson, tooth brush, paste and holder.

Girls' race, up to 8 years — Lily Clark, vanity case.

Girls' orange race, 8 to 12—Leah Carr, tooth brush, paste and holder.

Boys' One-legged race, 8 to 12 — Ralph Stapley, jack knife.

Girls' bead-stringing, 12 to 16 — Pearl Stapley—box hankies.

Boys' shelling Peanuts, 12 to 16 — Seymour Hamilton, box hankies.

Ladies' sawing board — Mrs. Wm. Stapley, silk hose.

Men Sewing on Button—Were all done so well and speedily that the judges could not decide so it was unanimously agreed that the award, a silk tie, go to the oldest man participating, Jas. Stapley, 79.

After the races ball was played, many enoyed themselves in the water, and others with their tongues and eyes. The gathering broke up, though reluctantly, about 5 o'clock.

Mr. and Mrs. S. Holden visited the latter's brother, Mr. A. Wilson, Holloway, on Monday.

About sixty of the neighbors and friends of Mr. Keith Wickens gathered at his home on Thursday evening to welcome his bride to our community and pesent them with a miscellaneous shower. After a program of community singing, solos and readings, the following address was read:

To Mr. and Mrs. Kieth Wickens:

Dear Kieth and Clara,—

We, a few of your friends and neighbors have gathered at your home tonight to wish you health, happiness and prosperity on your journey together through life, and to extend to you, Clara, a welcome to our neighbourhood. It has been said, and rightly so, that he who has not friends is poor indeed. So we hope and trust that you will find us friendly, as we are sure that we shall you. Kieth has not spent much of his time here, but we are very glad you have decided to settle in our midst. We ask you to accept these small gifts as tokens of our friendship and good wishes. Signed on behalf of the community—Mrs. L. Bird and Mrs. S. Holden.

Kieth feelingly thanked the friends for their kindness; also the ball team for their gift, and invited one and all to visit them.

Mr. and Mrs. W. Carlisle spent the 12th in Frankford

Miss Marion Carlisle is holidaying in Trenton with Miss Sylvia Weaver.

MOUNT PLEASANT

Several from here answered the fire call on Sunday morning and hastened to the home of Mr. John Downs, who resides near Stirling Cheese factory. Unfortunately it was impossible to save the house, but part of the contents were rescued from the flames. Friends here were sorry to hear of their loss.

Mrs. Elwood Johnson spent a day recently in Campbellford visiting relatives.

Wonders never cease. This week part of the fourth line road, better known as the mud-hole, is receiving a coating of crushed rock, which will certainly be a much-needed improvement.

The many friends here extend deepest sympathy to Mr. and Mrs. Herb Hoover and family in their recent bereavement. The funeral of Mr. Henry A. Hoover, aged 88 years and six months, was held in Wellman's United Church on Saturday afternoon.

Mr. and Mrs. Robert Taylor, of Cobourg are holidayig with her parents, Mr. and Mrs. James Hubble.

Master Roy Williams of Hoards is visiting his grandmother, Mrs. G. Smith.

Mrs. F. Potts has returned home from an extended visit at the home of her daughter, Mr. and Mrs. S. C. Craig, Ottawa.

Mr. and Mrs. Harry Brown, of Carmel, were Sunday guests of Mr. and Mrs. Claude Sharpe.

Mr. Osborne Smith, of Peterboro, spent last week with his mother, sister and grandfather, Mrs. O. Smith and Joan are holidaying with relatives in the West.

On Sunday our pastor and Rev. E. W. Rowland, of Stirling, exchanged. A large number were in attendance at the morning service and the choir gang an anthem "Behind the Shadows"; also a very appropriate duet "If we but knew" was rendered by Mrs. Locke and Miss Olive McConnell. Rev. Rowland gave a very forceful discourse and chose as his subject "The Crusade of the Christian Church". He pictured Canada, a land of God's promise, the granary of the World and the bread basket of the British Empire. The speaker then told of the creating of the United Church and its great venture for Christ, picturing a few of the many worth-while things that union has accomplished, especially the many cars of provisions and clothing which were forwarded to the west last fall, and the vast work that is being carried on by the twenty hospitals of our Church. In closing he briefly outlined the year's work of one hospital in Alberta, and threw out the challenge that we as a Christian folk keep venturing on for Christ.

By the time you read this thousands of farmers and their wives will be almost ready to journey "On to Ottawa". Special trains are being run for the occasion and it is reported that the Coliseum will seat 5000 people. Ample arrangements have been made for parking space as well as for those who wish to take their lunch along. On Saturday the farmers' delegation will wait on the Dominion government and make it understood that agriculturists are not receiving a fair price for their produce and labour. A large number here regret that we have no U.F.O. organization. Rarely, if ever, do we see people in other walks of life trying to get along without being a member of their particular organization, and yet, the farmers, who are the backbone of the country, plod along and are willing to let the middle-men run their business and gather up the profits. Surely it is time that we woke up to the fact that we need an organization the same as the manufacturers, packers, labourers, masons, railwaymen and others. We do hope the "On to Ottawa" delegation will be of great benefit to the tillers of the soil.

Mr. and Mrs. Murney Scott, Billy and Shirley spent Sunday with Mr. and Mrs. Allan Reid.

Mr. Garnet Bailey of Toronto has gone to Boshkung Lake to again conduct the boys' camp.

Hello Grandma—We enjoyed your letter from Yarker, very very much, and are glad you have found such congenial friends. Do write us again some day.

Miss Elsie Hanna, of Moira, is spending this week with Mr. and Mrs. Ross Hoard.

Miss Olive McConnell accompanied Mr. and Mrs. Cyrus Johnson of Campbellford on their return from the celebration at Wellmans, and will spend the balance of the week at their home.

Mrs. Emma Summers is visiting this week at the home of Mrs. Paul Sharp.

Mr. and Mrs. Butler Rupert have arrived home after spending the past six weeks visiting relatives at Kingston, Bath and Thurlow. We are pleased to report Mr. Rupert is somewhat improved in health after his recent illness.

Master James Hoard is holidaying this week with his aunt Molly and Uncle Harry Ketcheson, at Phillipston.

Mr. and Mrs. Conger McConnell were dinner guests on Sunday of Mr. and Mrs. Manson McConnell.

Mr. and Mrs. Roy Thrasher and Edna were guests on Sunday of Mrs. P. Sharp, Wellmans.

Mrs. Jane Hoard is visiting her nephew, Mr. Fred McMullen, at Rylestone, this week.

Mrs. D. A. Reid, of Toronto and Mrs. W. A. Watts, of Belleville, aged 85 and 81 years, are spending this week visiting their sister, Mrs. Thos. Hubble.

Mr. and Mrs. Edward Montgomery and Willie spent Friday in Foxboro and Belleville.

Mr. and Mrs. A. E. Golding and Mr. and Mrs. E. Golding of Toronto, spent a few days this week at the home of Mr. and Mrs. Walter Scott and attended the Orange Celebration.

LOCAL BRANCH OF BANK OF MONTREAL CELEBRATES 30TH ANNIVERSARY

An event recalling earlier days in the history of Stirling occurred this month with the thirtieth anniversary of the local branch of the Bank of Montreal. Opening in July 1902, and purchasing the private banking business of Parker Bros., the Bank established its first office in a comparatively new building at Mill and North Streets. This building was destroyed in the disastrous fire in 1909, when about a third of the business section of Stirling was completely burned. Since that time the branch has occupied its present office located on the site of its former premises.

Numerous improvements in the town and district have occurred since the Bank located here, chief among them being the establishment of the Stirling Cheese Box and Basket Company and the creamery.

The manager at present in charge of the branch is W. H. Moise.

Behind the Bank of Montreal as an institution, there lies a history indelibly interwoven with that of the Dominion of Canada. In fact, its history began fifty years before Confederation.

It was on the 23rd of June, 1817, nine merchants of Montreal signed Articles of Association for the establishment of the "Montreal Bank". This action marked the foundation of the Bank of Montreal, which holds the distinction of being by far the oldest institution of its kind in British North America, and one of the largest financial institutions in the British Empire. It also established the beginnings of the Canadian banking system.

To realize the conditions which prevailed when the Bank first brought organized financing to the relief of that early generation of Canadian business men, it is necessary to delve deeply into the history of the country.

The only organized portions of what is now the Dominion of Canada were the Provinces of Upper and Lower Canada and the Maritime Provinces. Their whole population was less than 400,000, and that of Montreal, the chief trading centre less than 20,000. The development of trade and agriculture was hampered by lack of facilities for exchange. The country was too poor to afford the luxury of a metallic circulation medium and not only American, British and French, but also Portuguese and Spanish, coins were legal tender and the ratios of exchange into colonial money of account were subject to frequent variations. As a consequence, domestic trade was carried on principally by barter, and international trade was on a very uncertain basis.

Such were the conditions when the Bank of Montreal began business on November 3rd, 1817, in modest rented premises, with a paid-up capital of $350,000. In a very short time this Institution became the focal point of the business of the colony. It provided a medium of exchange such as had hitherto been lacking, nursed along the early enterprises of the country and straightened out the difficulties of inter-urban, inter-provincial and international trading.

Everwhere as conditions have become ripe, the Bank has planted its branches for facilitating the agricultural development of the country, its manufacturing industries, and its general commerce.

Today the Bank has six hundred and fifty branches distributed throughout Canada and Newfoundland, while its paid-up capital and reserves represent a total in excess of $75,000,000, and its assets amount to over $700,000,000. The value of the Bank to the country, however, is not to be measured so much by the amount of its capital, or by the size of its dividends, as by the security it has given to those who have trusted it, the facilities it has furnished for the exchange and the increase of commodities, and the assistance it has contributed to the development of the country.

The Branches of the Bank of Montreal are situated alike in the large business centres and in residential districts, in agricultural communities and in mining camps. Everywhere in Canada it is a factor in the life of the community. Today, notwithstanding its influential connections it is essentially a Bank of the people, a Bank where small accounts are welcome, a Bank to which all classes can come with confidence in the security of deposits entrusted to its care, and with the assurance that every facility consistent with sound banking will be extended to those who seek its services.

REV. A. N. REID'S RESIGNATION IS ACCEPTED

At an adjourned meeting of the Presbytery of Kingston held in the Presbyterian Church, Stirling, to deal with the resignation of Rev. A. N. Reid, M.A., pastor of the Presbyterian Church in Stirling and West Huntingdon, the following resolution was adopted:

In the resignation of Rev. A. N. Reid, M.A., of the pastoral charge of Stirling and West Huntingdon, Presbyterian Church in Canada, after a pastorate of five years, the Presbytery of Kingston desires to place on record its high appreciation of his faithful and devoted discharge of all his duties as pastor of that important charge; also the Presbytery is much indebted to Mr. Reid for his active interest and co-operation in every phase of Presbytery work as Moderator, as convenor of Missions and a co-Presbyter; while in Synod and assembly he has rendered valuable service. He is also a member of the Senate of Knox College.

Kingston Presbytery grants him his resignation since he requests it and wishes him all success in his future field of labor.

Rev. R. B. Nellis, Madoc, was appointed Moderator pro-tem of session during the vacancy. The resignation takes effect on the last Sunday in August.

We can stand plainness of speech better if the speaker isn't plain.

WAS BORN IN RAWDON

The following appeared in an editorial in The New Outlook of June 22, an United Church publication, relating to the death of the late Alfred Gandier, who is a native of Rawdon township, having been born on the farm now occupied by Mr. Arthur Reid on the twelfth concession:

The very sudden and altogether unexpected news of the death of Dr. Gandier, since 1908 Pincipal of Knox College under the Presbyterian Church, and Emmanuel College under The United Church, came with tremendous shock to thousands of people throughout our Dominion. Dr. Gandier had just retired from the responsible office which he had filled so long and honorably. The morning papers on the day of his passing listed his name with others as having been given a super-annuated relation to the ministry of the Church. As far as his friends could see he was in excellent health and spirits. He was full of plans as to how he would use his time when relieved from the arduous duties of his office. And then, without a moment's warning save to his most intimate relatives, he passed into the beyond. So energetic and faithful had he been in the performance of all the responsibilities of his office that none but the most intimate friends knew of the serious heart trouble which was the cause of his death.

A man highly esteemed and greatly beloved in the Presbyterian Church, it was only those closely associated with him before union who understoood the tremendous task that Dr. Gandier carried through in the building up of Knox College and the construction of its very fine buildings. The latter enterprise especially is to be counted among the very great achievements accomplished for the Christian Church in the whole history of Canada. Following Church union it was very easy for those in the other two communions to accept Dr. Gandier on the very high plane of character and ability that his own Church had placed him. No leader among us had a higher place in the confidence and love of the United Church, as no one has ever earned his right to that confidence and love by more faithful and painstaking and efficient service.

The funeral service was held in Bloor Street Church, with which Mr. Gandier was connected. It was in charge of Dr. E. W. Wallace, Chancellor of Victoria University, and with him were associated Dr. Endicott, Dr. Pidgeon, Principal Davidson and ex-Chancellor R. P. Bowles.

"*Yes*—they're fine young chickens!"

It was Joe Kingsmill's wife who spotted the advertisement — a firm in town offering to buy 60 young chickens. She showed it to Joe.

"Every poultry farmer in the province will be writing," Joe said. "I'll telephone right now and beat the crowd."

So he did. And got the business too for his alertness. The Long Distance telephone call cost him 35 cents.

General News of Interest

Toronto — Hon. H. C. Schofield, minister without portfolio in the Ontario cabinet, is to be married on July 19 to Miss Irene Sutherland, formerly of Oakville, and now of Toronto, it was announced on Saturday.

Tweed—Alice Cecilia, the youngest daughter of Mr. and Mrs. John Quinn, Tweed, was united in marriage to John Howard Goodwin, son of the late Mr. and Mrs. Goodwin, of Picton on Friday, last week. Rev. F. P. Quinn performed the ceremony.

The vital statistics of the township of Seymour for the half year ending June 30th, 1932, shows:—25 births, as compared with 21 in 1931; 3 marriages, against one for the corresponding period last year; and 17 deaths, the same number as last year.

Belleville— Desmond "Dick" Philp, at bat here Saturday afternoon was struck behind the ear with a pitched ball, which floored the player and bounced back into the pitcher's hands. Examination showed a fracture of the skull. He was knocked unconscious for a short time.

When a team of colts hitched to a mower for cutting hay became frightened, W. J. Morrison, of Thurlow, who owned the team, was thrown from the machine and dragged a considerable distance. Mr. Morrison sustained a compound fracture of the left leg and cuts about the face and hands. The injured man was removed to Belleville General Hospital.

Frankford—Mr. Jonathon Powell, a farmer living two miles from Frankford, while killing pigs Thursday, stepped backwards into a pail of hot water, scalding his left foot and leg badly. He was rushed to Dr. McMullen's office for treatment. At the time of writing Mr. Powell is progressing favorably, although it will be two or three months before he will be able to use the injured member.

New York—John D. Rockefeller, who has lived through seven major depressions and has reached the conclusion that worry poisons the system, was 93 years of age on Friday. He says "Prosperity has always returned and will again." At his 8,000 acre estate at Tarrytown on Friday, M. Rockefeller assiduously applied himself to the business of living to be 100 and maybe more.

Flemington, N.J. — John Hughes Curtis, convicted of hindering capture of the kidnappers of the Lindbergh baby, was sentenced on Monday to one year in jail and a fine of $1,000 The maximum possible sentence which could have been imposed under the indictment on which Curtis was found guilty was three years imprisonment and $1,000 fine.

Marmora—Work on the Peterborough highway, which had to be suspended last fall, is being resumed. M. Irwin is in charge of operations, which will be principally the resurfacing of the new road at the cut. Ten men and four teams commenced work on Thursday and other men evenly drawn from the village and the township will be started to work in a few days. It is anticipated that the work will be completed in about a month.

Madoc Review—Several boys from Trinity United Church Sunday School are attending a Boys' Camp at Oak Lake this week. Earl Wellman, Mervin Rutherford and Gordon Moon are accompanied by Gray Rivers, who is acting as one of the leaders in swimming and sports.

Instabul, Turkey—An invitation to join the League of Nations was accepted by Turkey at a special meeting of the National Assembly, last Wednesday. The invitation was received with enthusiasm by the Turkish Government. Foreign Minister Tewfik Rushdi addressed the Assembly before it accepted the proposal by a majority vote. Turkey placed no conditions on its entry.

Tweed—When the car which he was starting was accidentally reversed a motorist at Northbrook, near here, ran over his wife. One of the wheels passed over the woman's body above the hip and ran in a diagonal as far as the shoulder. It is learned that the car was jacked up in order to start the engine, and was being let down by Mrs. Boomhewer when in some manner her husband stepped on the reverse pedal. The car jumped backwards, inflicting injury to the woman, for which she is still being treated.

Tweed—Under the leadership of Mr. F. Allore, a new line of amusement was introduced when the first exhibition wrestling match was given in the local arena on Saturday evening. Although the initial match was poorly attended further development of the sport in the community may draw a larger attendance as the exhibition match was well displayed.

Creemore—While bathing alone in Norris' pond, near here, Margaret Lott, aged 15, only child of Mrs. and the late Norman Lott, was drowned last Friday. The girl failed to return for supper, so her mother went to the pond. There she found the clothing and could see the body submerged in the water. The body was recovered by the Coker brothers of Avening, but the girl was dead. She is believed to have taken cramps. Her father died six years ago. The deceased is a cousin of Mr. W. Duff, of the Bank of Montreal staff, Stirling.

Frankford—Sideswiping a Hydro pole on Highway No. 33, three miles south of here, Arthur Hubble, of Frankford, and other passengers in his automobile sustained serious injuries, while his car was wrecked badly on Saturday evening. Hubble, accompanied by his wife; Mrs. B. Revoy and her son, Harry, and Leonard Lockwood, all of Frankford, were driving southward from Frankford to Trenton, when rounding a short left hand curve, the Hubble car left the road and sideswiped the Hydro pole. Mr. Hubble sustained a severely bruised arm, Mrs. Hubble a fractured jaw, while Leonard Lockwood also sustained a broken arm and leg in the smash, which wrecked the car almost beyond repair. The motorcycle patrol of the Provincial police are investigating the accident.

Trenton—Four generations of a former Trenton family attended the celebration of the silver wedding of Mr. and Mrs. C. G. Young, held in their Athens home on Friday last. The couple were married in Trenton on July 1st, 1907, by Rev. R. Bamforth, then pastor of King St. Methodist Church. Twenty people were present. Among the guests were Mr. and Mrs. G. A. Asseltine, Frankford, parents of the bride of 25 years ago; the five children, George, Doris and Amy Young of Athens, Eleanor (Mrs. John Turner) Chesterville, and Ralph Fort William; Mr. and Mrs. Ralph Young, and the two grandchildren, Dorothy and Roberta Young, Fort William. Also present were Mrs. Lydia Nelson, Wooler, sister of Mrs. Young, and children, of Stirling, and Marion Nelson; and Mr. and Mrs. William Freeman and children, Evelyn and Bert, Lyndhurst. Mr. Young formerly proprietor of the Trenton Courier, now operates the Athens Reporter.

Charged with intent to rob and with assaulting one William Vansickle, of Brighton, George Jekinson, Robert Elvin and "Andy" Gray, ranging in age from 19 to 22 years, were arrested by Provincial Constables Kelly and Campbell late Saturday night and arraigned in the local court at Belleville, held before Magistrate Mikel Monday morning. It is alleged by the Provincial Police that the three young men while walking on the highway west of Foxboro came upon a parked car in which were seated Mr. Vansickle and a young lady. It is also alleged by the police that the three youths approached the car and asked the driver for either his money or the young lady, that Mr. Vansickle then tried to light his cigarette lighter so as to ascertain who the assailants were, but, it is said, the lighter was knocked from Vansickle's hand. Later both Vansickle and the young lady were ordered, it is claimed from the car, that the three youths searched it, later searching Vansickle's person and it is alleged by the police that the three boys found no money but took Vansickle's cigarettes and later told him and the young lady to get in the car and get out of that part of the country. Both Mr. Vansickle and his companion immediately notified the Provincial Police and offered clues of identification. The youths were arrested on Sunday night when they appeared in the police court Monday morning. Elvin asked the court for one week's enlargement. The prosecution then asked for a week's remand for the other youths charged and all three lads were remanded in custody in the county jail for seven days.

CAMPBELLFORD

Mr. Robert Dunk and family of London, have moved into town and will reside in their old home on Rear street.

We are sorry to report that Mr. Adam Outingdyke is suffering from diabetes and underwent an operation in the Toronto General Hospital. Hopes are expressed for his speedy recovery.

Mr. and Mrs. Alex Hume have as their guest their daughter, Miss Annie Hume, B.A., librarian at Walkerville.

Mr. and Mrs. A. S. Reeks with daughters, Irene and Dorothy, of Newburg, N.Y., have been visiting Mrs. Reeks' parents, Mr. and Mrs. S. J. Abernethy.

Mr. John E. Bromley and Mrs. J. McMullen and Miss Betty of Pembroke, Ont., have been the guests of their son and brother, Chief G. C. Bromley.

Mrs. William Hume, Seymour East, has as her guest Miss Margaret Anderson, R.N., of Stirling.

Miss Jean McArthur has graduated from Whitby Hospital with the degree of R.N.

Mrs. J. W. McClearey has as her guests her son, Mr. Frank B. B. McClearey, Mrs. McClearey and Topsy of Hamilton.

Mrs. A. J. Meyers is under the doctor's care with three fractured ribs the result of a car accident about 11 o'clock last Wednesday night, when a car in which she was being driven by her husband, was crashed into by another vehicle at an intersection and turned over on its side. The accident hapepd on Front street, when Mr. Meyers was passing the Regent Theatre, a car driven by E. Forestell came out of a side street and struck the rear end of the Meyers' car, turning it around and forcing it over on its side. Mr. and Mrs. Meyers, who were the only occupants of the car had to make their way out through the window of the car, being unable to open the door. The Meyers car was badly damaged and Mr. Meyers, aside from being shaken up, was not seriously injured.

One month in Cobourg gaol on a charge of driving a car while intoxicated and three months on a charge of having likuar in a place other than his private dwelling; the terms to run concurrently, was the sentence handed out to Herb Leonard, 38, of Compbellford, in police court here on Friday, by Magistrate J. M. Bygott. The charge of having was a second offence. Leonard pleaded not guilty to both charges and the case was heard, Crown Attorney F. D. Boggs, of Cobourg, prosecuting. Leonard was arrested Thursday night by Constable George Hardy after he had driven into a tourist's car on the River Road in Seymour township. With him was Harry Denike, of Campbellford, who previously pleaded guilty to a charge of having liquor in a place other than a private dwelling and was fined $100 and costs. Mr. and Mrs. E. W. Glover, of Lansing, Ontario, were returning from Campbellford, going north on the River Road, when they saw an approaching car which appeared to be driven badly. Mr. Glover, who was driving, crowded into the ditch as far as was safe, but the passing car knocked into his read end, damaging the wheel, fender and body. The car did not stop but went on; Mr. Glover turning around and following it. It eventually pulled up just before entering Campbellford. The following car drew up to it and found Leonard at the driving wheel. He gave no explanation of the accident, and Mrs. Glover went to a nearby house and phoned for the police.

BURNBRAE

The Ladies' Aid Society and the Women's Missionary Society of St. Andrew's Church met at the home of Mr. George Wallace on Thursday with an attendance of forty. The meeting opened by singing hymn 461, after which Mrs. W. H. Little gave the Bible reading and Mrs. George Craighead offered prayer. After considering some items of business the following program was presented: duet, Mrs. George Craighead and Mrs. Clayton Wallace. Reading from the Missionary study book by Jean Craighead. Hymn 399, after which Mrs. William Hutcheon gave a reading. Duet, Violet Atkinson and Verna Cassan. Reading, Edna Whitton. Solo, Jean Craighead. Hymn 495 and Lord's Prayer in unison. Refreshments were served and a pleasant social hour was spent.

The parents and children of Burnbrae Public School section met at the home of Mr. George Craighead on Thursday night. The object was to show their appreciation of the work of their teacher, Miss Jean Craighead, who taught the school for three years. Mr. Malcolm Hutcheon performed the duties of chairman and after a short address presented the following program: music—duet by Charles Thresher and David Main; a reading by Edna Hutcheon; solo, by Fern Weatherill; reading, by Leta Wright; Trio, Malcolm and Howard Hutcheon and Charles Thresher. Miss Craighead was asked to come forward and Thelma Wallace read the following address:

Dear Miss Craighead,—

We the parents and pupils of Burnbrae Public School have learned with regret that you have resigned your position as teacher here. We are grateful for the help you have given us during the three years in which you have been our teacher, and we are sorry you could not stay with us. You have always been ready to help in the community life and in the church and young people's work, and we will miss you greatly in this respect. Our best wishes follow you to your new field of labor and we will always be interested in your success.

As a slight token of our appreciation for the splendid work you have done for us, we ask you to accept these gifts and we hope as you look upon them in the future, you will remember your friends and pupils of Burnbrae.

Signed on behalf of parents and pupils.

The gifts were a Kodak and a necklace and the presentation was made by Grace Ingram and Dorothy Eagleson.

Miss Craighead made a suitable reply. She has accepted a position in one of the public schools in Belleville. Mr. Malcolm Hutcheon has been engaged to teach the school at Burnbrae. Short addresses were given by Mr. George Ingram and Rev. D. A. McKenzie. The program closed by singing Auld Lang Syne. Refreshments were served and a pleasant hour was spent.

Mrs. (Rev.) J. H. Douglas, of Caledon East, accompanied by her children, is visiting her sister, Mrs. Jas. Nelson.

Mr. Charlie Thresher, of Oshawa is visiting at the home of his uncle, Mr. William Hutcheon.

Rev. D. A. McKenzie and Rev. A. N. Reid, of Stirling, exchanged pulpits last Sunday.

Mrs. William Rannie, of Campbellford, spent Sunday with her daughter Mrs. Roy Walker.

Miss Emily Little, nurse-in-training in Cobourg hospital, is holidaying at home.

In a personal in last week's issue it was stated that Mrs. Albert Hammond was visiting in Montreal. This was incorrect and should have read Mr. Hammond, who was in the Quebec metropolis on business and also visited Mrs. Hammond's sister in St. Agathe, Quebec.

The Sunday School and congregation of St. Paul's United Church, held a successful picnic on the north side of Oak Lake yesterday afternoon. Over two hundred sat down to dinner served in the tabernacle. The afternoon was spent in sports, including racas, softball, horse-shoe pitching, etc.

Make the News-Argus your paper for news. But what is news? Well, it's news if an accident happens, if somebody is seriously ill, a birth, a marriage, a death, a visitor from another community, an unusual occurrence of any kind, a public improvement, all this is news. But if Jack Smith calls on Sally Jones, that is his own business and has no news value, at present at least. If you have an item of local interest in your community do not be backward about sending it to the News-Argus.

On Monday evening Evergreen again won from West Huntingdon, by the score of 17 to 14. The following are the lineups:

West Huntingdon—M. Wright, p; Elmer Murry ss; Lorne Wilson, C. Wright, J. Kingston, M. McGee, R. Todhunter, Howard Cooke, Charles Wright.

Evergreen—H. Burrell, c; A. Rodgers, p; D. Rodgers, ss; Bruce Stapley, 2b; O. Stapley, rf; K. Stapley, 1b; A. James, lf; J. Mitts, cf; J. Fargey, 3b.

RAWDON LEAGUE

Stirling 18, Hoards 9

With Glen Ross, Hoards and Stirling in a triple tie for second place, the Stirling - Hoards encounter meant the elimination of one or the other of the contestants. There has been little to chose between the two teams all season and a close game was assured. Thanks to the generosity of Mr. Wm. West, a truck was placed at the disposal of some forty or fifty rooters and to these enthusiastic supporters much credit must be given. Hoards launched their main offensive attack in the fifth and sixth innings, but the Stirling contingent had already established a comfortable margin despite occasional lapses in the field. The "Station" softballers have furnished some of the keenest competition in the league and it is to be hoped they will be represented again next year. The lineups were as follows:

Hoards—Jeffs, c; Eagleson, 2b; O. Rannie, ss; Hume, lf; Coggins, 1b; Oddie, 3b; J. Rainnie, cf; Gunning, rf; Hoard, p.

Stirling—Hulin, c; Cain, 3rd; Ward 1b; Bleay, ss; Bailey, 2b; Potts, lf; Ryckman, p; Meiklejohn, cf; Tulloch, rf.

Referees—Home plate, G. Donald; 1st and 2nd bases, G. Bailey; 3rd base, R. Williams.

Glen Ross - Stirling

Tonight, at the agricultural grounds Glen Ross and Stirling, tied for second place, will battle for supremacy and the right to meet Springbrook in the final play-off series. This is a sudden-death game and will in all probability be a bang-up game. These teams have been breaking about even all season so a fast game is assured.

BLAIRTON DEFEATS NORTH RAWDON OWLS .

In a loosely played affair North Rawdon White Owls were beaten 21-15 by Blairton softball team there on Friday evening, when with a light rain falling at intervals making the grass of the diamond wet and slippery, good fielding was out of the question and both teams kicked in with a flock of errors to make the score climb.

Wellman for the Owls and Boyd of the locals were the opposing pitchers and both went the route though hit quite freely. Campbell at first for the visitors turned in his usual good game, while Wright, the local shortstop, and Cook went nice for the hometowners. The cloudy weather prevented more than six innings being played.

The lineups were:

Owls — Knocker, c; G. Wellman, p; W. McInroy, ss; Campbell, 1b; Morrison, 2b; Hewitt, lf; J. Wellman rf; C. McInroy, cf; Knox, 3b.

Blairton — Cook, 1b; Wright, ss; Campion, cf; C. Robertson, rf; Melville, c; A. Robertson, 2b; A. Boyd, p; Collett, lf; McFall, 3b.

Umpires—Robertson and Gilbert.

CALVER — STEVENSON

A quiet but pretty wedding was solemnized on Wednesday afternoon July 6th, at the home of Mr. and Mrs. A. Stevenson, Halloway, when their younger daughter, Eva Marion, became the gbride of Mr. Sheldon James Calver, youngest son of Mr. W. J. Calver, of Bath.

The marriage was performed by Rev. Mr. Clarke, of Shannonville, beneath an arch of flowers and ferns.

At 2.15 the bride entered the room with her father to the Wedding March played by Miss Helen Clarke, of Shannonville. The bride was gowned in white georgette and net, wearing a veil of tulle caught with orange blossoms. She carried a shower bouquet of lily-of-the-valley and maiden hair fern. The bridesmaid, Miss Mae Stevenson, sister of the bride, wore a frock of cream lace over pink taffeta and carried American Beauty roses.

The groom was attended by Mr. Charles Young, of Bath.

During the signing of the register, Miss Susie Van Camp, of Blackstock, very sweetly sang "Because."

A dainty buffet luncheon was served by the Misses Erma Clarke, Mabel Lloyd, Luella Jones and Mabel Hatfield.

Amid confetti and good wishes the bride and groom left on a motor trip to New York City from where they will sail on the S. S. Prince Henry to Bermuda. The bride travelled in a white and blue ensemble with matching accessories. They will reside at North Bay where the groom is engaged as a teacher.

MRS. D. S. AUSTIN PASSES AT WOOLER

In the early morning hours of Friday, Mrs. D. S. Austin, of Wooler, died after a lingering illness of suffering for six months. Just one week ago her youngest brother, Edgar Shaw, of Sault Ste Marie came to visit her, and while there he was stricken and fell off his chair dead, the body being removed to the home of his brother, John Shaw, at the old homestead at Picton, and the funeral and burial service was held on Wednesday of last week.

Mrs. Austin was born in Prince Edward County, at Picton, in the year 1867, and was united in marriage to D. S. Austin in 1897, came to Wooler a bride, and has always lived here. She leaves in bereavement a husband one son, Allan, one daughter, Grace Leavitt, one brother, John Shaw, of Picton, and a sister, Mrs. Clarke, of Wooler. The deceased was a faithful member of the Woman's Missionary Soicety and the Ladies' Aid of the United Church, an active member of the Women's Institute and much loved by many friends. The funeral service, conducted by Rev. A. Paulter, at the residence on Saturday at 2.34 p.m., the cortege proceeding to Stockdale cemetery.

GREAT HOPE OVER REPARATIONS

The new agreement on reparations, made by the power of Europe at Lausanne, is being hailed as a new hope of the world for economic reconstruction. Gone is the crushing burden of war reparations which had prevented the economic stability of Germany. Gone is the uncertainty as to what would happen if Germany failed to pay. Gone are the obligations which tied up industry, trade and commerce throughout Europe, and prevented commodities from flowing in their normal channels.

These, in effect, are the direct results of the agreement which has been reached. The indirect results, however, should be far-reaching in their effects. Countries held down under a state of uncertainty will now be able to enter into an inter-change of goods to a far greater extent than before, and that is one of the chief essentials of the economic recovery of the world.

There are, however, still two vital matters to be settled before the full effects of the Lausanne agreements can be felt. First of these is the question of war debts owing to the United States. They are having an even more crippling effect on world commerce than had the German reparations. The United States, immediately on the Lausanne agreement being announced, gave out an official statement that she was ready to consider a revision of war debts. That is a hopeful sign. How far this revision will go remains to be seen, but if the United States government is alive to the possibilities of better conditions for its own people, the revision will be drastic, and will be of such a character as will lead to early cancellation.

The second question is that of disarmament. In order to restore complete economic stability and confidence, there must be a cessation of the tremendous expenditures on armaments of war. If the billions of dollars spent on armies, navies and air forces were transferred into more useful channels of trade and commerce, the effect on business the world over would be greater than anyone can readily visualize.

The agreement at Lausanne, however, may be but the beginning of these greater movements. It has inspired public confidence in the desire of the world's great statesmen to find a way out of the condition which is chaining people to the grindstone of unemployment. For three years the world has been in the slough of despond. Now a way is coming, and it should not be long before the beneficial effects of the reparations cancellation should be apparent by an increase in the purchasing power of European countries to which both Canada and the United States look for markets for their surplus products.

PREFERENCES USELESS IF ON WRONG ITEMS

(Financial Post)

Much is being made in the press of the fact that the Dominions and Colonies receive free entry to Great Britain on manufactured goods on which a tariff of ten per cent, later increased to 20 per cent, has been imposed. Canada is expected to respond to this gesture with big reductions in our own tariff against British goods.

Barring newsprint and lumber, we ship a very small quantity of manufactured goods to Great Britain. Canadian manufacturers cannot compete **with the British manufacturers on** the great majority of manufactured goods.

Pobably 80 to 90 per cent of our exports to Great Britain are on agricultural products, provisions and food products. No preference has as yet been given on these lines with very slight exceptions.

If Canada had a general tariff of 20 per cent on agricultural products and allowed free entry to agricultural products from Great Britain, it would be a concession comparable to that which the British have given Canada. The British would say at once that such a preference was absolutely useless as our costs of production of agricultural products were so much less than theirs.

The British tariff preference is yet of little value to us. Some sacrifices have to be made by established interests in both Canada and Great Britain if preferences of real value are to be worked out. In short, Britain has to give us substantial tariff preferences on the items we can sell her and we have to respond by aiding in Canada the sale of goods the British can produce much more cheaply than we ever can.

The Nova Scotia Dairymen's Association will hold their next annual convention, in 1933, at the Cornwallis Inn, Kentville, N.S.

Shipments of celery to Canada this year from Bermuda totalled 25,000 crates in contrast to last year when the shipments were virtually negligible.

Eastern Steamship Lines, Inc., had heavy traffic on an excursion from New York to Nova Scotia on the occasion of the first trip in June of the S.S. Acadia from New York to Yarmouth, N.S.

Railroad transportation is an essential economic function on this continent and given reasonably free rein should speedily show good recovery using it to increase buying of materials and employment of labor, says the Greenville (S.C.) News editorially.

Total production of honey in Canada in 1931 amounted to 27,867,397 lbs. valued at $2,058,094. Ontario led the Dominion with a production of 12,000,000 lbs. with Manitoba second with 7,367,375 lbs., and Quebec third with 5,633,400 lbs.

Ten thousand rainbow trout fingerlings have been deposited in the French River in June, following 7,500 fingerlings deposited last year. The previous experiment was so satisfactory that the present action has been taken and if success still attends these efforts, the French River Bungalow Camp will have added rainbow trout to its already well diversified angling attractions.

Bob Davis, globe-trotting New York Sun columnist, is back in his beloved British Columbia, having recently arrived from Honolulu aboard the Empress of Canada, of the Canadian Pacific fleet. He proposes to spend some time in fishing expeditions both in the province and also in the Rockies where he will meet Irvin S. Cobb and Courtney Riley Cooper, also famous American publicists.

Tourists spent almost one million dollars for every working day in Canada last year, a sum virtually equal to $280,000,000, the Cannington, Ontario, Gleaner, points out and claims that this puts it into the class of big business which should be carefully fostered. Commenting on the same subject, the Nelson, B.C., News states that there are numbers of small towns throughout Canada which have not yet realized what the tourist business could do for them.

Evidence of the growing popularity of the Canadian Pacific Railway low rate bargain return trips, inaugurated this year, was again furnished by the success of the Quebec Province and Montreal excursion to Toronto and Niagara Falls, June 17, when no fewer than 2,500 Quebeckers took the trip in four specials on the Friday, returning the following Sunday night. His Honor the Mayor of Toronto issued a hearty welcome to those making the trip.

The thirty-two business and professional men and women from the British Isles now touring British Columbia under provincial government auspices found Victoria much to their liking and quite up to advance notices of being the most "English" city on this side of the Atlantic. They were particularly impressed by the beauty of the formal gardens at some of the homes they inspected and specially with the famous Butchart Gardens. They are travelling by Canadian Pacific Railway. (853)

WATERWORKS

The installation of the mains for permanent waterworks, in the summer water area, is rapidly nearing completion, and it is expected the pipe-laying will be completed next week. One hundred and eighty-six services are being installed in the area. The capital cost includes the laying of the connections and services to the property line of the users.

A test was made of the well on Henry street and it was found to be of 20 to 25 gallons per minute capacity. Many misleading stories have been circulated, such as the well had gone dry, etc. These stories were no doubt started because a second well is being drilled near the creamery well. This action was taken to doubly insure a supply of water. The Henry street well would supply the water needs for the present, but the Council did not feel like taking chances, hence the second well. It is reported that there is a town in Western Ontario with three hundred more inhabitants than Stirling that depends upon a 16 to 18 gallons per minute supply.

The Council is quite anxious to instal the extensions now, but unless the debentures for the present area are sold the same cannot be undertaken. This seems a shame, and it is to be hoped some means will arise whereby the entire village may be served with permanent water and fire protection. Unfortunately ridiculous stories have been circulated throughout the district, thus making unnecessary controversies. The waterworks debentures, at 97 to yield 5.81, are as good an investment as there is on the market. Stirling boasts of being in one of the best conditions financially of any village in the province, and the debentures should be quickly disposed of. You hear stories of the village being sunk and so on. The same "songs that have been sung" over any improvement made for the past half century, as far as the writer can learn. As we stated before that if they were not one cent of revenue received from the present area installed, the mill rate would be about five mills, to cover yearly payments and operating costs. The cost of the installation, not including the second well, has been under the estimate of $28,200. On this sum the annual payment, including principal and interest is only a little over $1900, so all people have to do is figure out for themselves, when one mill means about $475 on the present assessment rate. There are over eighty summer water users in the present area, and one hundred permanent users will carry the principal and interest, and along with the hydrant assessment will more than pay the operating expenses. The debentures investment is A1, and no doubt those who have cash on hand, but have been "talked-out of" buying the bonds, will no doubt regret same in a couple of years time. There is a report current that a certain citizen is broadcasting that "the Council has been crooked in the project". This is a slanderous statement and no doubt if such continues, the council wall have no alternative but to bring the gabby party before the court. No doubt the guilty party talks too much anyway, but it probaly is just a case of "the vacant mind emitting prattle."

INJURES HAND

While unloading hay on the farm of Mr. Michael Shea, where he is employed, Mr. Horace Budd suffered painful injury to his right hand on Tuesday. In some manner his hand became entangled with the sling ropes and severely crushed three fingers.

BOWL AT DESERONTO

Yesterday two teams motored to Deseronto to take part in the Ladies' Bowling Tournament. The teams were: Mrs. Ernest Munro, Mrs. C. R. Bastedo, Miss Ellen Shea, Mrs. M. Potts, skip; and Mrs. Walter Wright, Mrs. Roger Meiklejohn, Mrs. (Dr.) E. A. Carleton, Mrs. W. Whitty, skip. The first team entered the play-off as being in line for prize with one win, but were defeated by one point. Mrs. Whitty's team lost one game, but were in line for second prize. After playing off three times they were defeated by one point in the last end, playing against Mrs. Davis, of Belleville. Both teams did exceptionally well.

Council Meeting Postponed

As Stirling Civic Holiday will be celebrated on Monday, August 1st, the regular meeting of the Village Council will be held the following Tuesday night.

FINDS OLD COIN

While digging on the waterworks main last week, Constable Harry Wickett found and old coin of 1812. It was a token to the Commerce of Upper and Lower Canada, at that time, and had the picture of sailing vessels on one side.

MUST REPORT TO POLICE

Motorists are reminded that should they have an accident, the same must be at once reported to the police, provincial, city or county. Garage men who are called to the scene of an accident must see that the mishap is reported to the police before the car is touched or removed for repairs if necessary.

WON SILVER BASKETS

A rink composed of Dr. E. A. Carleton, Walter Wright, W. J. Whitty and Thos. W. Solmes, skip, took part in a tournament held in Kingston on Monday. The local rink won the Queens Jubilee Cup, last year and were compelled to defend it on Monday. They lost out in the battle as a Kingston rink captured the mug for this year. The Stirling rink however, won the second prize of silver sandwich plates in the consolation event.

CASE EGGS STOLEN

Twelve dozen eggs were stolen from the platform at the C.N.R. depot on Monday night. Councillor W. Fitchett had taken them to the station to be shipped to Toronto via the 10.35 train. As the depot was closed he left them at the door and informed Mr. Maurice Bell, who meets the night train of same. When Mr. Bell arrived the case of humpty-dumpties was conspicuous by its absence. It is reported the thief is known, but whether Mr. Fitchett will prosecute has not been announced.

Wins Scholarship in U. S. A.

In the San Francisco Chronicle, of June 4th, there appears the picture of Joseph Murphy, winner of an eight year scholarship given by St. Mary's College, Berkley. About one hundred and twenty boys, the pick of the eighth grade classes of eleven schools competed for it. This scholarship covers four years at High School and four at College. Joseph is the eldest son of Mr. and Mrs. P. J. Murphy, of Oakland, California. Mrs. Murphy is a sister of Mr. John Downs, of Rawdon, and a niece of Mr. Michael Shea.

ARE NOW TEACHERS

We notice the following names in the list of Toronto and Peterboro Normal Schcools results published last week of former local high school students, who are now qualified teachers: Misses Dorothy Joblin, Etta Thompson, Helen Jones and Messrs Lorne Anderson and Beecker Barrett. The latter is now residing in Brighton and is the son of Rev. and Mrs. C. W. Barrett, formerly of Stirling.

Miss Edith Tanner, of Harold, a former S. H. S. student, has been successful in passing her examinations for a teacher at Peterboro Normal school.

BARN BURNED

Another serious barn fire occurred on Tuesday morning when the barn belonging to Mr. Sylvenus Sine, sixth concession of Rawdon, east of the Marmora road, near the Enterprise Cheese factory was completely destroyed. Along with the building, fourteen loads of hay, a team of horses, a bull, two calves, two hundred hens and some implements went up in smoke. Mr. Sine was busily engaged, assisted by Mr. Blake Sharp, in hauling in hay. The men were going out for the last load, when they noticed the barn in flames. However, before they could return the entire structure was ablaze and it was impossible to save any of the contents. The loss comes as a severe blow, particularly at this season, and is estimated at over $3,000. The origin is unknown.

Springbrook, 10 — Stirling, 5

The first of the final play-off games between Stirling and Springbrook, to which series Stirling was admitted by their defeating Glen Ross in the semi-finals last Thursday evening, was played on the local fair grounds on Tuesday evening, and turned out to be if not the best, one of the fastest games to be played in this league in the present schedule. From beginning to end it was anybody's fracus and, believe it or not, the Stirling crew actually led the pacemakers from the northern town until the beginnig of the fourth innings, when Bateman, pitching a fine game for the visitors, got the boys working together and from then on held the locals practically scoreless. Errors were scarce. Ryckman turned in a fine performance on the mound for Stirling. Double plays made their appearance on several occasions, and each time seemed to be played just when most needed. This puts the Springbrookers one up in a home and home series, but there is no reason why Stirling should not pocket the next bout and push the play-offs into a third game on neutral grounds. A. Warren officiated behind the bat and N. Narrie acted as base umpire.

BAILEY FAMILY REUNION

Friday, July 15 was a gala day for the descendants of Jas. Bailey, in that it marked the event of their sixth annual reunion. The gathering was on the agricultural grounds, Marmora, and seemed an ideal spot in that good tables and seats were provided for dinner, even though the pleasures of boating, bathing, etc., had to be abandoned. At noon about 100 had gathered and needless to say did ample justice to the good things provided. This concluded, the guests were called to order by Geo. Bailey, who related some of the doings of their grandparents and their hardships. Mr. Locke, of Saskatchewan, and Mr. Allen Bailey and others also gave short pithy speeches. Following this a beautiful bouquet of roses was presented to the oldest grandmother present with the greatest number of grandchildren, this being Mrs. John Lough (Isabel Bailey) of Marmora. The old officers were re-elected for another year and it was decided to meet at Booster Club grounds, Crowe Lake, for next picnic. The afternoon was spent in friendly intercourse by some, and two well-contested ball games as well as races and peanut scrambles for the kiddies. Guests were present from Saskatchewan, Peterboro, Marmora, Harold, Stirling and Eldorado.

HEY! MINTO!

Someone page Mr. Neil Bedell, of Minto? A Belleville resident has stolen the woodchuck limelight, according to the following article: "Platinum-blonde woodchucks have joined the list of animal and bird oddities in this district. The new entry comes on the spurs of robins of the same hue reported here in April. Motoring near Belleville, Fred Wilkes came upon this stranger in woodchuckdom sitting at the side of the road. It was pure silver-white, the platinum shade relieved by a tiny black nose and paws". The News-Argus is under the impression that this groundhog has strayed from Mr. Bedell's domain at Minto.

Goes To Grimsby District

Mr. John Villetorte, who has been engaged as engineer by the Ontario Department of Highways, on the new Trans-Canada highway, in the Kaladar section, near Tweed, which is completed, has been transferred to Grimsby district to take charge of a new highway in that section. Mrs. Villetorte and Dorothy Jeanne will join him next week.

CURRENT COMMENT

Stirling's Civic Holiday will be observed on Monday, August 1st.

Goderich Star—A man has about as much chance of securing a loan at a bank these days as has the Toronto ball club of winning the International League.

Lieut. Desmond Burke is again one of the leaders in the competition for the King's Prize at Bisley. Men of this type make splendid representatives of Canada..

Students of education have come to realize in recent years that there is no end to the possibilities of educational effort. Training for life is a lifelong process.

One thing the depression has done—it has brought some reckless spending to an end, but will we forget our lesson when better times come again

A prominent surgeon in the United States, claims that the human body is worth 67 cents. We wonder how he would explain a doctor and hospital bill for $500 worth of repairs on a 67-cent machine?

It is only too true, as the Kingston Whig-Standard expresses it, that we have not yet learned to enjoy the invention of the automobile without paying heavily in the sacrifice of human lives.

There are a number of old cars being operated in these hard times. One way for a motorist to keep the "old can" from being stolen is to insure it and leave it unlocked and hope for the worst.

An English author claims that the modern women prefer the brutal men. If the evidence in United States divorce courts, not so much in Canada, is to be taken as truth, they often get them, whether they prefer them or not.

Commencing this week the eyes of the world will be on Ottawa, where the Imperial Conference is in session. It is to be hoped the assembly of the noted economists of the British Empire will result in a "boom" for Canada and her sister countries.

Oshawa Times—Premier Taschereau complains that Quebec was not consulted on the seaway agreement. If memory serves us correctly, we are inclined to think that he was consulted fairly regularly until he flatly opposed the whole project.

A Toronto citizen who has just returned from a tour of England, claims that Canadians have talked themselves into a worse depression than really exists. He claims in England the people are heavily taxed, but are still optimistic. We wonder if people would adopt the slogan "Down with Depression" if good times would return with a rush?

The Ailsa Craig Banner, Western Ontario, has ceased publication for the month of July and in making the announcement last week, the editor points out that lack of advertising in the columns of the paper has been responsible for the holiday. The lot of the weekly paper is becoming increasingly difficult.

According to Saturday's press reports Premier Bennett refused to meet the Farmers' delegation which journeyed to Ottawa to place their problems before him prior to the Imperial Conference. It seems impossible to believe that the premier turned a deaf ear to the workers in Canada's basic industry. It is high time the government realized that the farmers cannot be ignored and it is to be hoped the tillers of the soil will stick together in their demand for just recognition.

Aroused by the large number of fatalities which have occurred when trucks have been engaged to transport picnic parties, the department of highways has placed a ban on the practice of hiring trucks for this purpose, Hon. Leopold Macauley, Minister of Highways, has announced. Transportation of people will be confined to vehicles licensed for this purpose, the minister stated. "While it is perhaps somewhat of a hardship to deprive people of the cheapest transportation available, public safety demands this provision," said Mr Macauley.

Picnic time is here. If you want to use a bit of woodland or pasture for a picnic, ask the owner's permission first, and then leave the place as you found it. Such advice is both reasonable and seasonable. It is a common failing to be careless about the property of others. To enjoy the delights of a wayside beauty spot, and to leave it littered and untidy for the owner and for others, is selfish and inconsiderate. In seeking re creation, and in enjoying leisure, it is never amiss to recall and practice the Golden Rule.

Toronto Mail and Empire: "We note with regret the continued disappearance of weekly newspapers from the smaller centres of Ontario. They have played a worthy part in the development of the province, particularly in the development of municipal institutions. They have been conducted by men of high standing in their respective communities who have made their influence felt far beyond the places of publication. These papers have always been welcome visitors to the large dailies, and they have contributed to a broad and sane view of provincial life which is apt to be overlooked in the bustle of the big city. The disappearance of some and the amalagamation of others in the same town have been due largely to the improvement of highways and the extension of the rural routes which have opened a wider field for the city dailies, the increasing cost of production and in some cases to lack of support from local people."

Farmers Fighting Depression

The long drought is broken on the prairie, the mixed crops of Ontario are universally excellent and the approach of harvest finds the farming community of Canada, with heads up and confidence in the future. The farmer's buying power has not depreciated nearly as much as some people think, in spite of low prices for his produce, and this especially true in Ontario according to Hon. T. L. Kennedy, minster of Agriculture for this Province. Hon. Mr. Kennedy, in a recent public address, cited the prompt payment of farm mortgage money as proof. The Ontario Government, he said, held a million dollars in farm mortgages, principal and interest, that was about due. Before the due date, $600,000 was paid, all in cash. As a further indication of the stability of farmers' finances, he mentioned the large holdings of Victory bonds and the increasing total of bank deposits.

Correspondents and Weekly Paper

"Seven of the communities have been represented every week by correspondence so far in the year 1932, while there were others well up to it," says the Barrie Examiner commenting on a recent meeting of its correspondents. The same could also be said of a number of correspondents to the News-Argus which has some splendid correspondents to bring the happenings of their community to its readers. Said Mr. Roy Sayles in reference to correspondents at that meeting "It ought to be a source of pride to a community to have a good newspaper representative for the correspondents keep before the world the community represented." He also said that if he were a business man in a town the first part of the paper he would read would be the budgets of news from the district corpondents which enable him to keep closely in touch with what the people in his territory are doing. Every newspaper appreciates the good service rendered by its correspondents who go to considerable trouble to obtain the news of their community and present it through the paper in an interesting manner, and every district should lend its cooperation to its representative in his or her work.

SEND IN THE NEWS

To ensure publication of news in the News-Argus please send it in as early as possible. As a result of a rush of news on the last day or two before publication, it is often necessary to cut down the length of items and impossible to get many of them in. Will rural correspondents, especially, please send in budgets of news early. Rush reports of important events, all meetings, concerts, etc. All readers invited to send news. Please sign name. It will not be published. Envelopes left unsealed and marked printer's copy require only a one-cent stamp.

CHEESE PRODUCTION

(Peterboro Examiner)

The fact that Eastern Ontario was far in the lead last year so far as the production of cheese was concerned is not as satisfactory as it would be were it not that official reports show that the palm for quality was won by the western part of the Province.

Eastern Ontario in 1931 produced 674,499 boxes of cheese, as against 186,622 boxes for Western Ontario and 4,215 boxes for Northern Ontario.

The percentage of cheese grading special or first in Western Ontario was 98.08, but in this section of the Province only 94.09 of the cheese produced was graded as special or first.

For our own county, the percentage of first or special cheese was a little higher than the average for Eastern Ontario, but well below the Western Ontario average.

Peterborough County produced 10,471 boxes last year with a 94.8 percentage of first quality cheese.

It is worthy of note that, although Brant County is credited with a production of only 513 boxes, every box was graded special or first, the only County in Ontario to show 100 per cent. in this respect.

The importance of improving the quality of the cheese produced in Eastern Ontario should be obvious; unless the product is consistently of high standard we cannot hope to get our proper share of the British market.

WAITING FOR THE U. S. ANSWER

(Oshawa Times)

The agreement which has been made at Lausanne for the ending of German reparations has now turned out to be less effective than was at first intimated. In fact, it is hardly a settlement at all, because it is conditional upon the United States agreeing to revise the schedule of war debts owing to her by the countries of Europe, including Great Britain.

This revalation, made in the House of Commons by Premier Ramsay MacDonald, changes the aspect of things considerably. As we said in these columns a week ago, the time is not propitious for securing any concessions from the United States. With an election in sight, the government will not be anxious to do anything about the debt situation until after the new president is elected. And, in the meantime, there is a possibility that pledges will be demanded that nothing will be done to reduce debt payments into the United States treasury.

Europe, however, has put the situation fairly and squarely up to the United States. Since the Lausanne agreement is conditional upon the attitude of that country, the world will wait with some anxiety for its answer. If the United States government is really concerned about correcting the world's economic and business ills, and at the same time its own, then there will be a prompt and affirmative response to the question of whether or not war debts will be revised. Any other answer would brand the United States more emphatically than ever as the Shylock of the 20th century.

THE OBITUARY COLUMN

(Bowmanville Statesman)

Recently a middel aged lady who lives in western Canada and was visiting in Durham county remarked to the editor, "When I die I would like to be living in Bowmanville so that my obituary would appear in The Statesman, as you always write such nice things about people who die."

That brought to mind a discussion a man broached recently about what interests people in the newspapers in which he said: "When a man gets to be about firty-five years old he discovers the obituary column."

He was not a gloomy minded person, but he has always thought more or less about death. The attitude of a large portion of the human race toward it seems infantile and silly.

It itsn't a pleasant subject, but certainly it is an inevitable one. Why dodge and pretend and act like children. Said Caesar:

"Of all the wonders that I yet have heard,
It seems to me most strange that men should fear;
Seeing that death, a necessary end, will come when it will come."

All of which leads one to remark that there is a certain advantage in discovering the obituary column comparatively early in life. The tragedy is that some men never idscover it.

A tottering old millionaire, with one foot in the grave, will fight over a nickel, or try to beat down the price of a neck-tie.

I once read of a man who sought a contribution to charity from a wealthy man who was well over sixty and notoriously tight. He told all the reasons why he couldn't give up a cent, and as he warmed up to the subject he began to act as if the call were an insult.

Finally he was asked: "Why are you so mean? Why do you deny yourself pleasures and squeeze every nickel? It isn't your children's money, or will be in a few years. Why let them have all the pleasures? Why not have the fun of giving some of it away?"

This rude remark shocked him. It started a line of thought that made quite a change in his life.

We ought to say "As life goes I have maybe ten, fifteen, or, at the most thirty years. Therefore I ought to quit thinking—how much money can I pile up? and begin thinking—How can I be sure to do all the things I want to do, see all the places I want to see, and leave behind me a reputation for having been a reasonably good and generous individual?"

It would help if the paper would print at the top of the obituary column this quotation from Rosseau:

"The dead take to the grave, in their clutched fingers, only that which they have given away."

Local and Personal

Mr. A. R. Girdwood, B.A., of North Bay, is here on a visit to his parents.

Mr. J. S. Linn, of Minneapolis, Minnesota, is here visiting relatives and friends after an absence of ten years.

A fatal accident occurred on the railway between here and Campbellford on Friday last. Mr. Hutchins, a farmer of Seymour township, was walking on the track when he was overtaken by the special train carrying the Orangemen to Peterboro. He was struck by the train, which afterward stopped, and taking him up carried him to Campbellford. He was taken to a doctor's office and died soon after.

At the Stirling Cheese Board on Tuesday 860 boxes of cheese were offered. The sales were 245 at 12 5-8 cents and 615 at 12 9-16 cents. At the Belleville Cheese Board on Saturday nearly all the cheese was sold at 12 9-16c.

Miss Verna Free, of Campbellford, has received a very good offer from Bridge St. Methodist Church, Belleville, to sing as the leading soloist at both Sunday services. We understand that Miss Free will accept the offer.

Johnny's mother was unable to attend church one Sunday morning, but gave Johnny particular instructions to remember the preacher's text. When Johnny returned from church his mother asked him to repeat the text.

Johnny—A hawk between two pigeons.

Mother—Why Johnny, that can't be correct.

So she called the minister and his text proved to be: "Why halt ye between two opinions"?

FARMERS BOOED AT GOVERNMENT

Ottawa—On Saturday 2,000 farmers, under the leadership of the United Farmers of Ontario, stormed Ottawa and held a mass meeting. They hissed, booed and jeered and made an emphatic demonstration when a committee advised them that the Prime Minister declined to attend.

Last month J. J. Morrison, secretary of the U.F.O., wrote to Mr. Bennett asking for an appointment for a delegation. Mr. Bennett replied that he would be willing to receive a small committee on Saturday, July 16—that first the organization's representations should be sent to him in writing, so that they might be submitted to the Imperial Conference, and after that, the committee might supplement these recommendations.

Mr. Morrison thanked Mr. Bennett for the appointment — and then a "small committee" of 2,000 went to Otawa. Instead of sending a limited delegation to supplement the representations duly made on June 25, in writing, the mass meeting was called and despatched H. Lindsay, director of the U.F.O., as spokesman, with a number of others, to "request" Mr. Bennett to appear before the mass meeting.

Mr. Bennett, in the thick of intensive preparations for the Imperial Economic Conference, due to see Lord Rothermere on an appointment made three weeks ago by wire, and with British and Irish delegates arriving, received Mr. Lindsay and his confreres, with Hon. Robert Weir, Minister of Agriculture. The Prime Minister courteously but very firmly rejected the request that he attend the mass meeting.

STIMULATING WORK

(Financial Post)

A Farmer whose labor makes him only four to seven cents an hour, cannot purchase goods that cost $1.25 an hour in the making. He cannot afford to have his machinery repaired at any such price. This view was presented by Dr. Christie, president of the Ontario Agricultural College, last week, in showing why conditions were not improving. He said that the Imperial Conference would not solve all of our problems. There would have to be a bringing down of city wages to the level of farm wages. All practical economists will agree. So does thoughtful labour, which is today glad to find employment at 50 cents an hour, where the nominal scale is $1.25 and $1.50. On that basis, with the much lower cost of living, and the cutting out of extravagce and with steady employment, mechanics, particularly in the country towns, are getting on as well as they did before the war.

WEST HUNTINGDON

Most of the farmers will finish haying this week. Now the rye and barley harvest is on and oats are beginning to ripen.

Mr. and Mrs. Sandy McCurdy and family attended the Rollins picnic at Madoc on Wednesday.

A farewell surpise was given to Mr. and Mrs. Earl Snyder on Thursday evening. They were presented with a library table. Mr. and Mrs. Snyder are moving to Zions Hill.

A special meeting of the Quarterly Official Board of the United Church was held here on Monday evening.

Mr. Kenneth McGowan of Rochester is spending a few days with his parents, Mr. and Mrs. Jas. McGowan.

The Endeavorers class met at Mr. Clayton Wright's on Tuesday evening.

Mr. and Mrs. Geo. Holden and daughter, of Calgary, Alberta, motored here last week. They were ten days covering a distance of 2700 miles.

Mr. Samuel Fargey has taken over his farm, lately occupied by Mr. Austin Ray.

A cottage prayer meeting was held at Mr. Jas. McGowan's on Tuesday evening.

Mr. and Mrs. Sexsmith called on Mrs. M. A. Adams one day last week.

Four more telephones were disconnected this week.

Mr. Volnley Reid, of Hamilton, is visiting his brother, Ed. Reid.

Congratulations to Mr. and Mrs. C. Donaldson (nee Margaret Kingston) on the arrival of a daughter (Joyce).

Mr. Melville Reid was called to Niagara on Saturday owing to the serious illness of his mother.

FULLER

July 12th passed quite quietly in this burg. Some of our people went to Wellmans, while others journeyed to Cooper. It was an ideal day.

Congratulations to Mr. Ivan Rollins, who successfully passed his Entrance examinations.

These are days of surprises, and Miss Mary Dean was decidely surprized on Saturday evening. Oh, well we all extend sympathy, but then you couldn't blame the dog for wanting a nice, sweet, juicy bite. Glad it was not very serious anyway. After some medical advice she is quite herself again.

The shingle men and workmen journeyed to the north country one day recently where a quantity of work in that line is waiting.

Mrs. Clinton Bird and children, of Holloway visited Mrs. Frank Palmer on Friday.

We see a few berry pickers out, but berries seem somewhat scarse in this locality.

Mr. and Mrs. John Geen spent Sunday afternoon with Mr. and Mrs. Wesley Parks of Plainfield.

A number throughout the adjoining districts are having phones disconnected. The question arises—would the Bell Co., as well as other lines not be farther ahead to drop the price somewhat, thus making is possible for all to keep them. Let us hear what someone else's ideas are on this question. Something may yet be done. Are not the prices on all other lines down?

Our new mail carrier, Mr. T. Fleming, is not a stranger to any on the route, but we are somewhat strange in getting used to him, having had Mr. John Clements for a period of seventeen years. We are indeed sorry that ill health has come to him as he was a friend to all. We hope that before long he may be restored to perfect health again.

The regular meeting of the W.M.S. was held at the home of Mrs. Archie Jones on Wednesday evening, with Miss Bessie Hollinger as leader. Opening hymn No. 225, followed by the Lord's Prayer in unison. Scripture lesson was read. Keyword "Blessed". Reading by Mrs. Jones, entitled "Do you think I would sell my soul for seven cents?". This was interesting and very helpful, showing us how we could sell our souls for a very little act. Solo by Mrs. Rutter in her capable manner. Prayer by Mrs. Burke. Reading by Mrs. Palmer. Watchtower by Mrs. Geen and Mrs. Burke. Collection $1.10. Closing hymn 154, followed by Benediction, after which a very dainty llunch was served. Next meeting to be held at the home of Mrs. E. Mitts.

IVANHOE

Mr. and Mrs. G. R. Mitz and Mr. and Mrs. Berson Mitz and family of Marsh Hill were Sunday guests of Mr. and Mrs. C. A. Mitz.

Mrs. G. R. Mitz returned home on Sunday after spending a few days with her daughter, Mrs. S. D. Prest.

Mrs. Albert Tummon of Trenton, who has been staying with her sister, Mrs. Cora Prest, since the death of her mother, a short time ago, returned to her home last week. Another sister, Mrs. Fred Stout, of Washington, D.C., is still here.

Mr. and Mrs. Prest, of Sidney, visited at Mr. Arthur Hagerman's on Sunday.

Mr. Percy Wood and his friend, Mr. George, of London, are sepnding a two weeks' holiday at Mr. John Woods', and visiting other relatives here.

Mr. and Mrs. Gerald Reid, Mr. and Mrs. Ed. Blakely and family, of Thomasburg, and Mr. and Mrs. Stevenson of Thurlow were Sunday guests of Mr. and Mrs. Reg. Reid.

Mr. Warren Arbuckle has opened up a bakery here and is doing a thriving business. We wish him every success.

MADOC JUNCTION

Mrs. William Fitchett, of Stirling, spent a few days at the home of her son, Mr. Clarence Fitchett.

Rev. C. A. Sales preached here on Sunday. Members of the congregation cordially welcomed Mrs. Sales. Rev. Sales' text was taken from Matthey 22:5; "and they made light of it." After the sermon, Mrs. Russell Stapley sang "O love that will not let me go."

Mrs. Nathan Eggleton visited her sister, Mrs. Geo. Gay on Sunday evening.

Mr. and Mrs. Douglas Stapley spent the week-end at Tweed visiting the latter's parents, Mr. and Mrs. Chas. Jeffrey.

Rev. Mr. Sales made a number of calls through this neighborhood on Thursday. He spent he dinner hour with Mr. and Mrs. Clarence Fitchett.

Mr. and Mrs. George Eggleton motored to Yarker on Sunday and were guests of Mr. and Mrs. A. W. Andrews. Mrs. Ethel Danford, of Belleville, accompanied them.

The W. M. S. held their monthly meeting at the home of the oldest member, Mrs. George Clarke on Thursday last. The program was along Temperance lines, conducted by Mrs. Oliver Stapley. The next two meetings are to be held at the church, owing to the warm weather. Mrs. Clarence Fitchett will have charge of the program.

Miss Keitha Stapley is spending a few days in Stirling with her grandmother, Mrs. Jos. Bronson, who is quite ill.

The young ladies here have organized a softball team and we understand they have a very lively time. One young lady has a sore thumb to her credit.

Mr. and Mrs. Lindsay Tanner, of Harold were Sunday visitors of Mr. and Mrs. Milton Reid.

Here and There

Four guests at the French River Chalet Bungalow Camp recently brought in four muskies totalling 73 pounds, of which the largest weighed 26 lbs. and the smallest twelve. Fishing at this popular resort is most successful this season, and there will be keen competition for the Canadian Pacific trophy.

Native Sons of Glasgow enroute to the big Convention of their Association at the Scottish city have been travelling across Canada via Canadian Pacific Railway from Victoria and points in Western Canada, Ontario and Quebec, for the sailing of the "Duchess of Bedford". Members will gather from all over the world for a monster celebration July 15-22.

John Findlay, who is by way of being the all time big game hunter of the world, arrived at Vancouver recently aboard the "Empress of Russia", enroute to England "for a little rest." He adds to his big game hunting the disciplining of Malay head-hunters, who disregard the white man's laws. "One raid we made," said Mr. Findlay, "left a trail of twenty dead men."

Canadian Pacific low rate bargain return trips, which have been a very successful feature of the company's operation this year, will include one to the Maritime Provinces July 22, when Nova Scotia and New Brunswick will be covered in round trips to take in most of the show places of the two provinces. The trip will be varied by a sea passage in the fast new steamship "Princess Helene" across the Bay of Fundy to the Land of Evangeline.

A hole-in-one, though rare, is not unique, but when it is made by a lady and for the first time on the course it rates a headline. This was done by Mrs. Guy Lapraik on the 150-yard par three hole at the Canadian Pacific Recreation Club Course at Sortin near Montreal recently.

Favorable development of this year's crop on the prairie provinces is noted by the Canadian Pacific Railway's weekly report issued recently by the Agricultural Department in Winnipeg. Most of the wheat in Manitoba and Eastern Saskatchewan is headed at an average height of two feet, and elsewhere ranges between advanced shot blade to headed stage. Hail loss has been only local and in scattered districts.

SPRINGBROOK

Last Sunday was Decoration Day of the Oddfellows' Lodge No. 429. The members met at the hall and then marched to the church, headed by the Marmora brass band, where Rev. H. A. Bunt preached a very impressive sermon and spoke of the meaning of the three links, the emblem of the Order, as being "Friendship, Love and Truth". A large number were present. After the service they proceeded to Mount Nebo and decorated the graves of their dead brethren.

Mr. and Mrs. John Webb, of Cannifton spent Sunday with friends and attended the Decoration service.

Mr. and Mrs. Boulter Johnson and family, of Minto, spent Sunday at Mr. Percy Bateman's.

Mrs. Will McMaster and children of Finch are guests of Mr. and Mrs. John Forsythe.

Mr. Wesley Mason of Lindsay was a guest of Mr. and Mrs. Jeremiah Wilson on Sunday.

Mr. and Mrs. Tom MacConnell spent Sunday at Crookston at the home of Mr. and Mrs. Walter Bronson.

Mr. and Mrs. Norman Ray were Sunday visitors at the home of Mr. and Mrs. Charles Mumby, of Harold.

Mr. Tom Lytle spent the week-end in Toronto with friends.

Mrs. Francis Reid and baby are spending a week at Tweed with her parents, Mr. and Mrs. Ed. Barry.

Mr. Sam McComb is improving the looks of his house by putting up a new verandah.

Mrs. Sid Curtiss and children, of Winnipeg are spending a couple of weeks at the home of her brother, Mr. W. A. Bateman.

Mr. and Mrs. Will Johnston, Helen, and Mr. and Mrs. Wilfred Johnston paid a short visit to Mr. and Mrs. C. Lough on Monday evening.

Mr. Wesley Thompson, of Saskatchewan is spending his holidays at the home of his father, Mr. T. J. Thompson.

Mr. and Mrs. A. H. MacConnell and daughter, Marian, were guests of Mrs. C. A. MacConnell on Sunday.

Mrs. Leslie DeWitt and daughter Dorothy, of Rochester, spent a couple of days last week at the home of Mr. W. F. Bateman.

CARD OF THANKS

The family of the late Henry A. Hoover desire to thank their friends and neighbors for the many kindnesses extended them in their recent bereavement.

IN MEMORIAM

NIX—In loving memory of my dear husband, Bertrum Nex, who passed away July 20, 1932.

In the lonely hours of thinking,
Thoughts of you are always near;
We who loved you, sadly miss you—
As it dawns another year.

Sadly missed by wife and family.

HAROLD

Messrs Geo. Bailey, Harry Heath, Geo. Johnston and Geo. Watson spent Wednesday in Kingston attending Grand Lodge.

Routley Construction Co. have completed their contract of crushing rock and are making ready to move to another location. Some of their men have already gone.

Miss Cora Bailey is holidaying at her home here. She has accepted a school near Pontypool for next year.

Miss Gertrude Heasman, Toronto, is spending a few days at her home here.

Mr. and Mrs. Roy Bush and children spent Sunday with Mr. and Mrs. Sheldon McIntosh, Stirling.

MRS. F. DAVEY DIAMOND

Mary Elizabeth Diamond, wife of F. Davey Diamond, District Inspector of the Belleville Division of Weights and Measures passed away on Tuesday morning at her late residence, 250 Foster Ave., that city, after an illness of some duration. The deceased was a daughter of the late Robert M. and Ellen Clarke, and had resided continuously in Belleville. In church life she was associated for a number of years before her illness as a teacher in the Sunday School, and a member of the choir of Bridge Street United Church. Besides her sorrowing husband there are left to mourn her loss, one son, W. Clarke Diamond, druggist, of Hamilton; one daughter, Mrs. A. A. Branscombe, of Picton; one sister, Mrs. J. P. Burke, of Belleville; three brothers, W. P. Clarke, and H. J. Clarke, B.A., of Belleville, and R. E. Clarke, of North Carolina.

Miss Olive Stiles spent a few days with Mrs. A. C. Waymark, in Havelock.

Several of our girls spent Monday in Stirling.

Mr. W. S. Stiles returned home on Saturday from Belleville Hospital.

Mr. and Mrs. J. S. McKeown and family, Mr. and Mrs. John McKeown spent Sunday with Mr. and Mrs. W. Allan.

Mr. Purvis Allan is home from the West on a short visit with his friends.

Several of our young people attended the shower in honour of Mr. and Mrs. Jas. Morrison at the home of Mr. Allan Morrison on Thursday evening.

Mrs. Elmer Cotton returned home on Sunday.

Miss Jean McInroy is visiting her aunt Mrs. Bristol.

Several attended the wedding of Miss Helen Bateman and Mr. Grenville Meiklejohn on Thursday in the Springbrook church. The bride and groom left by motor for a two-months' trip in the West.

Here and There

Premier Gordon S. Harrington, of Nova Scotia, has returned from his trip to Europe by the Empress of Britain.

Growth of all crops in western Canada is now vigorous and well advanced for the time of year, according to the latest weekly survey made by the Canadian Pacific Railway's agricultural department, and crop prospects in the West as a whole are encouraging.

Members of the British party touring the Dominion under the auspices of the British Columbian Government, arrived at Montreal aboard the Duchess of Bedford, travelled across Canada by Canadian Pacific rail and lake steamship, stopped over at Banff and will spend between [illegible] and July 1 in British Columbia.

Delta Gamma, one of the most important Greek Letter organizations on the continent, is holding its annual convention this year at the Empress Hotel, Victoria, June 27-July 1. Stopping over at Banff, a Canadian Pacific special will carry delegates to the Pacific Coast from Chicago, while Canadian members from Montreal, Toronto and Edmonton will join the main group at Victoria.

If early promise is fulfilled, the Annapolis Valley should this year produce an even larger yield of apples than in 1931 when the total crop was close to a million and three-quarters barrels, is the opinion of leading fruit men of Kentville, N.S. The bloom this year lasted over ten days and attracted visitors by the thousand from Eastern Canada and the United States.

Miss Constance Regan, Middleburg, Va., established a record for women anglers on the Tobique River, New Brunswick, recently, when she took a 27½ lb. Atlantic silver salmon, the largest ever caught with a fly by a woman on that river. The record salmon taken in those waters by a male angler weighed 33¼ lbs.

Canadian Pacific standard time is standard time the world over. Prior to 1883, every town and city had its own local time, based on the sun, but in that year the suggestion of Sir Sandford Fleming, chief engineer of the Canadian Pacific Railway, that the world should be divided into 24 sections, one for each hour of the day, and that time within each of these areas should be standard, was adopted all over Canada and the United States. In 1884 the plan was also adopted in Europe after a conference held at Washington.

Gilbert Miller, architect, of Youngstown, O., has a grouch against windows and doors in office buildings and summer homes. He found both too narrow to admit a moose head with an antler spread of five feet five inches taken from a monster he shot near St. Jovite last season. "It looks," he wrote to A. O. Seymour, general tourist agent, Canadian Pacific Railway, "as though both the head and myself will end up in the garage." But that is the kind of trophy to be got in the forests of Quebec. Big heads and lots of them. (849)

MENIE

Miss Mackay and Mr. Perry, of Toronto are visiting with Rev. Mr. H. Shaw.

Reta and Reginald Nix, of Brighton are visiting with their grandparents, Mr. and Mrs. Stapley Nix.

Mrs. W. J. Brady of Trenton spent a few days of last week with Mr. and Mrs. John Thompson.

Msis Evelyn Atkinson entertained a number of girls to a birthday party on Tuesday last.

The Menie boys were defeated on Thursday evening by the Petherick's Corners boys.

Mrs. Raymond Dunk is confined to her home with measles.

Misses Enid Hay and Florence Rannie are holidaying with Mr. and Mrs. Alex Milne.

Mr. Geo. Thain, of Campbellford, and Henry, visited Mrs. Eggleson on Thursday last.

Mr. and Mrs. George Ketcheson, of Sidney, spent Sunday with Mr. R. C. Ketcheson.

Messrs Lorne Wallace and Bill McCrory spent July 12th at Frankford.

The road gang are camped in Mr. Andrew Milne's field.

Considerable work is being done on the roads here.

A number from here attended the shower for Mr. and Mrs. Harry Stephens of English Line, on Friday evening.

Congratulations to Mr. and Mrs. Albert Hay—It's a girl.

Donald Walker is spending his vacation with Mr. and Mrs. Jack Rannie.

Pitching airtight ball after the second inning, Cliff Anderson, star hurler of the Seymour West outfit, completely subdued the Menie batters in the Saturday evening league fixture at the high school grounds, and with his team mates batting heavily, won out by a score of 18 to 5 in five innings. Too much credit cannot be given the pitcher for his fine showing, as his fielders were given little chance to work. Though his control was not the best, as he walked seven and had one wild pitch, he was only in difficulty in one inning, and struck out seven Menie batters. The line-ups were:

Seymour West—C. Anderson, Jr., p; Kelleher, c; McArthur, 1b; C. Fraser, 2b; Fairman, 3b; C. Anderson, Sr., ss; McCulloch, lf; Nicholas, c.f.; Hooper, r.f.; A. Fraser, sub.

Menie—Eagleson, p.; Wallace, c; W. Craighead, 1b; Whitton, 2b; Malcolm Hutcheon, 3b; D. Craighead, ss; Murray Hutcheon, lf; D. Milne, cf; K Milne, rf.

Umpires—Donald, Kerr, Farrell.

CARMEL

Messrs John and George Carlisle joined the farmers' Excursion at Belleville and spent the week-end at Ottawa.

Mr. and Mrs. L. Carl and family, Oshawa, visited Mr. and Mrs. A. Brown on Sunday.

Mr. and Mrs. Harry Potter, of Southampton and Mrs. R. Potter visited the former's sister, Mrs. E. Pyear a few days this week.

Mr. and Mrs. A. Brooks and family spent Sunday with Mr. and Mrs. A. Tanner, Actinolite.

Mr. and Mrs. A. W. Mairs, Sulphide, spent the week-end with relatives here.

Mrs. J. Foreman took tea on Sunday evening with Mr. and Mrs. M. Hagerman.

Mr. and Mrs. Clinton Woodbeck and two children, of Flint, Mich., spent a few days with Mr. and Mrs. C. Hoard.

Mr. and Mrs. Walter Fox and daughter, of Trenton, visited their niece, Mrs. L. Bird, on Sunday.

Mr. J. Grills and family spent Sunday with the former's parents, English Line.

Mr. and Mrs. Arthur McConkey, of Consecon, spent the week-end with the latter's parents, Mr. and Mrs. S. Holden.

The Ladies' Aid met at the home of Mrs. Lewis Bird on Thursday afternoon. After the business meeting a contest was conducted by Mrs. A. Brooks and a reading was given by Mrs. A. Pyear. Mrs. Bird served a very dainty lunch.

PETHERICK'S CORNERS

The regular League meeting was held in Zion United Church on Thursday night last week. The roll call showed an attendance of sixty-five with the "Ford" group still in the lead. Lindsay Anderson, convenor of the Missionary Department, was in charge of the program. A special feature of the program was an address on Palestine by Mr. Lewis, of Campbellford, speaking mostly of Jerusalem, as it is today, and the things he saw while he was there. This address was very interesting. Mr. Lewis also rendered two very beautiful piano solos; also a duet given by Helen and Evelyn Barnum was well rendered.

Our softball team defeated Menie team in a league game at Menie last Thursday night, the score being 9-19. If Petherick's team win next Saturday night from Seymour West, they will be in first place, but if not, all three teams will be tied.

Evelyn Barnum spent a few days the guest of Mr. and Mrs. W. Barlow, of Bonarlaw.

Petherick's ball team are expected to play a game with Bonarlaw at the Rylestane social this week.

Mr. and Mrs. John Meiklejohn held a family picnic at Crowe River Bridge on Monday evening to celebrate Mrs. Meiklejohn's seventy-sixth birthday.

Cobourg—Pleading guilty to a list of more than 20 thefts, Harold Black and Allan Morton were on Tuesday sentenced to 18 months in the Ontario Reformatory, while Harry Bramwell received 15 months on similar charges. On a charge of arson involving the burning of his home to collect insurance, Robert Morton was remanded until September 2. He pleaded not guilty to the arson count and to four charges of receiving stolen goods.

John Leslie Retires

1. John Leslie. 2. E. E. Lloyd. 3. L. B. Unwin. 4. E. A. Leslie

John Leslie, Vice President of Finance and Treasurer of the Canadian Pacific Railway, after more than 53 years of service with that Company and its subsidiaries will retire from office under pension rules, on July 1st, according to an announcement made by E. W. Beatty, Chairman and President. Mr. Leslie will be succeeded by Mr. E. E. Lloyd, presently Comptroller of the Company. L. B. Unwin, Assistant Comptroller, will be appointed Comptroller and E. A. Leslie, Assistant Comptroller, will be appointed Deputy Comptroller.

"The Directors and myself desire to record our appreciation of Mr. Leslie's long, loyal and efficient service", Mr. Beatty said in announcing Mr. Leslie's retirement. Mr. Leslie has given a lifetime to railway work in this country. He became a railroader as a boy of 16, when in March, 1877 he entered the service of the Toronto Grey & Bruce Railway, as a junior clerk in their Toronto office. He became Vice President and Comptroller, Montreal in January 1926, and Vice President in charge of Finance, and Treasurer on February 10th, 1928.

Mr. Lloyd, who succeeds Mr. Leslie as Vice President and Treasurer commenced his railroad career with the Canadian Pacific at Winnipeg in December, 1887, when he became a clerk in the Stores Department. He became Auditor of Stores & Mechanical Accounts at Montreal, in December, 1904; and after holding different posts in that department, became Auditor of Disbursements in March 1918; Assistant Comptroller in February 1921, and Comptroller in February 1928.

Mr. Unwin, who succeeds Mr. Lloyd, was first a clerk in the office of the Assistant Superintendent at Chapleau, Ontario, in 1908 and served at Chapleau, White River and Schreiber until the outbreak of the world war. He early answered the call to arms by enlisting in the first Contingent. Mr. Unwin was awarded the Military Cross, earned his majority, being demobilized with that rank in April, 1919. On July 2, 1926, he was made Assistant Auditor of Miscellaneous Accounts, and on February 10th, 1928, he was appointed Assistant Comptroller.

E. A. Leslie, who becomes Deputy Comptroller is a son of John Leslie, and followed his distinguished father into the service of the Canadian Pacific Railway Company. In 1912 he succeeded in winning a Canadian Pacific scholarship at McGill University, and became a student of transportation. He graduated in 1916 with a bachelor of science degree. Mr. Leslie immediately enlisted with the Canadian Artillery, and after serving in England and in France, was demobilized in May 1919 with the rank of Lieutenant. July of the same year found him back in harness with the Canadian Pacific as clerk in the General Managers' office in Montreal. Mr. Leslie was promoted to the post of Assistant Comptroller in February, 1929.

Five-Year Plan to Restore Butter and Cheese Industry

Toronto — Tackling a tremendous program of reorganization in the dairy industry of the province, leaders of agriculture in Ontario have pledged themselves to a five-year plan by which they aim to capture the cheese market in Great Britain.

Announcement of the revolutionary project was made Friday by Hon. T. L. Kennedy, Ministed of Agriculture.

Under the plan, Ontario cheese afctories, now totalling 774 will be reduced close to 150. This is to be accomplished by a process of amalgamations and elimination.

Some 20 new storage plants are to be created in a movement toward better grading necessary in building up the export business.

Every encouragement is to be offered farmers to ensure increased production.

According to Col. Kennedy, the plan will be carried out quietly, but energetically. . It carries the endorsation of the entire Ontario Cabinet and is announced after a full year of consideration by the department in conjunction with the Ontario marketing Board.

The plan in brief as outlined by Col. Kennedy is to place the manufacture and sale of cheese and butter on a huge co-operative basis, reduce the overhead by the elimination of small factories, increase the volume of milk production, create central storage houses and build up a selling organization.

"Such a scheme has never before been attempted in the history of this province," said Col. Kennedy when interviewed at Parliament buildings. "In England there is a market for Ontario cheese which in the matter of volume we have never been able to satisfy. We proposed to fill that market as well as the domestic market by a plan which in my opinion will revolutionize the entire dairy industry."

There are 774 cheese factories in Ontario. The greater proportion are small in size with a limited output. The Government's plan calls for an amalgamation of many plants until there are about 150 large factories in operation. By amalgamating their resources, it is hoped, the farmers will produce butter and cheese at three cents per pound less than heretofore. The next move in the five-year plan is to stimulate production, a purely provincial matter, in the opinion of Col. Kennedy. An increased production per cow means so much more profit for the farmer and if the plan works out successfully in its essentials, the farmers will profit to the extent of many millions of dollars.

The third step will be the creation of about 20 storage plants in various parts of the province, similar in principle to the storage plants erected for the fruit industry. When Col. Kennedy became Minister of Agriculture condition in the fruit industry particularly in production and sale of apples, lacked system. Establishment of cold storage plants, a proper system of grading and the use of a distinctive trade name were effected with the result that Ontario apples now command a premium on the overseas market and apple growers are reaping to the full the benefit of these moves.

Now the department proposes to adopt a similar principle in the much bigger field of dairying which is looked upon by Col. Kennedy as the backbone of agriculture in Ontario.

The average production of butter in Canada per creamery is 142,000 pounds per year, according to 1930 figures. The average production per factory in New Zearland is 1,090,000 pounds, in Denmark 340,000 pounds and in Australia, 1,458,000 pounds.

In 1930 Ontario Cheese factories each produced 84,000 pounds, while in New Zealand the average production per factory was 511,000 pounds. If by an amalgamation of factories and creameries and a greatly increased production, the average production of both cheese and butter can be stepped up to twice its present volume, the producers will effect a tremendous saving in cost of production and will be in a position to compete with products from other countries. At the present time, the exchange rate on the Canadian dollar is a handicap, but the minister of agriculture holds the view that this is a temporary matter and will not obtain for any considerable length of time.

Twenty-five years ago Ontario produced cheese to the value of $35,000,000. Today the value of the production is in the neighborhood of $10,000,000. Butter value is $20,000,000 annually, about the same as it was a quarter of a century ago.

By reducing the number of cheese factories to approximately one-seventh the present number, large economies will be effected and the farmers will be encouraged to increase their volume of milk and obtain a higher percentage of butter fat content. One result of the plan, according to Col. Kennedy, is that it will put a stop to the flooding of Toronto and other large centres with milk. This milk will go instead into the cheese factories and creameries.

The St. Lawrence Waterway Project

After many years of discussion, investigation and negotiation, the governments of Canada and the United States are at last ready to sign a treaty providing for the construction of the St. Lawrence Deep Waterway, with the power projects allied with it. The treaty has been signed, engineers will start on preparations for the actual commencement of work on the project.

This is a splendid piece of news, particularly for the towns and cities which have harbors on the great lakes. It is a splendid piece of news for those who have been suffering from unemployment, for it promises to take care of a huge army of workers for a period of seven years. In these days when employment is hard to find, an announcement of this kind is bound to create a new feeling of public optimism, even although it may take twelve months to get the actual work under way.

The financing of the waterway scheme involves a large amount of money. It is estimated that it will cost in the neighborhood of $800,000,000. Of this sum the Ontario government will have to provide between $70,000,000 and $80,000,000. The Ontario Hydro Commission may have to provide a further sum. But there is comfort for Canada in the fact that the amount expended on the Welland Canal, about $115,000,000, will be credited to this country in the apportionment of costs, and will lessen the burden on Canada. The total investment represents a huge sum, but those who have officially studied the whole project are satisfied that it is a sound investment, and one that will provide rich returns to both Canada and the United States, and to the province of Ontario.

The general hope is that work will be started at the earliest possible moment, on account of the stimulus that will be given to business in Canada. Not only will the employment situation be affected by the number of men required for the project itself, but the manufacture of supplies of steel, cement and other essentials to the work and the provision of the necessary equipment, will give many industries better business than they have enjoyed for some years.

To the many Lake Ontario ports, the signing of the treaty will bring nearer the dream of a waterway through which ocean liners can come to their very doors. This will mean much to industry and business in all these ports, and will bring them closer to their markets and their sources of supply overseas, all of which will be of inestimable benefit to this province.

Taking it by and large, the news that a treaty has been completed on this great project is the best news that has been broken in this country for a long time. This was reflected on the stock markets recently, and as the project develops, it will be reflected right back through the whole gamut of industrial life until it touches even the man who wields a pick and shovel. It has been a long time coming, but now that it has come, a more opportune time for the announcement could hardly have been chosen.

Canada and U. S. Agree

Washington—Canada and the United States on Monday morning agreed by treaty to the construction of the $800,000,000 St. Lawrence Waterway, in a brief ceremony of the State Department. Henry L. Stimson signed for the United States and Hon. W. H. Herridge for Canada.

Pending for eleven years this gigantic project calls for development of the St. Lawrence for a 180-mile stretch from Montreal to Lake Ontario, an eight-year task. It will enable ocean-going vessels to travel to to the heart of the continent, while at the same time provide up to 2,200,000,000 horsepower of electrical energy, to be divided by Canadian and United States sections bordering on the waterway.

It is now a binding agreement between the two administrations, but yet must be ratified by the legislative bodies of the two countries before going into effect.

HIGH LIGHTS OF THE SEAWAY AGREEMENT

Highlights of the projected St. Lawrence development follow:

Cost — Between $750,000,000 and $800,000,000.

Division—Equal apportionment with Canada being credited with $120,000,000 for existing deep canals and other navigational works.

Hyrdo-power—Five million h.p. will eventially be made available. In the international section 2,200,000; and in the Quebec section, 3,000,000. (The latter includes the Beauharnois development).

Power distribution—The international section development of 2,200,000 h.p. will be divided equally between Canada and the United States. Ontario will take all of Canada's share.

Navigation—The channel will be 27 feet deep.

Time—From the beginning of operations until the first power is delivered—three years. For completion of the entire deep water-way—seven years.

FORTY-FIVE YEARS OF PROGRESS

A forgotten artist, too modest to sign his name, and a second-hand dealer form the strange combination that brought to light one of the best examples of the growth of Canada's trade with the Orient. Forty-five years ago the first ship ever to fly the house-flag of the Canadian Pacific, a flag that has since found its way into practically every port in the world, set out from Port Moody, B.C. She was the barque-rigged steamer "Abyssinia" and, such a marvel was she that the modest artist referred to transferred her graceful shape to canvas with painstaking detail.

Another artist, chancing upon the picture, imposed it upon a photograph of the latest Canadian Pacific ship in the Orient trade, the magnificent Empress of Japan. They are shown above in exact proportion as they would have appeared passing each other on the broad wastes of the Pacific.

Some idea of the development of shipping in the 45 years may be gained by a comparison. The "Abyssinia" was 363 feet six inches long, 42½ feet wide, had a tonnage of 3,376 and a speed of 15 knots. The "Empress of Japan" is 670 feet long, 87½ feet wide, has a tonnage of 26,000 and, during her record-breaking passages between Vancouver, Victoria, Yokohama, Shanghai, Hong Kong and Manila has developed as high as 23 knots—more than half as fast again.

A strange coincidence is that the "Abyssinia" was chartered from W. G. Pearce, who later became the Fairfield Shipbuilding Company which famous Clydeside shipyard built the Empress of Japan two years ago.

CAMPBELLFORD

Mr. Claud Fairman has opened his new bakery on Bridge street, in the store recently occupied by Black's meat market. He has been in business for himself for about a year, previous to which he was on the staff of L. J. Stover, local baker.

Mr. Pete Garrison, of Oshawa, has been visiting in town.

Mrs. E. Dennis and son of Ottawa have been visiting Mrs. W. H. Ashton, Mrs. W. A. Johnston and son Jack at their summer home, near Stoney Point, Brighton.

The Campbellford Cloth Company's mill is now running at full capacity with both a day and night shift working. They have at present a large order for flannels.

The Rev. R. C. Tait has returned home from Seattle, Washington, where he was the representative for the Campbellford and other Rotary clubs at the International Convention. He conducted services in St. John's United Church on Sunday.

The First Campbellford Troop of Boy Scouts will not hold their jambouree scheduled for July 30 and 31 and August 1, as was previously arranged, but will combine with the First Stirling Troop at that place, where the jambourie will be staged on the same dates. A recent transfer to the local troop is Troop Leader Fred Horrocks of the 59th Toronto Troop (St. Leonard's).

Mr. Roy Relinger and his little brother Gerald, of Toronto, are spending their holidays at their father's farm in West Seymour.

Another good catch last week was made by Mr. Leo Bush while fishing at Trent Bridge, when he landed a five-pound pickerel measuring 24 inches in length. An ordinary hook and worm was the bait.

Mapor J. F. B. Belford, of Codrington was a business visitor to town on Saturday.

Mr. Howard Davidson, of Oshawa, and Miss Nellie Davidson, of Toronto spent the week-end with their parents, Mr. and Mrs. C. H. Davidson.

Mrs. William Brennan, of Haileybury, Ont., was a visitor to town over the week-end.

Again he fell and re-fractured the arm in the same place, says Bancroft Times. The injured member is very painful and it will be some time before he will be able to have it removed from the bandage.

Marmora—Serious injuries befell David Vansickle on Friday while helping Percy Carman of Marmora township draw in his hay. The slings broke, causing the load to fall upon Vansickle, knocking him unconscious for several hours. He received medical attention from Dr. H. Crawford who discovered on leg to be broken. The full extent of his injuries are not apparent.

London—With every possibility of a three-cornered contest the opening guns in the political battle in the South Huron by-election was fired at Hensall, Monday afternoon, when Liberal of the riding met to select a candidate to meet Conservative and Progressive nominees for the seat left vacant through the death of Thos. McMillan, former member of the Federal House for that riding. Conservatives held their convention on Tuesday and the Progressives on Wednesday.

Detroit—Gar Wood will make no attempt to regain the speed record for power boats set up on Monday by Kaye Don until after the Harmsworth trophy event with Don in Lake St. Clair here in September. Soon after Wood had given his boat, Miss America X. its first public trial in the St. Clair river near Algonac on Sunday, he learned that Don, driving his Miss England III on Loch Lomond, Scotland, had beaten his straightaway record by more than eight miles per hour.

Renfrew — James Fennesey, chairman of the Renfrew Police Committee, who has been much in the limelight in the recent probe into alleged irregularities in the administration of justice here, has been relieved of his office by an unanimous decision of the town council. On a resolution moved by Councillor Bolger, seconded by Councillor W. C. Millar, Mr. Fennessey's name was struck from the lost of the police committee, and W. R. Kirk selected to replace him. Mr. Fennesey himself was not present at the meeting.

Dozens of men driving husky teams hitched to scoops, assisted by other men with picks and shovels and snorting steam rollers dragging giant graders are hard at work just north of Foxboro, engaged in preliminary work on the construction of the Madoc-Foxboro highway. Owing to the difficulty encountered with conditions at this particular location it is not believed that a detour will be made here although men, horses and mechanical equipment on the road at present impedes traffic considerably. The greatest amount of work is being encountered in moving heavy boulders, made necessary by road widening.

Picton — John Wesley Storms, of Talbot Street, Picton, was found early Sunday morning, dead in his bed. Sometime during the night the unfortunate man had taken a dose of Paris green. About 5 a.m. he was discovered by his wife, and Dr. J. H. Boulter was summoned. He had then been dead some time. Coroner Dr. Whitecliffe deemed an inquest unnecessary after viewing the remains and reviewing the circumstances. The deceased it is understood of late has had some family troubles. He was 27 years of age and had been employed on the farm of Charles Walker at Picton. Besides the widow, one son remains.

Lakefield—Discharging a double-barrelled shotgun through his heart Walter Moore, 55, operator of Power House No. 3 of the Canada Cement Company, took his life in his lonely dwelling on the banks of the Otonabee River, about three miles below Lakefield early Saturday morning. Mr. Moore had been out of work since the power house closed down last December, and it is believed that despondency over a lack of money induced him to suicide. He came to the employ of the Canada Cement Co. from Meaford, Ontario, in 1927, and had lived alone with his wife in his home which is situated near the power house.

Luss, Loch Lomond, Scotland — Kaye Don, British speed boat racing king, on Monday won back for England the world's water speed record, setting a new mark of 119.81 miles per hour, the average of two runs over the mile course on Loch Lomond in his boat, Miss England III. The new mark tops by more than eight miles an hour the previous record held by Gar Wood, of Detroit. Wood's record, set in Florida waters, was 111.726 miles. Don broke the record twice in two hours on Monday. On his first run, made shortly after 5 a.m. he roared over the course, a mile up and a mile back at an average speed of 117.43 miles. An hour later he and his 22-year-old mechanic, Dick Garner, climbed in the Miss England III. again and set out for a second try. The first mile lap from south to north, on the second run, was covered at 120.50 miles an hour and the southward lap at 119.12 an average of 119.81.

MOUNT PLEASANT

Miss Agnes Sharp spent last week holidaying at the home of Mr. and Mrs. J. B. Hagerman, Minto.

Mr. and Mrs. John L. Bailey are sporting a new Ford and also had a new garage built in which to house it.

Mr. and Mrs. Edward Montgomery spent the week-end at Roseneath visiting Mrs. Montgomery's sister.

Mr. and Mrs. Alex Sharp and grandson, Selbourne, of Frankford, were Sunday guests of Mr. and Mrs. Ernest White.

Wellmans L.O.L. 172, and Wellmans United Church were delighted with the proceeds of the celebration on July 12th. They each had over one hundred and seventy-five dollars to their credit after all bills were paid. Considering that no one was heavily burdened with cooking, as all bread, butter, ham, salmon, cheese, coffee and sugar was bought, surely they reaped a splendid harvest from their 25-cent dinner, besides having the joy of celebrating at home.

Master Grant Bailey, of Walkerville, is holidaying with his grandparents, Mr. and Mrs. John Bailey, during the vacation.

Mr. and Mrs. James MacMullen, Bessie and Malcolm, of Campbellford, Master Ralph MacMullen, Mr. and Mrs. Percy MacMullen, Eileen and Ormel, were guests on Sunday of their parents, Mr. and Mrs. E. MacMullen, Stirling.

Mrs. Albert Tyson and Dorothy, of Niagara Falls, Mrs. J. Richardson, of River Valley, Mr. and Mrs. Gilbert Richardson and Lenora, of Toronto were guests at the home of Mr. and Mrs. Ray Cooney, last week.

Messrs Harry and George Montgomery, Jr., of Frankford, spent the week-end with their cousin, Mr. Willie Montgomery.

Mr. and Mrs. Will Johnston, Murney and Lela, of Sine, were guests of Mr. and Mrs. Roy Thrasher on Sunday and Mrs. Johnston is spending a few days this week with relatives in our burg.

Master Howard Cooney is holidaying with his grandmother, Mrs. J. Richardson, a few days this week.

Mr. Ira and Miss Jean David, of Picton are holidaying with their grandparents, Mr. and Mrs. Frank Williams.

On Sunday afternoon the choir sang an appropriate anthem "My Shepherd" and the pastor spoke on the theme "And he sat where they sat", stressing the point that each individual should be sympathetic to his fellowmen and try to picture himself in the other fellow's place.

Mrs. Andrew Hay spent an afternoon last week with Mrs. Frank Smith.

Mr. and Mrs. Orval Jackson, three daughters and baby son, of Hoards, spent Sunday with Mr. and Mrs. Blake Sharp and attended the afternoon service.

The farmers are busy at their hay and some cut their fall wheat on Monday.

Count Me In

When you count your many friendships,
Of the days of long ago—
When our lives were young and vibrant
With the joys we cherished so,
When you make your list of loved ones
Who have stood thro' thick and thin,
Who have loved and still are loyal—
Do not fail to count me in.
When you look ahead and wonder
What the years will bring to you,
Who will still your friendship cherish
Through the years remaining true—
When you make a list of friendships
That thro' years have changeless been—
When life's final list is entered,
Do not fail to count me in.

THE LATE HENRY A. HOOVER

On Wednesday evening, July 6th, as the sun was setting in the west, there passed peacefully away one of Rawdon's pioneers in the person of Henry Allison Hoover, in his 89th year. He had been in failing health for a short time and kept his bed only a few hours. He realized the time of his departure had come. Any suffering that attended his illness he bore with courage, patience and Christian fortitude. He was the son of the late Henry Hoover and Susan Brown, and was born in 1844 at Adolphustown. At the age of thirty he moved to Rawdon and settled on the Seventh Concession. Later he married Dora McCulloch, who predeceased him sixteen years ago. His father, being one of the U. E. Loyalists, donated the land to build the first Methodist Church in Canada. He leaves to mourn his passing four sons, Fred of Vancouver, B.C.; Wilbur, of Sault Ste. Marie; Herb, at home and Alf., (Rev. H. A.) of Berwyn, Ill; and thirteen grandchildren. He also leaves one brother, Charles, of Utica, N.Y., and three sisters, Mrs. E. Bronson, of Madoc; Mrs. J. Scrimshaw, of Colborne, and Mrs. C. Oliver, of Detroit. The funeral was held from his late residence on Saturday, July 9th, at 1.30 p.m., service being held in Wellmans Church, conducted by his pastor, Rev. F. G. Joblin. Interment was made in Wellmans cemetery. The pallbearers were Messrs C. W. Dracup, G. H. McGee, Bert Tompkins, Alex Johnston, Chas. Dunham and F. C. Snarr. Among the beautiful floral tributes were: from Fred and Annie, a wreath; Wilbur and Maggie and family, a spray; Herb and Aughty and family, a wreath; Alf and Minnie and family, a basket; Mr. and Mrs. George McGee and family and Mr. and Mrs. Reg. McGee, a Spray, and were conveyed by Messrs John Rannie, John Heagie, Percy Jackman and Fred Thain.

12TH LINE CEMETERY—RAWDON

Levelling has been completed at the 12th Line Cemetery and a caretaker has been engaged to keep it in condition. Donations would be greatly appreciacted by the committee. Since the last list was published the following donations have been received—Mrs. Alex Martin, Stirling; Mr. John Spry, Detroit; Mr. Wm. Mumby, Springbrook; Mr. John Stiles, Stirling; Mr. Geo. Luery, Stirling; Mrs. Geo. Waymark, Havelock.

Jesse Barlow, Treasurer

WORKMEN'S COMPENSATION STATEMENT

During the month of June there were reported to The Workmen's Compensation Board 3,914 accidents, as against 3,285 during May, and 4,860 during June a year ago. The fatal accidents numbered 25, as compared with 18 in May, and 32 in June last year.

The total benefits awarded amounted to $444,674.81, of which $377,856.25 was for compensation and $66,818.56 for medical aid.

This brings the total benefits awarded during the half year ending June 30th to $2,668,718.13, as compared with $3,131,715.58 during the corresponding period of 1931.

During the first six months of 1932 the accidents reported numbered 21,877, a decrease of 4,056 from the number for the corresponding period of 1931.

The fatal accidents for the six months' period were: 1932, 130; 1931, 167.

The average daily benefits awarded for the half year were $17,792, and the average number of cheques issued daily, 738.

Nitz, also of South Bend; Mr. and Mrs. Will Matthews and three boys and Miss Luella Matthews were also there, making an enjoyable reunion. The guests brought their own refreshments and a tasty repast was served and a happy event held.

MEIKLEJOHN — BATEMAN

The wedding of Helen Josephine, only child of Mr. and Mrs. W. A. Bateman, of Springbrook, to Mr. Granville James Meiklejohn, son of Mr. and Mrs. S. G. Meiklejohn, of Campbellford, was a colorful event at 11 o'clock last Thursday morning, at the United Church, Springbrook, where the ceremony was performed by Rev. H. A. Runt. The decorative scheme of the church was yellow, white and soft green. The pulpit and choir loft were banked with flowers, ferns, Marguerites and potted plants. The church was crowded with friends, while the guests occupied reserved seats, indicated by Marguerites and white tulle bows.

The wedding march was played by Grant Meiklejohn, brother of the groom. The bride's gown of Swiss battiste eyelet embroidery of chalk white had short puffed sleeves and was of toe length, and was trimmed below the waist, with a narrow lace-edged peplum. The bridal veil was caught at the back with a narrow bandeau of orange blossoms. She wore a necklace of cut crystals and carried lilies and maiden hair fern. The bridesmaids were Miss Nellie Webb and Miss Bessie Meiklejohn, sister of the groom, and looked charming in pink ruffled organdy, wearing shoulderettes of pink and blue. Doris Reid made a very sweet little flower girl, dressed in organdy of poudre blue. Hiram Mumby acted as usher. Mr. Clarence Barnum was best man. During the signing of the register, Miss Emma Meiklejohn, of Campbellford sang "Ich Liebe Dich" (I love thee) by Grieg. After the ceremony the guests repaired to the bride's home, where the wedding luncheon was served. The tables decorated with silver vases containing tea roses, also silver candlesticks with ivory candles. The bride's mother, Mrs. W. Bateman, wore a sand crepe with costume necklace. Mrs. L. Roblin, the bride's grandmother wore black with a rope of pearls. Mrs. C. MacConnell, aunt of the bride, was dressed in black lace. Mrs. S. Meiklejohn wore black with gold and pearl necklace. Mrs. M. Meiklejohn, the groom's grandmother, also wore black. Vivian Meiklejohn wore yellow organdy. The groom's gift to the bride was a camera; to the soloist an amethyst pin; to the bridesmaids, white gold and amethyst ear drops; to the flower girl a white gold necklace, to the pianist a white gold pen-knife and file and to the groomsman a white gold pen-knife and file.

Guests from out of town were the Misses Marie and Coza Meiklejohn, of Tweed; Miss Emma Meiklejohn, of Campbellford; Mr. and Mrs. Curtiss, of Winnipeg; Miss M. Harvey and Mr. Jennings, of Toronto; Mr. and Mrs. Roussell, Hamilton; Mr. and Mrs. R. W. Meiklejohn and Allan, of Stirling. After luncheon the couple left for a two-months' motor trip to Hamilton, Detroit, Edmonton, Winnipeg, Provost and Calgary.

NORWOOD MAN IS AWARDED BRONZE MEDAL

In the Dominion-wide awards of nine bronze medals and twelve parchment certificates announced today by the Royal Canadian Humane Association recognition is made of the heroism of two Central Ontario men. William Rogers of Norwood is awarded the Association's bronze medal for his valiant but unsuccessful attempt to save the life of twelve-year-old Everett Buchanan, who was drowned in the Mill Pond at Norwood on September 18, 1931. Kenneth Junkin of Lakefield is to receive a parchment certificate given by the Humane Association in recognition of his recent successful effort in saving Garnet O'Neill from drowning when a canoe was upset in front of Lakefield dock.

Ottawa—Sir Henry Thornton has resigned as President of the Canadian National Railways. S. J. Hungerford, Vice President, will be Acting President. Questioned on Tuesday, Hon. R. J. Manion, Minister of Railways and Canals, made this announcement. Both Board of Directors and the Government have accepted the resignation of Sir Henry, who feels that the official in that post should have support and confidence of everyone to make the C.N.R. a success.

RALPH EMMONS NEARLY DROWNED AT CAMPBELLFORD

Campbellford—Nine-year-old Ralph Emmons was pulled out of the Trent River just after noon yesterday, after being submerged for twenty minutes, and efforts were made to resuscitate the boy. The lad, son of Mr. and Mrs. Russell Emmons, Campbellford, formerly of Stirling, was playing on a small raft on the east side of the river and the water is some fifteen feet deep. The raft is thought to have swept out from the shore, and in an attempt to get back to land, Ralph either jumped or fell into the water. He was unable to swim. Attracted by his screams Mary Smith, 18-year-old girl ran to the scene and dived in fully clothed. Don McArthur also appeared and dived repeatedly but some little distance from the spot where the boy sank. Three Boy Scouts of the Second Belleville Troop were in a canoe nearby and one of them, James Anderson, a junior life-saver, dived once and landed right on top of young Emmons whom he succeeded in bringing up and getting ashore. About twenty minutes had elapsed since the boy had disappeared from view. Four Hydro employees worked on the unconscious boy continuously in the presence of the coroner, Dr. W. F. Loucks, and Dr. H. B. Longmore. The boy's father was notified at once. The four men attempting to revive the lad with life-savers prone method are A. Ironside, H. Beatty, H. Tinney and L. Reynolds. Hopes were held out for the boy's recovery.

WILL STRAIGHTEN TWEED ROAD

Road building equipment owned by Johnston Brothers, of London, who have been awarded the contract for the six mile stretch of road on the Tweed Highway, No. 37, recently taken over by the Department of Highways, was unloaded at Corbyville siding on Tuesday in preparation for construction of the road, which is expected to commence early next week. A start will be made by the company at the west end of O'Brien's bridge and from thence to a six mile limit the highway will be graded and scraped to a depth sufficient for the permanent surfacing which is to follow. Labor will be recruited from the farms and villages along the proposed stretch.

NOMINATION IN CAMPBELLFORD FOR MAYOR

Nominations for mayorality of Campbellford, will be held on August 5th, with the election date set for August 12th, providing there is no acclamation. This office falls vacant through the resignation of Mayor J. M. Bygott on his appointment as police magistrate for the town and Seymour township. This will make the third nomination to be held this year and it is generally hoped that the office will be filled by acclamation to save the cost of the town election expense.

THE LATE MRS. ANNIE IRVIN

Marmora — At 4 a.m. on Monday, annie, widow of Henry Irwin, of Tweed, passed away at the home of her sister, Mrs. Fred Blakely, Marmora Township, at the age of 64. Why Attend High School?

The Editor—
Stirling News-Argus.

Dear Sir,—

There seem to be at least two opinions concerning the above question, opinions which, unfortunately, lead in opposite directions.

Advocates of the one give very many good reasons why every pupil who has passed the High School Entrance Examination should most certainly endeavor to commence, pursue diligently, and complete successfully, the High School Course of Studies, while others, with contemptuous toss of the head, disdaining benefits, or with the fatalistic note of despair, bewailing the present inability of many High Scohol graduates to secure lucrative employment, will, with equal emphasis, assure us that the country is over-educated already, and what is required of our youth is the ability and the inclination to work and to economize.

I realize that argument is of little value when some people have already formed an opinion. However, there are not lacking, even in our midst, many persons, including some who have prospered financially, who voice very emphatically their regrets that either through force of circumstances or through their own neglect of opportunity, they did not secure the benefits of a liberal education, and that as a consequence, they have been much handicapped in their endeavor to make the most of life's opportunities that presented.

With one statement, I am sure, all will agree. The state of Society must either stand still, progress or become retrogressive. Many people without going very thoroughly into the matter, would have things stand still for an indefinite time, even the things that pertain to thought, forgetting that such an attitude suggests a condition properly described as stagnant, one in which much that is foul and putred readily develops.

The teachings of history warn us of retrogressive movements, many of which have occurred during which much that had been achieved became lost to those and to future generations.

It seems clear that there is no safe course but to strive to progress, and as organized society is but a collection of individuals working toward a common goal it becomes a matter for every individual child and for the parents of these children to decide that, for themselves, there is to be no standing still, no thought of slipping backward, in those things that help to develop the human mind, that it might be, under God's direction, an assistance, the master of the destinies of our people and of His world..

It will be but a few years when young men and young women will be required to fill the many places of responsibility, influence and leadership, now resting on the minds and shoulders of their elders. Shall it then be said, that because of neglect of opportunity some of our sons and of our daughters are not capable of assuming the tasks that should rightly be theirs.

It can not be conceived that we belong to a race that is willing to stand aside and allow, perhaps the Slav, or the Oriental—or the Japanese—to assume a leadership in the great march of human events in the future.

As we have put the best we have, in equipment and in teaching, in our Public Schools, in order that there may be a good beginning, so let us make the most that is possible of our splendid High Schools, that our boys and girls might not fail in the hour of opportunity.

Thanking you for the use of your valuable columns, I am

Yours truly,

DIED

GREEN — In Rawdon Township, on Wednesday, July 27th, 1932, Susannah Green, relict of the late Geo. W. Green, aged 76 years, 4 months and 27 days.

The funeral will leave her late residence, 4th Concession Rawdon, on Friday, July 29th, 1932, at 1.30 p.m. and proceed to Bethel United Church, where service will be held at 2 p.m. Interment in Bethel Cemetery.

BUYS FARM

Mr. John Downs, of Rawdon, has purchased the farm of Mr. M. Spencer, Lot 13, Concession 3, of that township, and will take possession immediately.

B. OF E. MEETS TUESDAY

The regular meeting of the Board of Education, scheduled for next Monday evening has been postponed until Tuesday evening, due to Monday being Civic holiday.

P. O. HOURS MONDAY

Next Monday being Stirling's Civic Holiday the general delivery wicket at the local Post Office will be opened from 8 a.m. to 9.30 a.m. only. There will be delivery on the rural routes as usual.

I. O.O.F. PICNIC

An I.O.O.F. basket picnic for the members and families of Oddfellows Lodges in the district, will be held at Ozone Park, Moira Lake, two miles east of Madoc, next Monday. A program of softball, horseshoe pitching, swimming, boating, etc., has been arranged.

FOUR LEAF CLOVER

Prior to leaving for Springbrook to play in the finals for the championship of Rawdon Softball League last Thursday evening "Buck" Hulin, catcher for the Stirling team, picked nine four-leaf clovers and one five-leaf, on the high schol grounds. "Buck" claims they were an ill-omen as far as the game was concerned, as Stirling lost to the Northerners in the tilt, the latter winning the trophy.

CHEESEMAKERS' PICNIC

Preparations are under way by officials of the Central Ontario Cheesemakers' Association to hod their annual Basket Picnic and Outing at The Outlet on Sunday, August 7. Mr. J. N. West, maker at Evergreen Cheese factory, and Mr. R. J. Dulmadge, of Picton are at present taking charge of all arrangements. Members, friends and families of the members are expected to attend.

WATERWORKS

The last of the moin in the permanent waterworks area is being completed this week. This will end the main installation in the area served by the present summer water system. The Council is endeavoring to sell sufficient debentures so that the necessary extensions may be installed. A report has been made that a firm in Toronto will take all the debentures. If this is definite, extensions will be put in.

The standpipe has arrived and the workmen are busily engaged in erecting it on the cemetery hill.

The well behind the creamery has not been completed, but it is predicted that a large capacity well will be obtained, and along with the Henry Street well will insure a surplus water supply.

LEFT HERE 24 YEARS AGO

Mr. Ralph Whitehead of London paid the News-Argus a pleasant call on Tuesday morning. He was enroute from Orillia to Ottawa and Montreal. It is twenty-four years since Mr. Whitehead left this district, and twenty-seven years ago was employed by Mr. Jas. McGowan, Ridge Road. He is now Inspector for the Liquor Control Board at London. Mr. Whitehead enlisted in 1914 and left with the First Contingent (The Mad 4th), and was one of the few "originals" to return. He is president of the Fourth Battalion Reunion Comimttee and a "meet" will be held in his home city, August 14, 15, 16. Mr. Whitehead is keenly interested in Fraternal Societies. He is P.D.D.G.M. of the I.O.O.F., P.D.G.M. of Ontario; member of the Orange Lodge and Black Knight Preceptory and also a Past Chief Ranger of the I.O.F., Hamilton. He is married and has two children. His many old friends in this district will be pleased to learn of his success since leaving this vicinity.

Rev. Geo. Whattam, of the Ontario Temperance Union, delivered a talk on Temperance in St. Paul's United Church on Sunday morning.

MORTON REUNION

Mr. J. S. Morton, Mrs. Alex Morton and Mr. A. Finkle, of Stirling, Mr. and Mrs. Chas. Morton, Berton, Mr. and Mrs. Boulter Johnston and Mr. and Mrs. Thos. McMullen, of Rawdon, attended the annual Morton Family Reunion, held in Tweed yesterday. There were over one hundred and fifty present.

PONTIAC VS. CHEV.

An accident occurred near Sine, on the Stirling-Marmora road, about 11.30 Saturday night, when a Pontiac coupe, driven by Ned Potts, of Stirling, collided with a Chevrolet coupe driven by Ward Luery, of Rawdon. In the crash the right fender and front axle of the Pontiac were badly bent, while the left rear fender, running board and skirt of the Chev. were badly ripped. Fortunately none of the occupants were injured. Provincial Constable Gray, of Marmora, investigated. It is reported Mr. Potts assumed the responsibility for the collision.

The meeting closed in the regular manner by singing the National Anmthem, at 10.30 p.m.

PROCLAMATION

Civic Holiday

At the request of a number of citizens I hereby proclaim

MONDAY, AUGUST 1st

Civic Holiday for Stirling and respectfully request all citizens to duly observe the day as such

WM. C. WEST, Reeve

NAME OMITTED

In the list of successful entrance pupils published in the Twenty Years Ago news, in last week's issue, the name of Florence Montgomery, of S. S. No. 4, Rawdn, was omitted.

SHOE-PITCHING POPULAR

Considerable interest has prevailed in horse-shoe pitching this year. If there is anyone who feels he can throw the "caulked toys" with perfection, he may show his skill on the courts at the rear of Jeffrey's mill.

CEMETERY ROAD GOOD

The cemetery road is now in splendid condition and credit is due the committee, headed by Councillor Wm. Fitchett, chairman. The roadway was badly in need of repair, but is now in the best condition it has been in for years.

A COIN OF 1857

Russell Woodbeck found an old coin dated 1857. It was a penny issued by the Bank of Upper Canada. On one side is the Crown and Anchor, horns of plenty and on the other a soldier on a charger battling a serpent.

IS NOW H. S. TEACHER

The News-Argus noticed in the results of the Ontario College of Education published in yesterday's Toronto Globe, that Mr. Allen Meiklejohn was among the successful students. Mr. Meiklejohn has been successful in obtaining his assistant high school teachers' certificate, physical training certificate and specialist in English and History. He has secured a position on Athens High School staff for next term. Congratulations.

BACKS INTO HOLE

Mr. P. C. McGuire, Mutual Life Assurance Co. Agent of Belleville, met with a little mishap while in Stirling on Monday afternoon. While about to turn around or otherwise manouvering his car, in front of the creamery, he backed his car into a trench dug for permanent waterworks, and it was necessary to summon aid to get the horseless carriage out of its predicament. At the "hole" there is a "no parking" sign, but apparently the car "felt its oats" and to show its contempt for such a placard apparently plunged before its owner could "brake" it, with the above results. Fortunately no damage was done.

ROLLINS RE-UNION

The eighth annual picnic of the descendants of Geo. Rollins was held on July 20th on Pitts' Landing, about one mile east of Madoc. The place with its every advantage of the ideal picnic grounds, contributed greatly to the enjoyment of the day. Members of the family to the number of one hundred and fifty were present.

Tables were provided along the shore for the older folk, while the younger folk enjoyed their dinner which was spread on the ground. After dinner the children soon found their way to the water, while their elders renewed friendships which strengthens the bond of union and creates a family spirit. The warm sunny day greatly enhanced the enjoyment of the bathers so that no further amusement was needed that they might pronounce their day a decided success. A keenly contested ball game provided its share of interest, after which races were held for the juniors.

Before the conclusion of the day a short business meeting was held, presided over by S. B. Rollins, of Tweed, in the absence of the President, C. S. Rollins, Coe Hill, who was called to his home earlier in the afternoon. The following officers were re-elected: Pres., C. S. Rollins, Coe Hill; Vice Pres., Sam Rollins, Madoc; Treasurer, S. B. Rollins, Tweed. Members of entire old Executive were also re-elected. It was decided to hold another picnic next year, time and place being left in the hands of the Executive. The singing of the National Anthem brought the happy day to a close.

The annual Summer School opened at Oak Lake on Monday morning with over seventy registered.

Springbrook Wins Trophy

It's all over. A very interesting schedule of games was brought to a close at Springbrook last Thursday evening when the team from that town took unto themselves the championship of the Rawdon Softball League. This team has headed the league for the greater part of the season and at no time did their first-place position seem to be in any great danger. Stirling lost the first game of the finals in Stirling, and when they ran up against the leaders at Springbrook they once more came out on the short end of the score. The Northern team has been famous all year for its united team work, and this same factor carried them on to fame in the play offs. The team, individually,, are no better than the other players in the league, but they know how to work together and that is what generally brings success to a ball team. Stirling, on the other hand, worked more or less in spasms, playing airtight ball at times, and throwing it away at others. The Springbrook aggregation got no more so-called "breaks" than did their opponents, but they took advantage of every opportunity that came their way. Special mention might be made of Lorne Bateman, who has been doing the twirling for the Springbrookers, and has pitched consistently good ball all season. He never seems to lose his head when in tight pinches, and therefore keeps the rest of the team from doing the same thing. Ryckman, for Stirling, has pitched a lot better games during the season than he turned in during the play-off series. Taking it all into consideration, there was some mighty fine playing done by both teams in the "mug" series and the games were well worth watching. Albert Warren handled both games behind the bat and did it to the entire satisfaction of both teams. Now that Springbrook has won the Rawdon League, they are to compete with the winners of the Centre League for the fine trophy donated by Ward's clothing store.

TALL OATS

The recent rains have been "worth a million" to farmers. The hay crop being harvested, is a good one, although a month ago it was expected to be light. The spring grain looks good and is rapidly growing. This morning Mr. Arthur Pyear, a farmer of Glen Ross district, sent in a bunch of Oat stalks and the longest measured over five feet. This is exceptionally tall for this season of the year, and no doubt if farm prices would "rise" with the grain, Old Man Depression" would be given a knock-out. The oats samples were not hand picked but just the average growth of the field. A splendid yield is anticipated this year.

BORN

HUME—At Burnbrae on Friday, July 22nd, to Mr. and Mrs. W. A. Hume, a daughter.

McGEE—In St. Michael's Hospital, Toronto, on Friday, July 22nd, to Mr. and Mrs. Murray McGee, a daughter, Margaret Suzanne.

CHICKEN DINNER

Every Sunday evening from 5 to 8 o'clock a choice "milk-fed" Chicken Dinner will be served at Bird's Tourist Home, Oak Lake, for 50c per plate. Have your dinner there next Sunday.

CARD OF THANKS

Mr. W. S. Stiles and family wish to thank their friends for their kind expressions of sympathy during Mr. Stiles' illness in Belleville Hospital, and for the numerous gifts of beautiful flowers.

CURRENT COMMENT

Did you ever notice that the man who thinks he knows everything is generally mistaken.

A little boy has asked the question "How did we get our brains"? Some of us didn't.

Next Monday is Stirling's Civic Holiday. The only local event scheduled is a bowling tournament.

If some men were half as good as they expected their wives to be they would be five times as good as they are. Figure this out.

Here folks is a good policy to insure friendship — Be civil to all; sociable to many; familiar with few; friend to one; enemy to none.

Prayers for the success of the Imperial Conference at Ottawa were offered in the churches throughout the Dominion on Sunday.

You can always tell when a man has passed middle age. He is the one who is always telling you he never felt younger in his life.

Individuals are suffering, but the present depression is working a wonderful revolution under our very noses. It is forcing men and women to do what they feared doing.

The buy-at-home policy would ruin Toronto if followed elsewhere in Canada, says the Globe. People in the smaller communities will find food for thought in this frank confession.

It is reported that Belleville may have a radio broadcasting station. It will be a change for that city after being "up in the air" so long, to be "on the air". Success to the project.

Those engaged in the search to find the "average" motorcar driver admit they are faced with a difficult task. It is too easy, though, in driving along the highways, to find the outstanding pedestrian.

What a difference in swimming costumes during the past quarter century. Twenty-five years ago women went swimming dressed like Old Mother Hubbard — today they dress like Mother Hubard's cupboard.

With the Imperial Conference in session this is a splendid time for merchants to feature Empire goods. The public should also bear in mind that they can help Canada and the Empire by buying products of the Empire.

"If there is a cooler, more inviting and more conveniently located spot than this I have not yet found it," said a tourist who was taking a breather at Oak Lake resort the other day. Compliments such as these are appreciated.

Bowmanville Statesman—In recording the history of Canada's 20th Century politicians we predict the two greatest public blunders of the bachelor premiers will be Hon. R. B. Bennett's refusal to see the farmer delegation at Ottawa and Hon. W. L. MacKenzie King's famous Five Cent Speech.

The minister of highways is not in favor of commercial trucks carrying passengers, particularly children to picnics. If, however, this practice were prohibited, it would be a real hardship to many Sunday Schools and organizations who depend on volunteer trucks to convey Sunday school children and others to picnics at this time of the year.

Canadians, as financers, hold over 80 per cent. of Canadian debt; Canada's national wealth is estimated at nearly $29,000,000,000,000, her annual production is over $6,000,000,000. Canada's population, of about 10,000,000 has over $3,235,000,000 on deposit in banks and loan companies, and in the last decade has invested over $3,000,000,000 in bonds.

Smells are now being utilized to sell merchandise. In a recent test four pairs of hose were shown to a number of American woman, one as it came from the factory and the other three scented very faintly. The women were asked to rate the hoisery according to quality. Although the perfume was so faint that only 6 of the 250 women consciously noticed it, 92 per cent. picked the scented hose as being of the best quality. "Sell by Smell" may be the slogan next year. A little black narcissus on the next issue of government bonds might help things along.

In conversation with a farmer of the district, the Sudbury Star asked if a farmer can make any money these days and received the following optimistic reply: "The farmer, if he works and is lucky with his crops, can still make money. Prices are low—the lowest they have ever been—but the price of everything he had to buy is also low. Anyway, he makes a living. We have our own strawberries and our own cream and we have our own chickens. That is more than a lot of people who are supposed to have good income can say."

Marmora Herald—Hon. J. R. Cook, M.L.A., took a day off from his strenuous duties as Chairman of The Hydro Electric Power Commission of Ontario last Saturday and visited Marmora. There has probably never been a year when the Commission had so many problems to consider. The routine business of the Commission has grown to immense proportions and in addition there is the guestion of the Abitibi Canyon project and the St. Lawrence development. Added to that there was the investigation with the John Aird jr. payments and the purchase of the Dominion Power and Transmission Co. at Hamilton. As was to be expected, Mr. Cooke is feeling the strain, but it has not changed his interest in the welfare of his Riding or his friendliness towards people of all classes, which has always been one of his outstanding characteristics.

Men's Seven Mistakes

Man's imperfections lead him to make many mistakes in life, and the pointing out of these frailties has engaged the attention of philosophers and reformers in all ages. A recent writer enumerates what he considers to be the seven greatest mistakes of man, as follows:

1. The delusion that individual advancement is made by crushing others down.
2. The tendency to worry about things that cannot be changed or corrected.
3. Insisting that a thing is impossible because we curselves can not accomplish it.
4. Refusing to set aside trivial preferences in order that important things may be accomplished.
5. Neglecting development and refinement of the mind by not acquiring the habit of reading.
6. Attempting to compel other persons to believe and live as we do.
7. The failure to establish the habit of saving money.

Transient Traders

The definition of a "transient trader" has long been a contentious point in nearly all municipalities and for this reason it is interesting to read of a court decision just handed down by Magistrate Smith of Windsor, in the case of a Leamington action. The Leamington town bylaw says: "Those whose names have not been entered on the assessment roll". The revised statutes of Ontario say "those whose names are not on the assessment roll or who are entered on it for the first time."

The Magistrate ruled that the transient trader is one who has not resided in the municipality for three months before beginning business. He imposed a fine of $10 and costs of $5 on complaint that a transient trader's license had not been taken out. The merchant began business on May 3rd, and on May 25 his name was placed on the assessment roll by the Leamington court of revision.

There can be no hardship in requiring transient traders to take out a license. If they are acting in good faith and remain in business the money required for the license is applied on taxes and the transient does not lose. If it were not for this safeguard all sorts of fly-by-nights would be bobbing up. The merchant who stays in town year in and year out and pays his taxes is certainly entitled to the protection he is getting.

TWENTW-MINUTE SERMONS

(St. Mary's Journal-Argus)

One of the problems of the churches these days is lack of attendance at the Sunday evening service. Often the night congregation is less than half the "full house" of the morning service. Many factors no doubt contribute to this undesirable lack of interest. A most important reason, we believe, is long sermons. Many ministers apparently have the idea that it is necessary to preach half an hour or even forty minutes. The result is a good deal of uninteresting and unnecessary repitition. Anyone who does much public speaking of any kind has a tendency to be led in verbosity. For instance, a young minister often suffers from a scarcity of words. Gradually he learns to elaborate a simple idea very skillfully. In the end he may become so proficient in enlarging upon his theme as to be carried far beyond the requirement of the occasion. In our humble opinion the speaker who can present a message in twenty minutes, gets the best hearing and usually has said something.

Professor—There are two periods in his life, madam, when a man does not understand women.

The Madam — Indeed! And when are they?

Professor—Before and after marriage.

Twenty Years Ago

(Issue July 25th, 1912)

Springbrook

Still our girls go. Lila Mosher, daughter of Mr. Wilson Mosher, was married on the 13th of July, at Regina, to Mr. John Moore, of Weyburn.

McFee's HAVE GAMBLED IN DIAMONDS

It was a good safe gamble, however, and we are going to pass on the advantage we have won in an effort to increase our sales. Here is the story — we shall tell you very frankly all about it.

Recently we made a purchase of approximately 100 pieces of DIAMOND JEWELRY, mostly rings, from a HIGH CLASS MANUFACTURING FIRM which was. Stock poor and required cash. By giving them CASH we obtained this lot of MOST EXCELLENT QUALITY DIAMOND JEWELRY at a very liberal discount.

Now in place of carrying this merchandise until the demand increases, we are offering OUR ENTIRE DIAMOND STOCK at a most exceptionally low margin of profit in order to stimulate sales. We guarantee you a saving of 25% to 50% and we feel confident that this opportunity will be so generously taken advantage of that we will have one of the most successful seasons in the history of our diamond business. FRANKFORD

Cars Collide

Colliding on the fifth concession of Sidney on the Foxboro-Frankford road about 10.30 a.m. Sunday morning a motor car accident happened when a car driven by Ray Mallory, son of Deputy-Reeve and Mrs. Fred Mallory, of Sidney, collided with a car driven by Warren Spafford, of 89 West Bridge Street, Belleville, turning the Spafford car over on its side and badly damaging the car and injuring the occupants. Mallory was driving north on a concession road, turning to the left on the Foxboro-Frankford road intersection as the Spafford car was approaching the intersection. It is alleged by the provincial police that both cars were travelling at a rather high rate of speed. As the two cars met they naturally swerved to the north side of the road where the Spafford car turned over on its side. Joe Large, 33 Murney Street, Belleville, receing a nasty gash on his arm which took four stitches to close. Jack Spafford, brother of the driver of the car, was also badly shaken up. Provincial Constable Campbell investigated the accident and charges of reckless driving will likely follow.

A Runaway

A serious accident occurred here on Saturday night at 9.30 when a runaway, driveless horse collided with a motor car. The horse, which was tied up in Lyon's hotel sheds, broke loose and made a wild dash down Trent street. Opposite the Fair Grounds it encountered a car driven by J. Regan, who with a companion, a chap named Conlin, aged 22, were driving north. The horse landed with its front feet on the hood of the car, and then landed against the windshield with such force that its head was almost completely severed, the animal dying in a few minutes. Mr. Conlin suffered severe injuries to the face and neck caused by flying glass, and the buggy shaft pierced the side of his face. He was taken in an unconscious condition to Dr. MaMullen's office for treatment, and according to latest reports is progressing favorably. Mr. Regan, the driver, was unhurt, but the front of the car was badly damaged and had to be towed to a local garage for repairs. The horse was owned by Earl Baker, a Sidney Township farmer, who was unaware of the runaway until informed of the accident.

The Belleville Citizens' Band paid a friendly visit to Frankford on Tuesday night and were guests of the Frankford musicians. During the evening a joint concert was given and much enjoyed by the large audience assembled.

A FIVE-HEADED CABBAGE

When visiting hs cabbage patch the other evening, Orville Trumble, of Deloro, made an interesting discovery. He noticed that one of the plants in his row of forty-two was producing five distinctive heads. The plants are not fully developed, and when purchased showed no signs of developing into the brussels sprout class. Closer inspection by a neighbor revealed that another plant had four heads. Percy Smith, Marmora gardener of much experience, states that he has never seen the like in cabbage culture before.

BONARLAW

Mr. Wm. Riddell, professional walker, of Toronto, is visiting friends in this vicinity.

Mr. and Mrs. J. F. Baker and sons, Chester and Kennard have returned home after holidaying near Gravenhurst and Toronto. Mr. Baker was relieved by Mr. J. H. Edgerton, of Whitby.

Quite a severe thunder storm passed over this district on Friday morning, but no severe damage was reported.

A large crowd witnessed the ball game last Saturday evening on the High Schol grounds at Campbellford, when our team defeated Seymour West team in first place. Menie and Seymour are playing a sudden death game this week to see who will win second place.

Miss Bessie Meiklejohn spent Sunday the guest of Gladys Simpson.

Miss Violet Dunk and Miss Bessie Grills, from English Line visited Freda Petherick on Sunday last.

Miss Gladys Stephens of Campbellford spent a day last week the guest of Miss Evelyn Barnum.

BENNETT AND THE FARMERS

(Oshawa Times)

The fact that Hon. R. B. Bennett, the Prime Minister of Canada, recently refused to meet a large delegation of farmers when they visited the capital should not be permitted to loom in the public eye as a matter having any very great political or national significance. The incident, as we see it, is not of major importance when the eyes of the whole British Empire are turned towards Ottawa and the Economic Conference.

selected a small group of repersentatives from among themselves, following the usual procedure when any other group or party wishes an interview with the head of the Government, that such a delegation would have been courtecusly received by the Prime Minister at a time convenient not only to the farmers but to Mr. Bennett himself. There is no doubt that the time of the whole Dominion Cabinet, and particularly the Prime Minister, has recently been fully occupied with far more important matters from a national and imperial viewpoint than the problems of any particular industry may be to the progress and development of this Dominion.

The trek to Ottawa by the farmers somewhat resembled the march of "The Bonus Army" to Washington and, in the opinion of this paper, was just as ill-advised. Under the modern system of democratic government such delegations, savoring rather of intimidation as they do, seldom attain the end at which they aim.

NEW LIQUOR PRICE LIST

A new price list, numbered five and dated July 16, 1932, has been issued by the Liquor Board of Ontario. This list confirms the prices which went into effect earlier this year when the provincial tax of 25 cents a bottle on imported spirits and 15 cents on domestic spirits and the federal tax from four to six cents as well as a one per cent. tax on imported spirits were applied.

Master Gerald Jackson, of Hoards, attended Sunday School here and spent Sunday in our midst.

Ormel MacMullen visited Percy White on Sunday.

Miss Jean Remington of Hoards has returned home from a recent visit at the home of her sister, Mr. and Mrs. Harold Johnson.

The lovely rain last week was greatly appreciated as the ground was very dry.

Those who spent a while on Saturday evening at Bide-a-wee camp report the ice cream delicious. A double portion was served to each one. It's just too bad they weren't situated closer as some of these hot days we would pay them a call.

Friends here were sorry to hear of the fire last Tuesday which consumed the barn of Mr. and Mrs. S. Sine.

Mrs. Lorne Gunning spent the week-end of July 16th with friends in Campbellford.

Mr. and Mrs. George Montgomery and Douglas, of Frankford, were dinner guests on July 17th, of Mr. Wm. Montgomery and spent the tea hour at the home of Mr. W. Emmons.

One of our popular ladies, while resting a few minutes under the shade of an old apple tree found she had company with her — a pretty skunk. Needless to say the lady moved to another resting place.

Mr. Wesley Lake visited Johnny and Lorne White on Sunday.

Miss Alice McKelvie, of Foxboro, is spending a week with her mother, Mrs. Edward Montgomery.

Friends and relatives here received word of the passing of Mrs. Allan Watson, of Campbellford, in her 43rd year, after a very serious illness lasting several months. Before her marriage she was Myrtle Sharp, oldest daughter of Mr. and Mrs. Robert Sharp. She leaves to mourn her husband and three children, Arden, Douglas and Reta; her parents, who reside in Toronto; a brother, Willoughby, of Toronto; and two sisters, Ida (Mrs. Stewart) of Oshawa and Ila, (Mrs. Locke), of Toronto, all of whom have the deepest sympathy of friends here. The funeral service was held in Burnbrae church on Saturday afternoon and interment was made in adjoining cemetery. Among these from here who attended were Mr. and Mrs. Jas. Sharp, Mr. and Mrs. Claude Sharp, Mr. Leonard Sharp and Burton, Mrs. Ellen Sharp, Mr. and Mrs. John L. Bailey, Mrs. Edgar Reid, Mrs. Charles Sharp, Mr. and Mrs. Thomas McKeown, Mr. and Mrs. Allan Reid, Mr. and Mrs. Donald Sharp and Douglas, Mr. and Mrs. Irvin Reid, John and Gordon; Mrs. Cyrus Summers, Mr. and Mrs. Gordon Linn, Mr. and Mrs. J. C. Linn, Mr. and Mrs. Frank Williams.

Mr. and Mrs. James Honeywell, of Castleton were guests of Mr. and Mrs. John Johnson one day last week.

Mr. and Mrs. James Sharp visited at the home of their daughter, Mr. and Mrs. Melville Donnan, West Huntingdon, on Sunday.

Miss Helena Runnalls, of Harold, was a guest of Miss Myrtle McKeown on Sunday.

Folks in our community were greatly shocked to hear of the drowning of Ralph Emmons at Campbellford on July 20th. A full report of this appears on another page of this issue. Those who attended the funeral on Friday afternoon were: Mr. and Mrs. Burleigh Emmons, Mr. and Mrs. Edward Montgomery and Willie, Miss Alice McKelvie, Mr. and Mrs. A. H. Bailey, Miss Isobel Turner, Mrs. L. C. Locke and Betty, Mr. Conger McConnell, Olive and Norman, Mr. and Mrs. Will Thompson. Deepest sympathy is extended to the bereaved family, especially to the dear old grandmother, Mrs. W. Emmons, who has been confined to her bed for several months.

W. M. S. Entertains Mission Band.

On Wednesday afternon Mount Pleasant W.M.S. held their July meeting at the church with almost fifty in attendance. Mrs. Ross Hoard, 1st vice President, occupied the chair, and gave a short talk on the 23rd Psalm. After repeating the Psalm in unison, all joined in sing "Oh, the World must be conquered for Christ". After the minutes were read, ten members answered Roll call. An invitation from Carmel Ladies' Aid to visit them on August 11th, in the evening, bringing along our husbands and furnishing the program, was unanimously accepted. Miss Isobel Turner, President of the Mission Band, then presided and the young folks gave a splendid program in a most interesting manner. After thanking the auxiliary for the kind invitation, she opened with hymn "Have ye heard the song from the Golden Land?". After minutes, reports and roll call, Eileen Phillips read Psalm 15. Marguerite White sang a lovely solo "Open my eyes that I may see". Frances McKeown gave a piano solo, "Rock of Ages". Six of the young folks offered sentence prayers and then all repeated the Lord's Prayer. Watchetower was given as follows:—Africa, Mildred Sharp; Trinidad, Audrey Sharp; Canada, Eileen MacMullen; Japan, Anna Sharp. Betty Locke sang very acceptably "Teach me to Pray". Vera McAdam read a poem on "World Friends", closing with this verse:

'Well, whether you live in the North
or the South,
Or in the East or the West—
You'll find World Friends wherever
you go,
And you'll like your home the best."

Eileen MacMullen rendered a piano solo "June Morning." Myrtle McKeown told a very interesting story from the Study Book "Trail of the Korean Kite", entitled "When Doctor Comes." She pictured the home of Mr. and Mrs. Young Jr., and Mr. and Mrs. Young Sr., and told of the illness befalling the old man, and after he died the baby took sick. It was an interesting story of the first visit of a Christian Mission Doctor to this heathen home, and he might never have come had it not been that one of the little girls in the Young family had been attending Mission School. A dialogue "When we are men" was given by Percy White, Douglas McAdam, Ray White and Ormel MacMullen. The offering was taken by Billy McAdam and James Hoard. Closing hymn "We have heard the joyful sound." The Mizpah benediction was repeated. A lunch of sandwiches, cookies and lemonade was then served cafeteria style on the lawn.

Mr. and Mrs. Fred MacDonald Mary and Bobby, of Murray, Mr. and Mrs. Henry McKelvie and Willie, Mr. and Mrs. Will Cook, Margaret and Ella, Mr. Allan Curl, of Campbellford were guests at the home of Mr. and Mrs. Edward Montgomery on Sunday.

The Sunbeam Mission Band plan to meet at the church on Thursday, July 28th, for their regular meeting.

Mr. and Mrs. Fred King and family were guests of Mr. and Mrs. W. H. Scott on Sunday.

Mr. George Young entertained the following guests over the week-end: Misses Betty Hansen, Buffalo, N.Y.; Given Faulkner, Cleveland, Ohio; Peg. Learbury, Chicago, Ill.; Marguerite Ross, Joan Campbell, "Babs" Duncan and Isabel Bentley, Toronto; Helen McBride and Marjorie Chown, Hamilton; Messrs Bill Wasserman and George Curran, Buffalo; Ray Vance, Cleveland; "Nig" Ross, Chicago; Jack Laney, Victoria, B.C.; Chene Chaddick, Walkerville; Keith McBride, Hamilton and Greg. Campbell, Toronto.

Mr. and Mrs. W. Peck, of Marmora, were guests of Mr. and Mrs. Allen Bailey on Sunday and attended the evening service.

Master Gordon Sheffield of Toronto is holidaying at the home of Mr. and Mrs. Albert Dunkley.

Mr. and Mrs. Frank Young were guests of Mr. and Mrs. Thos. Dunham, Healey Falls, over the week end.

Mr. and Mrs. Clifford Sine, Muriel and Doris, of Salem, spent Sunday at the home of Mr. and Mrs. Wilfred Sine.

Mr. E. Joblin took charge of the morning service in Marmora United Church on Sunday and was a dinner guest at the home of Mr. and Mrs. Peake.

Bethel Sunday School are planning to have their postponed picnic at Oak on Wednesday of this week and the pastor invited the folks from here to attend if possible.

On Sunday morning, July 31st, Mr. Arthur Wilson, of West Huntingdon, will take charge of the service here. The pastor, Rev. Fred Joblin has been invited to Shannonville circuit to conduct a re-opening service. Rev. W. H. Clarke, one of our former pastors, now stationed at Shannonville, will conduct services at Wellmans at 3 p.m. and Bethel at 7.30 p.m.

Dr. Don E. Philip, of Moncton City Hospital, Moncton, N.B., was a guest of Mr. George Young on Wednesday, July 20th, while enroute from that city to visit his parents in Kansas Missouri.

On Sunday evening the choir rendered a pleasing anthem "Hope in God" and Miss Edna Thrasher sang a very acceptable solo "The Light is Growing Dim". The pastor spoke on "The Deliverance of the Israelites". He chose his text in Exodus 13: 17-18—"It came to pass that God led them, not through the way of the land of the Philistines, but by way of the wilderness of the Red Sea". The pastor offered prayer for God's guidance to follow those taking part in the Economic Conference and said in the course of his address that God found a way out for the Israelites, so surely we believe God will deliver us out of the crisis which has swooped over our land. In his talk to the children present he pictured the ten lepers who were cleansed and only one came back to say thank you. A noted minister has said that the most popular sin today is that of "ingratitude".

Mr. Willie Montgomery spent the week-end at Sandy Lake.

Mr. H. Dawson, Mrs. Bob Hammond, Misses Daisy and Barbara Thain of Toronto, and Mrs. W. Thain of Campbellford, were guests on Sunday of Mr. Robert Pounder.

Mr. George Merrick started out at noon on Monday to thresh fall wheat.

Mr. Randall Melville, of Marmora spent last week with his brother, Percy.

Mrs. Wm. MacMullen, of Sidney, and her grandaughter, Doreen Hall, of Trenton, are holidaying at Winnipeg, Man.

Mr. and Mrs. Robert Melville and family were recent guests of Mr. and Mrs. Henry Melville, Marmora, and enjoyed a visit with Miss Gladys Melville, who was home on her holidays from Toronto.

Last week, while reading the advertisements in a Picton paper we noted that Plymouth and Brantford Binder twine was selling one dollar cheaper than Stirling prices, and of course we wondered why the difference if they could sell 650 at 8¼ cents per lb. and still make a profit.

Mr. and Mrs. Ernest Cronkwright and Sherwin, of Thurlow, Mr. and Mrs. Earl Stickle and Muriel, of Johnstown spent Sunday with Mr. and Mrs. Charles Sharp.

Mr. John Downs purchased the Merle Spencer farm on Friday last and the family have taken possession this week. This deal will save Mr. Downs the extra work of building a new home.

RIVER VALLEY W. I.

A special "Children's Day" was sponsored by the River Valley Women's Institute, together with the regular July meeting at the residence of Mrs. Alec Bush. The storms which prevailed in the early afternoon did not stem the budding Canadians of the community from assembling in goodly numbers to enjoy their annual treat, and to revel in the races and games prepared for their amusement.

The meeting opened in the usual manner and the minutes of the previous meeting were read and approved. Although the roll call brought a good response there still remained a considerable space in list for more recruits and in the interests of this the President emphasized the fact that although visitors were particularly welcome, members were essential, as "Unity is Strength" to carry on the priviledged duties of this great national work.

A discussion arose as to means of raising the reduced funds and it was ultimately decided that a 10c tea be organized, to take place on the 21st inst, with the directors to appear on the program.

Miss Gladys Rosebush then conducted the children's program, which commenced with a chorus sweetly sung by the small girls, followed by a piano solo well played by Dorothy Utman. Helen McDonnel then very nicely gave an interesting reading and Adeline Bush next creditably played a short selection on the piano. Ralph Utman greatly amused the audience with his ukelele to the accompaniment of which he sang snatches of songs. Marjorie Bush pleasingly concluded with a little humorous recitation. The young folks then enjoyed the various races and contests of amusing character, with prizes awarded, after which abundant refreshments of lemonade, sandwiches, cakes, pastry, nuts and candy were served. The hostess contributed the lemonade and home made candy.

Mrs. Mary Vandervoort will entertain at her home for the next meeting, which will be held on August 4th.

WEST HUNTINGDON

House Burned

An early morning blaze visited us on Tuesday when the house belonging to Mrs. Belshaw, of Madoc, was burned. It was a small house situated on the Fargey farm, south of the concession road. Mr. and Mrs. Elmer Cooney were living in it while Mr. Cooney was employed by Albert Ashley. The contents were nearly all burned. There was no insurance carried on the building, but the contents were insured. The origin of the fire is unknown.

A few of our people have visited the huckleberry rocks, but report the berries to be scarce.

Mr. and Mrs. George Rupert and Russell spent Tuesday at Corbyville invetsigating a number of farms which are for rental.

The Misses Helen and Ruth McGee, of Campbellford, visited Miss Jean Thompson last week.

Mr. Phillip Carr was on the Plainfield circuit on Sunday supplying for Rev. Cafley, who is ill.

The farmers have already started their fall plowing. Poor chaps, they never seem to have a holiday. Before one crop is harvested they have to start preparing for the next one. But however, they are all quite optimistic now, considering the royal reception they received from the Honorable Mr. Bennett.

A large number of our people attended the funeral of the late Mrs. Reynolds at Foxboro on Sunday.

Mrs. Vrooman, Earl and Annie and Miss Ruby Gage, of Belleville, spent Friday at Arthur Wilson's.

Mr. and Mrs. Ernest Urban and family, of Walkerville are renewing acquaintances here this week.

Mr. James McGowan and son Kenneth are enjoying a motor trip in Quebec.

The Mission Band held a social afternoon on the church grounds on Monday afternoon.

LATE MRS. REYNOLDS

Foxboro—The funeral of the late Mrs. Thomas B. Reynolds was held Sunday afternoon last from the residence of her son, Murney Reynolds, on the Stirling road. Following a short service at the home at 2 p.m. the funeral proceeded to the Foxboro United Church where service was conducted at 2.30 o'clock. In the absence of Rev. Mr. Mutton, pastor in charge of the Foxboro circuit, Rev. Wm. Merrick had charge of the two services and also officiated at the committal in Cannifton cemetery.

To evince their esteem for those bereaved an assemblage had congregated at the village church that overflowed its capacity; many having to remain outside during the service. The choir of the church sang most appropriately and sympathetically.

The bearers were Messrs R. B. Hamilton, Wesley Henderson, C. C. Davis, Joseph Hollinger, T. B. Watt and Fred Campbell.

The floral offerings included:

Pillow—Family.

Wreaths—Grandchildren; J. Wilson and family; United Church, Foxboro.

Sheafs — Richard Kilpatrick and family; Mr. and Mrs. W. Christie; Mr. and Mrs. Russell Christie; Mrs. A. Kilpatrick and family; Mrs. A. Embury and family; Mrs. R. Campbell and family; Mr. and Mrs. C. C. Davis; Mrs. Fluke and Lola and Mr. and Mrs. C. Hamilton; Mr. and Mrs. H. Gay.

GIRL WANTED TO DO HOUSEWORK

Agent for Cunard, C.P.R. and Anchor-Donaldson Steamship Lines

Static by the Editor

We've heard of the height of this and the height of that, but the height of politeness, we insist, is the following sign on a pole carrying a high tension electric wire, in a town across the border:

"Kindly Keep Your Hands off this Wire. It carries 20,000 Volts. Thank You."

* * *

If he leaves your party and goes to the other political side he is a traitor, but if he leaves the other party and comes to your side he is a patriot.

* * *

Grandma—Doesn't that little boy swear terribly.

Grandson—Yes'm, he sure does. He don't put no expression in it at all.

* * *

Judge—I could send you to prison for this.

Thief—If you do, send me to Kingston. I haven't seen my two brothers for five years.

* * *

Our idea of a racket that should be stopped is that of the girl next door who thinks she is singing.

* * *

It is easy to convince those who get caught that "Honesty is the best policy".

* * *

First Yegg—I need glasses.

Second Yegg — What makes you think so?

First Yegg — Well, I was twirling the knob of a safe last night and a dance orchestra began to play.

* * *

The laughing hyena only sleeps once a month and only drinks once a year. Tell us what he's got to laugh about.

* * *

Charlie—Let's sit this one out; no one will be the wiser.

Dorothea—Oh yes! You will.

* * *

One trouble seems to be that the people never fully realize the importance of saving money until times get so bad that there is no money to save.

* * *

Belleville Barber — Your head is badly in need of a shampoo, sir.

Painter—Yes, and your house needs painting, but I don't nag you about it.

* * *

Lawyers in the Court House have a way of calling each other everything they can think of, and then walking out arm in arm to lunch together. * * Men sometimes become wiser as they grow older, but they seldom grow less foolish. * * * A hick town is a place where Central can tell you whether it's a boy or a girl.

* * *

Englishman (proudly) — The sun never sets on the British Empire.

American girl — How unfortunate. At home we have such lovely sunsets.

* * *

Lawyer—It would be better if you could prove an alibi. Did anybody see you at the time of the crime?

Client—Fortunately, no.

* * *

Stirling Wife (during quarrel) — You're becoming absolutely unbearable. It will soon be impossible to live with you.

Husband (hopefully)—How soon?

* * *

Maid—The lady can't see you; she's taking a bath.

Agent—Oh, that's all right; I'm selling soap.

* * *

Dentist — Where is that aching tooth?

Theatre Usher — Balcony first row to the right.

* * *

Even when a man proves he is woman's superior she doesn't believe it.

* * *

A lot of good women are old maids because they never get beyond the window shopping stage in looking for a husband.

People waste too much time trying to obtain things for which they have no use.

ELECT OFFICERS AT GRAND LODGE

Kingston —The 77th Communication of the Grand Lodge A.F. and A. M. of Canada in the Province of Ontario, closed Thursday afternoon with the election of officers and their installation and the selection of St. Catharines as the meeting place for next year.

The election of officers resulted as follows:

Grand Senior Warden, W. H. Gimblett, Kingston.

Grand Junior Warden, S. A. Marshall, Toronto.

Grand Chaplain, Right Rev. John Lyons, of Kingston, Bishop of Ontario.

Grand Registrar, C. D. Sucee, Chatham.

Board of general purposes (elected) J. A. McRae, Kingston; G. C. Bonnycastle, Bowmanville; E. W. Barber, Toronto; Bishop C. A. Seager, London; C. E. Kelly, Hamilton; (appointed by Grand Master) J. A. Doblie, Ottawa; W. E. Hopkins, Toronto; W. E. McKenzie, Toronto; C. M. Forbes, Perth; N. T. McAuley, Haileybury.

LEAGUE CONFERENCE AT GENEVA ADJOURNED

Geneva—The World Disarmament Conference which began its work on February 2, adjourned on Saturday for an indefinite period after adopting a resolution promising substantial reduction of armaments in its later liberations.

Soviet Russia and Germany voted against the resolution. Both announced that in doing so they were voting for disarmament although they could not support the resolution.

The vote on the resolution was in committee of the whole, but the full conference adopted the final part which extends the current armaments truce. This was an unanimous vote with China abstaining.

Rt. Hon. Arthur Henderson, British chairman of the conference, ended the session with an address supporting the resolution.

Hints for the Household

For the Month of July

LATE SUMMER HINTS

Bee Bites

When you go berry picking you're apt to get stung by a bee or a wasp. In that case mud or common earth and water is the best thing to put on the sore spot and should be put on immediately.

Some folks carry water with them for just such an emergency. They simply mix the dirt and water until it becomes like a thick paste. Then—apply it.

To Rid Room of Mosquitoes

Leave a botle of penny-royal uncorked in a room at night. In the morning there will not be a mosquito to be found.

For Stings of Insects

Apply spirits of ammonia to stings of insects or bites of mosquitoes to take the poison out.

COOKING HINTS

Pressed Chicken

1 chicken.
2 tablespoons of gelatine.
Some chicken broth.
Seasoning.
3 hard boiled eggs.

Method: Boil chicken until tender. Pick from bones and cut or chop fine. Dissolve gelatin in hot chicken broth. Season. When it cools add chicken and egg. Put in a fruit mould. This looks pretty when served with tomatoes or tomato jelly.

Berry Parfait
Minus Ice Cream

Soft Custard.
Berries.
Powdered sugar.
Whipepd cream.

Method: Put down layer of soft custard. Then layer of raspberries, loganberries or blackberries. Sprinkle with powdered sugar. Top with sweetened whipped cream. Trim with berries. Chill. Serve cold.

Of course, ice cream is always good fixed this way in place of the custard.

Raspberry of Blackberry Shortcake

Berry short cakes make such delicious desserts for the summer time. They give balance to an otherwise light meal. By remembering a few simple things they are very easy to make. Those are:

Allow about 20 minutes to cook.

Mix dry ingredients ahead of time if desired.

Add milk just before baking.

Short Cake Recipe

2 cups of flour.
2 tablespoons of shortening.
1 tablespoon of sugar.
Little salt.
4 teaspoons of Baking Powder.

Milk enough to either shape or drop dough.

Serve warm.

Split short cake. Butter. Pour berries which have been slightly mashed and sweetened over the short cake.

General News of Interest

Tweed News—Mrs. Felix Rashotte underwent a serious operation on Wednesday morning in Belleville Hospital. She is progressing as well as can be expected.

Roslin—In the electrical storm on Friday morning, Mr. Webb, of Elliott's Lodgeroom, near here, had two yearling cattle killed when they were struck by a bolt of lightning.

Jack Doolittle, seven-year-old son of Mrs. Eva Doolittle, Albert Street, Belleville, was drowned in a deep water hole in Springside Park, Napanee, on Sunday. He was playing with a toy boat, when he toppled in the water. The body was found within ten minutes.

Marmora Herald — Rev. E. Joblin, Stirling, who attended Victoria College last year, conducted morning service and preached in St. Andrew's United Church last Sunday. Mr. W. C. Sills sang "The Old Rugged Cross" in a very pleasing manner. The service was a very enjoyable one. Rev. Mr. Joblin will conduct the service at 11 a.m. again next Sunday, July 24.

The Dominion Bureau of Statistics has figured that British Empire countries, represented in Otawa, cover one-quarter of the surface of the globe and are peopled by almost one-quarter of the inhabitants of the earth. There are 49,442,824 British in Europe, 12,280,144 in North America, including the West Indies and British Honduras, 315,867 in South America; 363,934,806 in Asia; 54,960,965 in Africa and 9,235,340 in Oceania, the total being 490,169,940.

Provincial Highway Number 7 is open from Peterborough to Ottawa. There is only one defect in the work done last winter from Madoc easterly to Perth. Near Arden a "sinkhole" has caused trouble to the highway engineers. So far it has defied filling treatmenet and because the road has not "set" at that point there is a detour of about a mile. Otherwise the road is in good condition, and traffic is already begining to move over the new route.

Fred F. Fry, of Havelock was painfully injured and his automobile smashed up in an accident on the Belmont Lake road, a short distance from Havelock on Friday afternoon. Returning from his cottage on Belmont Lake about four o'clock, Mr. Fry was approaching the village when he met another car which it is alleged forced him toward the outside edge of the road for his own safety and in a twinkling his car was piled up against a telephone post. He was injured about the head and hands and the first impressions were that the car was almost beyond repair.

Tweed — A unique ceremony was performed at the United Church on July 10, following the attendance at divine service by L.O.L. No. 747, when a silver trowel, which had been presented to Sir Mackenzie Bowell in 1884, following the laying of the cornerstone of Lodgeroom Methodist Church and Orange Hall, was returned by Mr. W. E. Tummon, M.P., on behalf of Mrs. Evelyn McCarthy, of Belleville, daughter of the late Sir Mackenzie Bowell. The trowel was received by William Craig and George Brown, only surviving members of the building committee of 48 years ago.

Madoc—While fishing alone on Moira Lake, on Sunday evening about 10 o'clock, Dr. M. S. McRae, dentist, was drowned near the cottages along the north shore. The body was discovered at 1 o'clock Monday morning. The only explanation of the tragedy was offered in the tangled fishing lines which were found when the body was brought to the surface by grappling irons obtained from Madoc. Dr. McRae's absence did not cause any alarm at first. It was known that he had taken the punt to go fishing, but when he had not returned as the night set in, a search was instituted and the fears of his friends were confirmed in the empty boat. Dr. McRae is survived by his widow. He had come to Madoc five years ago and was about thirty-seven years of age. Dr. McRae and his wife had recently moved out to Moira Lake, and were camping on the north shore. Their only child died about a year ago.

Belleville—A night spent on the lonely shore of a rock island in Big Bay of the Bay of Quinte, near Big Island, with nothing to eat from early Friday afternoon, until late Saturday was the experience of John Hanna, nephew of Chas. Hanna, Ex-M.P., his wife and four small children, of 211 Dundas Street east. The family were none the worse of the experience. The party was rescued from their marooned home by a motor boat owned by William Cochet of this city after information as their whereabouts had been secured from a pilot of an airplane owned by the R.C.A. training base near Trenton, who sighted the party and dropped a note to the waiting boat, which for some hours had been patrolling the bay and small coves. Mrs. Hannah was in a highly nervous state, but the children took the near tragedy as more of a lark.

RALPH EMMONS LAID TO REST

Campbellford — Little nine-year-old Ralph Emmons, victim of a drowning fatality at Campbellford on Wednesday last week was laid to rest on Friday in Mount Pleasant cemetery after a very impressive service held at the Front Street residence conducted by the Rev. J. C. Robinson of St. Andrew's Presbyterian church, Campbellford, who offered kindly words of comfort to the bereaved parents and relatives.

The son of Mr. and Mrs. J. Russell Emmons, he was a regular attendant at St. Andrew's Sunday School and the profusion of floral tributes which were offered as tokens of sympathy by his fellow pupils were carried by members of his Sunday School Class: Jack Stevens, Jack Thomson, William Thomson, Jack Storie, James Hamilton, Jack Bell, Bernon Haig and Donald Graham.

Pall bearers were all cousins of the departed lad, Gordon Fox, Billie Fox, Donald Herriott and Stewart Herriott. Several children's hymns were sung at the house service led by the choir of St. Andrew's church under the leadership of W. A. Newcourt, the choir being seated on the lawn.

A large number of citizens attended the funeral and showed their sympathy in the loss of one of the town's children under such tragic circumstances. Little Ralph was a very popular lad and well thought of by all who knew him and the sympathy of the community goes out to the sorrowing parents in their bereavement.

IVANHOE W. I.

The Women's Institute met at the home of Mrs. E. Pitman on July 19th, postponed from the 12th, the usual date. Mrs. G. Cooke, the president, took the chair. After singing the Institute Carol, the Lord's Prayer was repeated in unison. Minutes were read and aprpoved. Roll call was answered by fourteen members and several visitors, answering to "Helps for Mother.". This was the girls' meeting. Miss Edna Reid gave a reading "Business Girl". "Smile a While" was then sung. Miss E. Reid presided at the piano in the absence of Mrs. Reg. Haggerty. A splendid reading was given by Miss Myrtle Reid "He Laughed". A musical selection was given by Miss G. Pitman. A splendid reading was taken up by Mrs. John Clement, on "Our Canadians". A demonstration given on Bran Muffins by Marjorie Cooke. Meeting closed by singing the National Anthem. The hostess then served several dishes of home-made candy and a social half hour was spent.

4,016 MOTOR VEHICLES COLLIDED IN 1931

83 deaths and injuries to 3,278 persons resulted from collisions between motor vehicles in Ontario last year.

This information is furnished by J. P. Bickell, Registrar of Motor Vehicles, Ontario Department of Highways. The figures are, therefore, official. And surely they are a sad commentary upon the driving habits of the men and women motorists of the province.

Occasionally, perhaps, there may be a legitimate excuse for the colliding of two automobiles, but according to official information the great majority of accidents occur in broad daylight, on straight roads and the cars involved are almost always in good mechanical condition.

It may be, as some people claim, that the average motorist has little or no regard for the rights of the other fellow. Still, it should not be difficult for the habitually careless driver to see that sooner or later he is bound to be the "other fellow" himself.

Satisfied Canadian Owners have established

CHEVROLET LEADERSHIP!

A hundred thousand owners of low-priced cars throughout Canada were invited recently to tell what they thought was Chevrolet's most important story. Like a recurrent theme through the thousands of entries received was the conviction —*Chevrolet leadership is based on the goodwill of the men and women who have tested the Chevrolet Six in millions of miles of driving.*

The Chevrolet Six you buy today is a *proved* car; proved on the hard testing ground of a nation's roads and byways to the satisfaction of thousands of your fellow-Canadians. It has won acknowledgment today as the Great Canadian Value, just as this proud title has been won by each succeeding Chevrolet since the first of the line came out of the factory at Oshawa, seventeen years ago.

No wonder, then, that since January 1st, Canadians have purchased more Chevrolets than any other car, regardless of price. Wise motorists have said in no uncertain way that they want six-cylinder smoothness, free-wheeling, syncro-mesh gear-shifting, Fisher bodies, four parallel-mounted springs—and the other Chevrolet features without which no 1932 car can possibly be called complete!

ST. PAUL'S W. A.

About thirty-six ladies of St. Paul's Woman's Association motored to Scott's Church, near Frankford on Wednesday, July 20th, to visit with members of other Ladies' Aids from Frankford, Foxboro and Wallbridge, as well as Scott's. Well over 100 ladies were present, also several gentlemen.

The meeting opened at 2.30 with Mrs. Scott, president of the local ladies' aid, in charge of the following program. Hymn "All Hail the Power of Jesus' Name", followed by a very inspiring prayer by Rev. Sexsmith. Scripture lesson, Prov. 3rd, verses 1 to 17 inclusive by the president, after which an address of welcome was extended by Mrs. Morley Sine. She heartily welcomed the members present, and gave a brief resume of the history of Scott's Church from about 1872 until the present time. Mrs. C. Wright, president of Stirling Woman's Association graciously replied on behalf of the visiting branches, and hoped that each one would derive a great deal of benefit from the association meeting in groups this way. Mr. Maurice Bell, of Stirling, favored the audience with a very pleasing banjo solo. The presidents from Stirling, Wallbridge and Frankford were each called on for a few remarks and were heartily applauded for their brief talks. Mr. P. Bell, of Frankford, gave a reading which was much enjoyed. Miss Leda Badgely of Scott's gave an organ solo, which was a real treat. Mrs. A. Shaw, Stirling, gave a paper and a talk on "The Price of Leadership". She stressed the fact hat the world has always had many notable leaders both men and women, and it behooves each one of us to be loyal to any leader, always try and picture yourself in the place of the leader before you criticize them too severely. She said it was much easier to obtain success and leadership than to maintain that leadership after you have obtained it. Christ was the greatest leader the world has ever known. Let us take a pattern from Him and be unselfish and sacrifice a little more than we do. Miss Beatrice Jones, Belleville, was the next speaker. She stressed living up to the Ten Commandments, especially in regard to keeping the Sabbath Day holy. "Let each one of us be in our places in Church each Sunday and so set an example for others to follow. She read a few verses from Luke, 2nd chapter, stressing most particularly the words "Wish ye not that I must be about my Father's business." She said it is high time we women and men also were awake to the fact that we must be about our Father's business and to try and fill our church pews each Sunday with earnest, Christian people. This address was very helpful and inspiring. Miss Jones was highly complimented by the president and Rev. Sexsmith. Mrs. C. Bonisteel and Miss Dorothy Foster of Frankford then sang a duet very beautifully, accompanied by Miss Leda Badgley. Mr. T. Furnival then gave a trombone solo in his usual good style. A vote of thanks was tendered those taking part in the program by Mrs. M. B. Sine, seconded by Mrs. Badgley, after which the National Anthem was sung. The benediction was pronounced by Rev. Sexsmith, after which all repaired to the dining hall where a bounteous supper was served.

A Ford touring car went up in flames on the north shore of Oak last night. It is reported the owner resides in Belleville.

STIRLING BOY MAKES GOOD IN VANCOUVER

The following editorial under the heading of "Vancouver's New Bridge" and referring to Mr. George Martin, son of Mr. W. S. Martin, Stirling, appeared in June 30th issue of The Vancouver Sun":

'Tomorrow, Vancouver's new Burrard Bridge will open. That official opening will symbolize a great forward movement in Vancouver's civic life.

"The Lieutenant-Governor will perform the official opening ceremony. The Mayor will make a speech and eulogize everyone connected with the bridge. The contractors, the engineer and the architect will get their shares of the oratorical bouquets.

"But no matter how efficiently and intelligently these officials have carried out their work, real credit for Burrard Bridge is due to two young Vancouver men, Mr. George Martin and Mr. R. P. Baker.

"Thousands of people in this city have realized for years the ultimate necessity for a bridge at this point. But yet on two occasions, in 1911 and again in 1929 the citizens refused to vote money for the project.

"Mr. Martin and Mr. Baker then took it upon themselves to organize public opinion with regard to that bridge. They raised some $7,000 or $8,000 and set out to sell the necessity for the Burrard Bridge to the public.

"Their tireless efforts and unquenchable enthusiasm at last succeeded. The neceessary expenditure was approved by the voters—and tomorrow the finished product will be presented to the public.

"It has been the same with many other undertakings in British Columbia—and throughout the ages for that matter. And the spirit of those two men is the kind of spirit that is needed to promote any essential promote any essential product in this city or this province.

"Winnipeg went out in the same irresistable frame of mind to build the Hundson's Bay Railroad. And a few men in a few months did the trick.

"Vancouver has never properly organized for the Peace River Railway or we would have had it built long ago.

"Our Coast copper plants are closing down for lack of smelter; the shingling industry is wobbling because a few people in the industry are not properly organized to sell the shingles.

"If two energetic young men with an idea could build a bridge, cannot these other projects be promoted in the same way?

"In these times of distress, if Vancouver will develop that home spirit and look about her for things that can be done in a homey way for Vancouver and British Columbia, Vancouver will have no need to worry about depression or anything else."

AVIATOR DIES

Flight Lieutenant H. W. Hewson, Trenton, was critically injured and Flying Officer F. M. Gobeil, Ottawa, was forced to make a parachute jump when the planes which they were piloting collided in mid air above the airport at Trenton on Tuesday morning. Both planes were badly damaged, the plane piloted by Hewson breaking out in flames and being completely destroyed. Cause of accident has not been determined yet. Hewson was taken to Belleville, where he passed away last evening without regaining consciousness. He is survived by his wife and two children.

Immediately after the ceremony Mr. and Mrs. Joyce left on a motor trip to Toronto, Niagara Falls and other points. The bride's going-away costume was a smart green ensemble with fox fur and a matching green turban.

CANADA GAINS ON U.S.A.

Canadian business men who travel in the United States are amazed by the heavy pall of depression gloom which hangs over the business community in that country. It is becoming a commonplace that Canadians don't know what a depression is until they have spent a few days in one of the large American cities. Americans are as despondent now about the future, as they were enthusiastic three years ago.

Perhaps this very attitude of hopelessness is in some degree responsible for the poor showing made by business statistics in that country in the past six months. Six months ago comparative charts prepared for the Financial Post by Babson's Statistical Organization showed that the relatively faster pace set by Canadian business since 1926 had been slowed down and that for the first time in five years the relative physical volume of business in the two countries was about on a par at 15 per cent. below the average for the years 1922 to 1925 inclusive.

Since then the picture has changed materially and volume in the United States has slipped steadily back until it now hovers at 1921 levels while Canadian business has actually gained something over 8 per cent. and is currently 25 per cent above 1921 figures. This is the first time since 1927 and the second time in the past 15 years that Canadian business has shown a strong independent trend against the general course of business in the United States.

Admittedly business sentiment in this country is currenetly buoyed up by prospects for a successful revival of inter-empire trade and by the outlook for a bumper wheat crop on the prairies, but the ability of business here to resist the pessimistic outlook of our friends across the border is a fine tribute both to Canadian morale and business institutions and perhaps more particularly to the sound principles upon which our great banking institutions are operated.

HOT WEATHER RULES FOR THE BABY

Summer is in many ways an ideal time for health, as it provides sunshine and fresh air for us out-of-doors and so we are able to build up our health and energy. September is not a dangerous month for adults; indeed it is a particularly healthy time, and the number of adult deaths for that month are comparaticely few. It appears, therefore, that without becoming alarmists, special care should be given to babies during the summer months. There are some simple, common-sense rules which should be followed, since they may save the baby's life and preserve his health.

Keep him cool. A good general rule is "The less clothing the better"; for cool days or nights, add clothing. Babies dislike being overheated just as much as adults, and it is most undesirable in every way that the baby should be overheated.

Keep him clean. Keep him clean in every respect. Bathe him both morning and night, and on hot days give a sponge bath when putting him to sleep in the afternoon. The bath is refreshing as well as cleansing, and helps soothe him to sleep.

Keep flies away. Flies and other insects carry disease germs and so the baby and his food should be protected from them by screening doors and windows.

Give him sunshine and fresh air. The great value of fresh air and sunshine is generally recognized. During the hot weather the baby should have his sun bath in the morning before eleven, or after three in the afternoon. Then he should be placed in the coolest spot available, either outside or within a shaded, airy room.

Give him Water. Baby requires more water in hot weather. Give him unsweetened water between meals.

Give food regularly. Feed by the clock. The baby requires less food in hot weather, so be content if he takes less and do not try to force him to take more.

If the baby is bottle fed, be sure that the milk and bottles are well pasteurized and sterilized, and keep them cool on ice until used.

In cases of illness, such as diarrhoea, stop all feeding; give cool, unsweetened water, and call the doctor. Prompt treatment is needed. Home remedies mean delay which is often dangerous.

FAR-REACHING SUCCESS IS SEEN FOR OTTAWA MEET

(Financial Post)

Ottawa—On the eve of the Economic Conference delegates, newspapermen, distinguished visitors and observers have all been caught up in a wave of optimism which seems to have swept the capital from her feet.

Everyone is prophesying success, complete success, and it is confidently asserted that before the conference is a week old there will emerge the certainty of a general agreement in principle if not in detail. This wave of optimism began to rise the moment he British delegates arrived here and reached new levels with the announcement at Montreal that the British and Canadian iron and steel manufacturers had come to an agreement as to the division of the Canadian market.

The lines of this agreement, while not officially announced, are said to be that Britain is to be given the complete Canadian market in articles not manufactured in Canada, while Canadian manufacturers are to be given the market in the lines they are equipped to serve. The middle ground where part of the market is served by Canadian industries, is to be divided in such a way as not to curtail Canadian production.

Whether the main conference will follow the principle laid down by the iron an steel men remains to be seen. But on every hand are evidences of a spirit of compromise, of a disposition to give as well as to take. Success for the conference is believed to be assured, but whether this success will fulfill all the hopes of the Empire remains to be seen.
